Siege Of Derry In Ulster Protestant Mythology

John Callow

Siege Of Derry In Ulster Protestant Mythology:

The Siege of Derry in Ulster Protestant Mythology Ian McBride, 1997 The Siege of Derry 1688-9 is the key political myth in Loyalist culture This study looks at the Siege reconstructing the ways in which the defence of Derry has been commemorated and interpreted over the last 300 years Celebrated by historians artists poets and preachers re enacted in anniversary demonstrations and parades the Siege provides a unique insight into the mixture of triumphalism and insecurity that lies behind the slogan No Surrender *The Routledge Handbook of the Northern Ireland Conflict and Peace* Laura McAtackney, Máirtín Ó Catháin, 2023-11-13 The Routledge Handbook of the Northern Ireland Conflict and Peace is the first multi authored volume to specifically address the many facets of the 30 year Northern Ireland conflict colloquially known as the Troubles and its subsequent peace process This volume is rooted in opening space to address controversial subjects answer key questions and move beyond reductive analysis that reproduces a simplistic two community theses The temporal span of individual chapters can reach back to the formation of the state of Northern Ireland with many starting in the late 1960s to include a range of individuals collectives organisations understandings and events at least up to the Good Friday Belfast Agreement in 1998 This volume has forefronted creative approaches in understanding conflict and allows for analysis and reflection on conflict and peace to continue through to the present day With an extensive introduction preface and 45 individual chapters this volume represents an ambitious expansive interdisciplinary engagement with the North of Ireland through society conflict and peace from a wide range of disciplinary perspectives theoretical frameworks and methodological approaches While allowing for rich historical explorations of high level politics rooted in state documents and archives this volume also allows for the intermingling of different sources that highlight the role of personal papers memory space materials and experience in understanding the complexities of both Northern Ireland as a people place and political entity

Ruling Ireland, 1685-1742 David Hayton, 2004 In a series of studies David Hayton offers a comprehensive account of the government of Ireland during the period of transformation from New English colonialism to Anglo Irish patriotism

Nation States Michael Mays, 2007-02-16 Drawing on diverse cultural forms and ranging across disciplinary boundaries *Nation States* maps the contested cultural terrain of Irish nationalism from the Act of Union of 1800 to the present In looking at Irish nationalism as a site of struggle Mays examines both the myriad ways in which the nation fashions itself as the a priori ground of identity and those processes through which nationalism engenders an ostensibly unique national identity corresponding to one and only one nation state the place where we always have been and can only ever be at home

Thomas Drew and the Making of Victorian Belfast Sean Farrell, 2023-10-15 In *Thomas Drew and the Making of Victorian Belfast* Farrell analyzes the career of political parson Thomas Drew 1800-70 creator of one of the largest Church of Ireland congregations on the island and leading figure in the Loyal Orange Order Farrell demonstrates how Drew's success stemmed from an adaptive combination of his fierce anti Catholicism and populist Protestant politics the creation of social

