For longtime poet Bill Kiely poetry began as a high school assignment and has blossomed over the course of his life into a venture of new hopes and dreams. He writes to release tension, relieve stress and remember life's journeys. In his latest collection of poetry *From Within Here Is My Joy* Kiely offers verses that embrace life and the poetic path we are all on. The words inside of us simply waiting to be released. These poems represent a small portion of his hopes, dreams and words reimagined in our world. A compilation of memories and a chance encounter with the spirited embrace of Kiely's mind. In sharing his voice and heart along with various facets of his life he seeks to define himself as a dreamer, writer, poet and artist. *My Courage to Hope Within the tender of the moment between*
