## **Siege Of Rabaul:**

The Siege of Rabaul Henry Sakaida,1996 Details the ordeal of abandoned Japanese units in Rabaul on New Britain Island Includes many rare photos      Imperial Japan's Allied Prisoners of War in the South Pacific C. Kenneth Quinones,2021-09-30

Three weeks after Imperial Japan s surrender five men dressed in baggy khaki uniforms stared at the camera They and two colleagues were the only survivors out of the 210 Allied airmen which Imperial Japan had imprisoned in paradise Joining them were 18 British soldiers the only survivors of 600 of their countrymen similarly but separately imprisoned Another 10 000 Allied soldiers and civilians were also imprisoned on the South Pacific island of New Britain More than half died before liberation What motivated such inhumane treatment This book s quest for an answer traces the genesis of Bushido Imperial Japan s martial code and surveys the prisoners recollections of their ordeal as the Battle for Rabaul raged around them from 1942 to March 1944      **B-24 Liberator Units of the Pacific War** Robert F Dorr,2012-12-20 Ever present in the Pacific

from Pearl Harbor to VJ Day the B 24 Liberator proved to be the staple heavy bomber of the campaign From its ignominious beginnings in the Allied rout in the Philippines and the Dutch East Indies this illustrated volume explores how the bomber weathered the Japanese storm with a handful of bomb groups which played a crucial role in checking the enemy s progress firstly in New Guinea and then actively participating in the island hopping campaign through the south west Pacific      **US Marine Corps Fighter Squadrons of World War II** Barrett Tillman,2014-05-20 The US Marine Corps has a long heritage of aviation excellence a reputation that was largely built on the impact and performance of the flying leathernecks in the bitter fighting in the Pacific during World War II As the US island hopping campaign against Japan gathered pace US Marine Corps fighter squadrons operating legendary Grumman and Vought aircraft became instrumental in the success of amphibious assaults and in breaking fierce enemy resistance engaging Japanese attack aircraft in the skies and ground based targets while supporting and protecting US ground forces The flying legends Marion Carl Greg Pappy Boyington Joe Foss and others were all World War II Marine fighter pilots taking to the skies in Corsairs Wildcats Venturas and Hellcats Aviation historian Barrett Tillman s comprehensive account US Marine Corps Fighter Squadrons of World War II pays homage to these individuals and their mounts and is packed with historic and organizational details of the squadrons who took to the skies above the Pacific      Encyclopedia of World War II Alan Axelrod,2007 A reference to the ideological military political biographical and social topics surrounding World War II which is often considered the pivotal event of the twentieth century

**Target: Rabaul** Bruce Gamble,2013-11-15 From award winning military historian Bruce Gamble Target Rabaul is the culmination of an amazing story profiling the Allied campaign against Rabaul Japan s most notorious stronghold in the Pacific Theater of World War II      The Fighting Corsairs Jeff Dacus,2020-10-01 From an historian and columnist in Leatherneck and Armor magazines this is the exciting personal account of a Marine fighter squadron in the South Pacific during the critical days of 1943 when the tide turned against the Japanese Based on individual interviews and wartime documents this is