and spiritual outreach programs that placed Christ Church at the center of west Belfast life and the rapid growth of the northern capital At its core the book highlights the synthetic nature of Drew's appeal to a vital cross class community of Belfast Protestant men and women a fact that underlines both the success of his ministry and the long term durability of sectarian lines of division in the city and province The dynamics Farrell discusses were also not confined to Ireland and one of the book's central features is the close attention paid to the ways that developments in Belfast were linked to broader Atlantic and imperial contexts Based on a wide array of new and underutilized archival sources Thomas Drew and the Making of Victorian Belfast is the first detailed examination of not only Thomas Drew but also the relationships between anti Catholicism evangelical Protestantism and populist politics in early Victorian Belfast Women and Political Violence Miranda Alison,2009-01-21 This book directly challenges the stereotype that women are inherently peaceable by examining female combatants involvement in ethno national conflicts Drawing upon empirical case studies of Sri Lanka and Northern Ireland this study explores the ways in which women have traditionally been depicted Whereas women have predominantly been seen as victims of conflict this book acknowledges the reality of women as active combatants Indeed female soldiers irregulars are features of most modern conflicts and particularly in ethno nationalist violence until now largely ignored by mainstream scholarship Original interview material from the author's extensive fieldwork addresses why and how some women choose to become violently engaged in nationalist conflicts It also highlights the personal political costs and benefits incurred by such women This book provides a valuable insight into female combatants and is a significant contribution to the literature This book will be of great interest to students of political violence ethnic conflict gender studies and international relations in general The Ambivalence of the Sacred Scott R. Appleby,2000 This text explains what religious terrorists and religious peacemakers share in common and what causes them to take different paths in fighting injustice **All Dressed Up** Joan FitzPatrick Dean,2014-11-25 In the early twentieth century publicly staged productions of significant historical political and religious events became increasingly popular and increasingly grand in Ireland These public pageants a sort of precursor to today's opening ceremonies at the Olympic games mobilized huge numbers of citizens to present elaborately staged versions of Irish identity based on both history and myth Complete with marching bands costumes fireworks and mock battles these spectacles were suffused with political and national significance Dean explores the historical significance of these pageants explaining how their popularity correlated to political or religious imperatives in twentieth century Ireland She uncovers unpublished archival findings to present scripts programs and articles covering these events The book also includes over thirty photographs of pageants program covers and detailed designs for costumes to convey the grandeur of the historical pageants at the beginning of the century and their decline in production standards in the 1970s and 1980s Tracing the Irish historical pageant phenomenon through the twentieth century Dean presents a nation contending with the violence and political upheaval of the present by reimagining the past **Nelson's Surgeon** Laurence Brockliss,John

Cardwell, Michael S. Moss, 2005-10-06 In the lead up to the bicentenary of Trafalgar a number of important new studies have been published about the life of Nelson and his defeat of the Combined Fleet in 1805 Despite the significant role played by the health and fitness of the British crews in securing the victory little has been written hitherto about the naval surgeon in the era of the long war against France This book is intended to fill the gap Sir William Beatty 1773 1842 was surgeon of the Victory at Trafalgar An Ulsterman from Londonderry he had joined the navy in 1791 Before being warranted to Nelson's flagship Beatty had served upon ten other warships and survived a yellow fever epidemic court martial and shipwreck to share in the capture of a Spanish treasure ship After Trafalgar he became Physician of the Channel Fleet based at Plymouth and eventually Physician to Greenwich Hospital where he served until his retirement in 1838 As the book makes clear in drawing upon an extensive prosopographical database Beatty's career until 1805 was representative of the experience of the approximately 2 000 naval surgeons who joined the navy in the course of the war The first part of the biography provides a detailed and scholarly introduction to the professional education training and work of the naval surgeon But after 1805 Beatty became a member of the service elite and his career becomes interesting for other reasons In the final decades of his life Beatty was far more than a senior naval physician As a Fellow of the Royal Society director of the Clerical and Medical Insurance Company and director of the London to Greenwich Railway he was a prominent figure in London's business and scientific community who used his growing wealth to build a large collection of books and manuscripts His later life is testimony to the much wider contribution that some naval and army medical officers made to the development of the new Britain of the nineteenth century In Beatty's case too the contribution was original By publishing in 1807 his carefully crafted Authentic Narrative of the Death of Lord Nelson he was instrumental in forging the myth of the hero's last hours which has become a part of the national consciousness and has helped to define for generations the concept of Britishness

Historical Dictionary of Ireland Frank A. Biletz, 2013-11-14 All places undergo change but in few has this change been quite as sweeping as Ireland both the independent Republic of Ireland and dependent Northern Ireland so it is good to see where it is heading at present Obviously that has to be judged on the background of where it is coming from not only over the past decade or so but over centuries and indeed millennia This new edition of Historical Dictionary of Ireland is an excellent resource for discovering the history of Ireland This is done through a chronology an introductory essay and an extensive bibliography The cross referenced dictionary section has over 600 entries on significant persons places and events political parties and institutions including the Catholic church with period forays into literature music and the arts This book is an excellent resource for students researchers and anyone wanting to know more about Ireland **Migration in Irish History 1607-2007** Patrick Fitzgerald, Brian Lambkin, 2008-10-27 Migration people moving in as immigrants around as migrants and out as emigrants is a major theme of Irish history This is the first book to offer both a survey of the last four centuries and an integrated analysis of migration reflecting a more inclusive definition of the people of Ireland **Macaulay** Robert E.

