Song, Struggle, and Solidarity Mark Abendroth, 2008-10-17 The New York City Labor Chorus NYCLC was the first group of its kind when it formed in 1991 with members of different unions joining together in song Song Struggle and Solidarity The New York City Labor Chorus in Its Twenty fifth Year is the product of Mark Abendroth s ethnography on the NYCLC during its calendar year from fall 2016 to spring 2017 Abendroth was in his sixth year as an active member of the chorus at that time He kept field notes of nearly every NYCLC performance and weekly rehearsal during the year He also interviewed twenty eight of the approximately eighty five members and studied documents in the group s history Chapters include a history of singing in the labor movement in the United States a history of the NYCLC in its first twenty four years and a focus on developments during the group s twenty fifth year The book ends with the author s conclusions on the NYCLC s accomplishments challenges and possibilities *Armed Jews in the Americas* Raanan Rein, David M.K. Sheinin, 2021-07-05 A Jewish weapons manufacturer during the American Civil War a Jewish Canadian chair of the Metropolitan Toronto Police Board and Jewish Argentine guerrilla fighters these are some of the individuals discussed in this first of its kind volume It brings together some of the best new works on armed Jews in the Americas Links between Jews and their ties to weapons are addressed through multiple cultural political social and ideological contexts thus breaking down longstanding stilted myths in many societies about Jews and weaponry Anti Semitism and Jewish self defense Jewish volunteers in the Spanish Civil War and in the 1948 Arab Israeli war and Jewish American gangsters as ethnic heroes form part of the little researched topic of Jews and arms in the Americas *Spain's revolution against Franco: The great betrayal* Alan Woods, 2019-10-25 The story of the Spanish revolution of the 1930s is quite well known to most people on the left but there is a surprising level of ignorance concerning the events that occurred subsequently History did not cease with the victory of Franco in 1939 And the story of how the Franco dictatorship was eventually brought down by the revolutionary movement of the Spanish workers is an inspiring one Under the most difficult and dangerous conditions Spanish workers launched a strike wave which in its intensity and duration has no parallel anywhere There was nothing remotely like this in Hitler s Germany Mussolini s Italy or Salazar s Portugal This was a genuine revolution which could and should have gone far further than it did If it did not finally succeed that was no fault of the working class The Spanish revolution of the 1970s was shamefully betrayed by the leaders of the communist and socialist parties who entered into an agreement with former fascists in order halt the movement in its tracks Alan Woods participated personally in the last phase of this struggle and was a witness to some of its most decisive moments Using a wealth of documentary material from the time and also new interviews with key participants in the events he tears away the thick veil of lies myths and half truths to reveal what actually occurred With new struggles and challenges on the order of the day in Spain and the rest of the world it is the duty of all conscious workers and revolutionary youth to study the lessons of the past as a necessary precondition for victory in the future This book is an important contribution to a

necessary learning process and is obligatory reading for anyone who is interested in the struggle for socialism today **We Shall Not Be Moved/No Nos Moveran** David Spener,2016-04 We Shall Not Be Moved presents the surprising travels of a traditional song and analyzes the indispensable role it has played as a social justice hymn in progressive movements in the United States Spain and Latin America This title was made Open Access by libraries from around the world through Knowledge Unlatched Songs of Spain Jerry Silverman,2011-02-25 A vivid collection of songs ballads and dance melodies arranged in piano vocal format These melodies capture the vibrance of the Spanish culture and include guitar chords All lyrics are presented in English and Spanish A Gravity's Rainbow Companion Steven C.
