The Lesson of Carl Schmitt Heinrich Meier, 2011-08-26 Heinrich Meier's work on Carl Schmitt has dramatically reoriented the international debate about Schmitt and his significance for twentieth century political thought In *The Lesson of Carl Schmitt* Meier identifies the core of Schmitt's thought as political theology that is political theorizing that claims to have its ultimate ground in the revelation of a mysterious or suprarational God This radical but half hidden theological foundation underlies the whole of Schmitt's often difficult and complex oeuvre rich in historical turns and political convolutions intentional deceptions and unintentional obfuscations In four chapters on morality politics revelation and history Meier clarifies the difference between political philosophy and Schmitt's political theology and relates the religious dimension of his thought to his support for National Socialism and his continuing anti-Semitism New to this edition are two essays that address the recently published correspondences of Schmitt particularly with Hans Blumberg and the light it sheds on his conception of political theology

Ernst Jünger and Germany Thomas R. Nevin, 1996 For most of his life Ernst Jünger one of Europe's leading twentieth century writers has been controversial Renowned as a soldier who wrote of his experience in the First World War he has maintained a remarkable writing career that has spanned five periods of modern German history In this first comprehensive study of Jünger in English Thomas R. Nevin focuses on the writer's first fifty years from the late Wilhelmine era of the Kaiser to the end of Hitler's Third Reich By addressing the controversies and contradictions of Jünger a man who has been extolled despised denounced and admired throughout his lifetime *Ernst Jünger and Germany* also opens an uncommon view on the nation that is if uncomfortably represented by him Ernst Jünger is in many ways Germany's conscience and much of the controversy surrounding him is at its source measured by his relation to the Nazis and Nazi culture But as Nevin suggests Jünger can more specifically and properly be regarded as the still living conscience of a Germany that existed before Hitler Although his memoir of service as a highly decorated lieutenant in World War I made him a hero to the Nazis he refused to join the party A severe critic of the Weimar Republic he has often been denounced as a fascist who prepared the way for the Reich but in 1939 he published a parable attacking despotism Close to

the men who plotted Hitler's assassination in 1944 he narrowly escaped prosecution and death Drawing largely on J nger's untranslated work much of which has never been reprinted in Germany Nevin reveals J nger's profound ambiguities and examines both his participation in and resistance to authoritarianism and the cult of technology in the contexts of his Wilhelmine upbringing the chaos of Weimar and the sinister culture of Nazism Winner of Germany's highest literary awards Ernst J nger is regularly disparaged in the German press His writings as this book indicates put him at an unimpeachable remove from the Nazis but neo Nazi rightists in Germany have rushed to embrace him Neither apology whitewash nor vilification Ernst J nger and Germany is an assessment of the complex evolution of a man whose work and nature has been viewed as both inspiration and threat *Encyclopedia of German Literature* Matthias Konzett, 2015-05-11 Designed to provide English readers of German literature the opportunity to familiarize themselves with both the established canon and newly emerging literatures that reflect the concerns of women and ethnic minorities the Encyclopedia of German Literature includes more than 500 entries on writers individual work and topics essential to an understanding of this rich literary tradition Drawing on the expertise of an international group of experts the essays in the encyclopedia reflect developments of the latest scholarship in German literature culture and history and society In addition to the essays author entries include biographies and works lists and works entries provide information about first editions selected critical editions and English language translations All entries conclude with a list of further readings *Totalitt als Faszination* Andrea Benedetti, Lutz Hagestedt, 2017-12-04 Zeitlebens hat Ernst J nger versucht hinter allem Geschehen eine Bedeutung zu erkennen und sei sie auch furchtbar oder von irgendeinem fremden Sinn erf llt Der Tagungsband geht dieser Suche nach historisch und ideologisch akzeptablen Sinngebungen des allgemeinen wie pers nlichen Erlebens nach Er betrachtet J ngers politische sthetik und seine Sprachauffassung im Lichte der philosophischen Tradition von Herder bis Heidegger von Rousseau bis Rivarol und des literarischen Spannungsfeldes zwischen Romantik Schlegel und Moderne Jelinek wobei der Weg von den Kriegstagebchern ber die politische Publizistik der Zwischenkriegszeit bis hin zum erz hlerischen uvre der Gegenwart f hrt J ngers Werkschau so die These repr sentiert kulturelle Praktiken des Lebens und berlebens die zwischen Kampf und Kunst st ndig changieren und zwar dergestalt dass weltanschauliche wie sthetische Aspekte gleicherma en Ber cksichtigung finden

The Representation of War in German Literature Elisabeth Krimmer, 2010-06-10 The history of literature about war is marked by a fundamental paradox although war forms the subject of countless novels dramas poems and films it is often conceived as indescribable Even as many writers strive towards an ideal of authenticity they maintain that no representation can do justice to the terror and violence of war Readings of Schiller Kleist J nger Remarque Grass B ll Handke and Jelinek reveal that stylistic and aesthetic features gender discourses and concepts of agency and victimization can all undermine a text's martial stance or its ostensible pacifist agenda Spanning the period from the Revolutionary and Napoleonic Wars to the recent wars in Yugoslavia and Iraq this book investigates the aesthetic theoretical and historical challenges that confront