Sullivan,2010-03-09 Sullivan offers a portrait of a Victorian life that probes the cost of power the practice of empire and the impact of ideas Devoting his talents to gaining power above all for England and its empire made Macaulay s life a tragedy Sullivan offers an unrivaled study of an afflicted genius and a thoughtful meditation on the modern ethics of power *The Oxford Handbook of Modern Irish History* Alvin Jackson,2014-03-27 The study of Irish history once riven and constricted has recently enjoyed a resurgence with new practitioners new approaches and new methods of investigation The Oxford Handbook of Modern Irish History represents the diversity of this emerging talent and achievement by bringing together 36 leading scholars of modern Ireland and embracing 400 years of Irish history uniting early and late modernists as well as contemporary historians The Handbook offers a set of scholarly perspectives drawn from numerous disciplines including history political science literature geography and the Irish language It looks at the Irish at home as well as in their migrant and diasporic communities The Handbook combines sets of wide thematic and interpretative essays with more detailed investigations of particular periods Each of the contributors offers a summation of the state of scholarship within their subject area linking their own research insights with assessments of future directions within the discipline In its breadth and depth and diversity The Oxford Handbook of Modern Irish History offers an authoritative and vibrant portrayal of the history of modern Ireland

From Jamestown to Texas Betty Smith Meischen,2010-09-22 The rugged character and indomitable spirit of the early pioneers of Stephen F Austins Texas colony had their roots in a turbulent distant past From the early 1600s their courageous ancestors had pushed westward leaving the European shores to carve out a new nation from the wilderness They fled religious and political oppression in search of a better life in which freedom was of supreme importance Many came with tales of their former struggles in Londonderry Ireland during the great siege of terrible massacres and clan rivalries in the times of William Wallace and Robert the Bruce King of Scotland They vividly remembered the tribulations of Martin Luther and the deadly religious split with the Catholic Church More recently memories of their parents participation in the American Revolution of dramatic true life scenes such as depicted in the movie The Patriot filled their minds their fathers having ridden along side of the wily Swamp Fox Francis Marion These pioneers associated themselves with men like Travis Crockett Houston and Andrew Jackson Many of these early trailblazers were Scots Irish and German immigrants They were on a westward trek to grasp a special prize to seal Americas Manifest Destiny And that prize they sought was Texas From Jamestown to Texas is the story of these intrepid pioneers and their ancestors who cleared and farmed the land who fought the Indians battled the elements and carved out this wonderful country that we have today *The Shaping of Modern Ireland* Eugenio Biagini,Daniel Mulhall,2016-02-01 Originally published in 1960 and edited by Conor Cruise O'Brien The Shaping of Modern Ireland was a seminal work surveying the lives of prominent early twentieth century figures who influenced Irish affairs in the years between the death of Charles Stewart Parnell in 1891 and the Easter Rising of 1916 The chapters were written by leading historians and commentators from the Ireland of the 1950s some of whom personally knew

the subjects of their essays This volume draws its inspiration from that seminal work Written by some of today's leading figures from the world of Irish history politics journalism and the arts it revisits a crucial phase in the country's history one that culminated in the Easter Rising and the Revolution when everything changed utterly With chapters on men and women of the stature of Carson Connolly and Markievicz but also industrialists such as Guinness who contributed to shaping modern Ireland in the social and economic sphere this book offers an important contribution to the renewal of the debate on the country's history