a thrilling narrative of the Marines who lived and died during the toughest battles of the entire war It looks at the war through the eyes of some of the greatest fighter pilots of all time including Bob Hanson the Maharajah of Rabaul and highest scoring Corsair pilot in history      **United States Army in World War II.** ,1959      *United States Army in World War II.: The war in the Pacific* United States. Dept. of the Army. Office of Military History,1947      Dirty Eddie's War Lee Cook,2021-08-15 Dirty Eddie s War is the true account of the war time experiences of Harry Andrew March Jr captured by way of diary entries addressed to his beloved wife Elsa Nicknamed Dirty Eddie by his comrades he served as a member of four squadrons operating in the South Pacific frequently under difficult and perilous conditions Flying initially from aircraft carriers covering the landings at Guadalcanal in August 1942 he was one of the first pilots in the air over the island and then later based at Henderson Field with the Cactus Air Force When he returned to combat at Bougainville and the Hot Box of Rabaul the exploits of the new Corsair squadron Fighting Seventeen became legendary Disregarding official regulations March kept an unauthorized diary recording life onboard aircraft carriers the brutal campaign and primitive living conditions on Guadalcanal and the shattering loss of close friends and comrades He captures the intensity of combat operations over Rabaul and the stresses of overwhelming enemy aerial opposition Lee Cook presents Dirty Eddie s story through genuine extracts from his diary supplemented with contextual narrative on the war effort It reveals the personal account of a pilot s innermost thoughts both of the action he saw the effects of his harrowing experiences and his longing to be reunited with the love of his life back home      *Operation Ro-Go 1943* Michael John Claringbould,2023-11-23 A compelling account of the failure of Imperial Japan s Operation Ro Go intended to take the offensive in the Solomons theater of the Pacific War but which became Japan s first line of defense against the Allies Rabaul raids and Bougainville landings By the midpoint of World War II in the Pacific Japan was on the defensive At the end of 1943 after a year of tumultuous air combat around Rabaul and the Solomons 173 Japanese aircraft were sent to Rabaul The plan was for them to participate in Ro Go Sakusen known as Operation Ro Ro Go or B to strike Allied air power and shipping in the Solomons and to slow the American advance by severing Allied supply chains However instead of challenging Allied air and sea power on their own terms the operation became unexpectedly embroiled in defensive combat and counterattacks first to defend Rabaul from Allied air raids and then to challenge the Allied landings at Bougainville In one fell swoop Operation Ro Go was turned on its head and transformed into a defensive battle for the Japanese In this book the first in English to focus on Operation Ro Go Michael John Claringbould uses rare Japanese primary source material to explain how the Japanese planned and fought the campaign and corrects enduring myths often found in books that rely only on Western sources He traces the unexpected and tremendous pressures placed on the operation s units at Rabaul as the Japanese dealt with massive surprise raids from Fifth Air Force bombers and later US Navy carrier aircraft concluding with the strategic upset of the Bougainville landings Packed with previously unpublished photos spectacular original illustrations 3D recreations of specific missions maps and explanatory

diagrams this study tells the previously untold but significant story of Japan's air war in the Solomons      **Operation Squarepeg** Reg Newell, 2017-11-30 In late January 1944 a force of New Zealand soldiers and Allied specialists undertook a daring behind the lines reconnaissance of the Japanese held Green Islands of Papua New Guinea The New Zealand Army's largest amphibious operation of World War II followed two weeks later The Japanese contested the invasion with air power and inflicted heavy damage on the American cruiser USS St Louis After landing the New Zealanders pushed inland and encountered fanatical Japanese defenders entrenched in thick jungle Allied engineers including the famed Seabees then built airfields roads and shipping facilities The seizure of the Green Islands completed the encirclement of the main Japanese base in the South Pacific at Rabaul A memorable but overlooked action of the Pacific War Operation Squarepeg involved a diverse force of Allied sailors soldiers and airmen that included Charles Lindbergh and future U S president Richard Nixon      *Air Apaches* Jay A. Stout, 2019-02-01 The American 345th Bomb Group the Air Apaches was legendary in the war against Japan The first fully trained and fully equipped group sent to the South Pacific the 345th racked up a devastating score against the enemy Armed to the teeth with machine guns and fragmentation bombs and flying their B 25s at impossibly low altitudes often below fifty feet the pilots and air crews strafed and bombed enemy installations and shipping with a fury that helped cripple Japan One of the sharpest tools in the U S arsenal the 345th performed essential missions during Gen Douglas MacArthur's campaigns in New Guinea and the Philippines earning an impressive four Distinguished Unit Citations This was punishingly dangerous work and the 345th lost 177 aircraft and 712 men young men doing their duty in the spirit of the Greatest Generation Neither was this the more gentlemanly war of Europe with its more temperate climate resistance networks aiding downed crews and POW camps Airmen shot down in the Pacific theater faced drowning in the ocean disappearing in the jungle or torturing and beheading by the Japanese in a war of no quarter expected no quarter given A compelling follow up to Jay A Stout's *Hell's Angels* Air Apaches reconstructs the missions of the 345th Bomb Group in striking detail with laser focus on the men who manned the cockpits navigated the B 25s dropped the bombs serviced the planes and helped win the war To tell this remarkable story Stout worked closely with the group's surviving veterans and dug deep into firsthand accounts The result is a compelling narrative of men at war that will keep readers on the edge of their seats      *Fortress Against The Sun* Gene E. Salecker, E Salecker, 2007-10-09 Most often remembered for its role in the air war against Germany no book has ever before been devoted to the B 17's Pacific operations The author combines technical and operational detail with eyewitness accounts by crews and commanders to present a fascinating account of a famous aircraft at war      [Savage Skies, Emerald Hell](#) Jay A. Stout, 2024-12-17 While the Marine Corps island hopped across the Pacific from Guadalcanal to Saipan to Iwo Jima the U S Army was locked in a grueling multiyear fight for the jungle island of New Guinea which in Japanese hands threatened both Australia and the vital supply lines stretching to the United States Forces under Douglas MacArthur intended to deny the Japanese this opportunity and use New Guinea as a stepping stone on