Community Relations and the Troubles in Northern Ireland Joana Etchart, 2024-11-19 Community relations policy has been an almost permanent feature in Northern Ireland since 1969 yet it has rarely been considered as an object of study This book provides historical depth to its analysis by documenting the various manifestations of the notion of community relations in public policy during the Troubles period Drawing on a variety of written and oral primary and secondary sources it offers a unique rich perspective on the meaning and intent behind community relations policy at certain critical junctures In addition by examining this period through the lens of one policy the book sheds light on important questions such as who intervened in policy making during the conflict who sought to influence the process and eventually who took the decisions It also considers the varied roles played by community workers This meticulous analysis reveals previously unknown aspects of the evolution of community relations policy and presents a compelling micro history of policy making and governance during the Troubles in Northern Ireland

Remembering the Year of the French Guy Beiner, 2007-02-01 Remembering the Year of the French is a model of historical achievement moving deftly between the study of historical events the failed French invasion of the West of Ireland in 1798 and folkloric representations of those events

James II: King in Exile John Callow, 2011-11-30 JAMES II was Britain's last Catholic king The spectacular collapse of his regime in 1688 and the seizure of his throne by his nephew William of Orange are the best known events of his reign But what of his life after this What became of him during his final exile John Callow's groundbreaking study focuses on this hitherto neglected period of his life the twelve years he spent attempting to recover his crown through war diplomacy assassination and subterfuge This is the story of the genesis of Jacobitism of the devotion of the fallen king's followers who shed their blood for him at the battle of the Boyne and the massacre at Glencoe gave up estates and riches to follow him to France and immortalised his name in artworks print and song Yet this first King Over the Water was far more than a figurehead A grim inflexible warlord and a maladroit politician he was also a man of undeniable principle which he pursued regardless of the cost to either himself or his subjects He was an author of considerable talent and a monarch capable of successive reinventions Denied his earthly kingdoms he finally settled upon attaining a heavenly crown and was venerated by the Jacobites as a saint This powerful evocative and original book will appeal to anyone interested in Stuart history politics culture and military studies

The Shadow of a Year John Gibney, 2013-02-15 In October 1641 a rebellion broke out in Ireland Dispossessed Irish Catholics rose up against British Protestant settlers whom they held responsible for their plight

This uprising the first significant sectarian rebellion in Irish history gave rise to a decade of war that would culminate in the brutal re conquest of Ireland by Oliver Cromwell It also set in motion one of the most enduring and acrimonious debates in Irish history Was the 1641 rebellion a justified response to dispossession and repression Or was it an unprovoked attempt at sectarian genocide John Gibney comprehensively examines three centuries of this debate The struggle to establish and interpret the facts of the past was also a struggle over the present if Protestants had been slaughtered by vicious Catholics this provided an ideal justification for maintaining Protestant privilege If on the other hand Protestant propaganda had inflated a few deaths into a vast and brutal massacre this justification was groundless Gibney shows how politicians historians and polemicists have represented and misrepresented 1641 over the centuries making a sectarian understanding of Irish history the dominant paradigm in the consciousness of the Irish Protestant and Catholic communities alike

Patriots Richard Weight, 2013-10-17 Who are the British today For nearly three hundred years British national identity was a unifying force in times of glory and despair It has now virtually disappeared In *Patriots* Richard Weight explores the decline of Britishness and the rise of powerful new identities in England Scotland Wales and Ireland Based on a wealth of original research it is scholarly in depth and scope yet never departs from a thoroughly readable and entertaining style Here are the themes of Orwell's *The Lion and the Unicorn* stretched over the subsequent sixty years and widened to embrace the whole United Kingdom Brimming with zest and feel this is politico cultural history at its best Peter Hennessy Wide ranging intelligent sensible and important Max Hastings *Sunday Telegraph* A marvellously rich ambitious and at times iconoclastic study by a young historian of how in the broadest sense national identity in Britain has changed in the last 60 or so years David Kynaston *Financial Times* A major work the fruit of long research wide reading and hard thinking engagingly written bubbling with fresh ideas Stephen Howe *Independent*

Siege Of Derry In Ulster Protestant Mythology Book Review: Unveiling the Magic of Language