the road back to the Philippines and beyond it Japan A critical component of that campaign was waged in the air where American pilots supported ground troops and took the battle to the Japanese in scattered villages and beaches along the way fighting not only the Japanese but also the dangers of the island's mountainous terrain and thick jungles the weather and the surrounding ocean Savage Skies Emerald Hell is the story of the stirring and terrible air combat that made winning the fight for New Guinea possible It includes accounts from fighter bomber and transport crews primarily George Kenney's Fifth Air Force and places their actions within the broader context of strategy and tactics also providing descriptions of equipment and the experiences of the mechanics and support men who made it all possible It is a riveting narrative of World War II in the air combining deep primary research and Jay Stout's personal experience as a fighter pilot More than a great read Savage Skies Emerald Hell is an important contribution to World War II history **World War II** Britannica Educational Publishing, 2009-10-01 World War II was a very different war than had previously been fought in the course of history new technologies and ideas were employed making way for widespread death and new atrocities This book is a valuable resource that follows the war from the rise of Hitler to the dropping of the atomic bombs through blitzkrieg and bombings to the treaty that finally ended it all noting the effects upon future world politics 1942 Bob Wurth, 2008-09-01 1942 was the year of Australia's greatest peril as Darwin was destroyed by bombing Australian ships were torpedoed within sight of our coast midget Japanese submarines attacked shipping in Sydney Harbour and the Japanese army invaded New Guinea on its inexorable march south This is the real story of the genuine and imminent threat to Australia in that fateful year On the beautiful Inland Sea of Japan the heartland of the Imperial Japanese Navy and in frenetic wartime Tokyo zealous staff officers and their illogical admirals debated the invasion of an almost defenceless nation The Imperial Japanese Army meanwhile opposed the attack foreseeing a looming military quagmire In Australia Allied defence chiefs all but dismissed the chances of holding Darwin For months Australia's fate hung in the balance 1942 is a story of desperate bravery and criminal stupidity Most of all it is the story of Australians left high and dry under the looming shadow of a terrible invasion and the steps that an inexperienced leader John Curtin took to save his country in its darkest days Marine Air Robert F. Dorr, 2007-01-02 Think of the U S Marines and you'll naturally think of the peerless ground force that has always bravely answered America's call to arms But the Marines also have an air arm with a tradition every bit as proud and legendary as the ground infantry they support Now military historian Robert F Dorr presents the first fully illustrated oral history of the Marine Air Wing and gives the Flying Leathernecks the recognition they deserve When America entered World War I in 1917 the Marine Air Wing had only thirty five aviators During World War II it expanded to sixty one squadrons twenty with at least one flying ace and over 10 000 pilots Marine Air is a long overdue illustrated history filled with the Flying Leathernecks' own words and packed with photographs of the the few the proud of the skies and of their unwavering commitment to protecting their comrades on the ground and to defending the country they have never let down no matter what the odds **The B-26 Goes to War** Stan
