Natural Perspective The Development Of Shakespearean Comedy And Romance

Garry L. Hagberg

Natural Perspective The Development Of Shakespearean Comedy And Romance:

A Natural Perspective Northrop Frye, 1965 **A Natural Perspective** Northrop Frye, 1965 Describes the geography plants and animals history economy language religions culture and people of the People s Republic of China home of one of the world s oldest continuous civilizations *The Cambridge Companion to Shakespearean Comedy* Alexander Leggatt, 2002 An accessible wide ranging and informed introduction to Shakespeare s comedies dark comedies and romances first published in 2001 **A Preface to Shakespeare's Comedies** Michael Mangan, 2014-06-06 This is an informative and interesting guide to the comedies of love *The Two Gentlemen of Verona* *The Taming of the Shrew* *Love s Labour s Lost* *A Midsummer Nights Dream* *Much Ado About Nothing* *As You Like it* and *Twelfth Night* which were written in the early part of Shakespeare s career As well as supplying dramatic and critical analysis this study sets the plays within their wider social and artistic context Michael Mangan begins by considering the social function of laughter the use of humour in drama for handling social tensions in Elizabethan and Jacobean society and the resulting expectations the audience would have had about comedy in the theatre In the second section he discusses the individual plays in the light of recent critical and theoretical research The useful reference section at the end gives the reader a short bibliographic guide to key historical figures relevant to a study of Shakespeare s comedies and a detailed critical bibliography *The Oxford Handbook of Shakespearean Comedy* Heather Hirschfeld, 2018-09-06 *The Oxford Handbook of Shakespearean Comedy* offers critical and contemporary resources for studying Shakespeare s comic enterprises It engages with perennial yet still urgent questions raised by the comedies and looks at them from a range of new perspectives that represent the most recent methodological approaches to Shakespeare genre and early modern drama Several chapters take up firmly established topics of inquiry such as Shakespeare s source materials gender and sexuality hetero and homoerotic desire race and religion and they reformulate these topics in the materialist formalist phenomenological or revisionist terms of current scholarship and critical debate Others explore subjects that have only relatively recently become pressing concerns for sustained scholarly interrogation such as ecology cross species interaction and humoral theory Some contributions informed by increasingly sophisticated approaches to the material conditions and embodied experience of theatrical practice speak to a resurgence of interest in performance from Shakespeare s period through the first decades of the twenty first century Others still investigate distinct sets of plays from unexpected and often polemical angles noting connections between the comedies under inventive unpredicted banners such as the theology of adultery early modern pedagogy global exploration or monarchical rule The Handbook situates these approaches against the long history of criticism and provides a valuable overview of the most up to date work in the field **Perspectives on Politics in Shakespeare** John A. Murley, Sean D. Sutton, 2006-08-11 Political science is becoming ever more reliant on abstract statistical models and almost divorced from human judgment hope and idealism William Shakespeare offers the political scientist an antidote to this methodological alienation this self imposed exile

from the political concerns of citizens and politicians Shakespeare the most quoted author in the English speaking world presents his characters as rulers citizens and statesmen of the most famous regimes governed by their respective laws and shaped by their respective political and social institutions The actions deliberations mistakes and successes of his characters reveal the limitations and strengths of their regimes whether they be Athens Rome or England The contributors to this volume esteemed scholars of political science show us that Shakespeare's poetic imagination displays the very essence of politics and inspires valuable reflection on the fundamental questions of statesmanship and political leadership Perspectives on Shakespeare's Politics explores such themes as classical republicanism and liberty the rule of law and morality the nature and limits of statesmanship and the character of democracy *Shakespeare's Comedies* Emma Smith, 2008-04-15 This Guide introduces students to critical writing on Shakespeare's comedies over the last four centuries Guides students through four centuries of critical writing on Shakespeare's history plays Covers both significant early views and recent critical interventions Substantial editorial material links the articles and places them in context Annotated suggestions for further reading allow students to investigate further *The Winter's Tale* Maurice Hunt, 2013-06-17 A collection that includes a lengthy introduction describing historical trends in critical interpretations and theatrical performances of Shakespeare's play 20 essays on the play including two written especially for this volume by Maurice Hunt and David Bergeron *A Midsummer Night's Dream: Language and Writing* R.S. White, 2020-12-10 This lively and informative guide to Shakespeare's popular comedy equips you with the critical skills to analyse its language structure and themes and to expand and enrich your own response to the play *A Midsummer Night's Dream* is a perfect play for exploring Shakespeare's diverse uses of language to reveal character and themes from formal iambics and rhyming couplets of courtiers and lovers and warbling notes and nursery rhythms of fairies to stocky prose by the artisan players including Bottom's comic malapropisms An introduction considers when and how the play was written and addresses the language with which Shakespeare created *A Midsummer Night's Dream* as well as the generic literary and theatrical conventions at his disposal It then moves to a detailed examination and analysis of the play focusing on its literary technical and historical intricacies an account of the play's performance history and its critical reception completes the volume Each chapter offers a Writing matters section clearly linking the analysis of Shakespeare's language to your own writing strategies in coursework and examinations

Shakespeare: Much Ado about Nothing and As You Like It Bloomsbury Publishing, 1979-12-06 This is a Bloomsbury Academic title For our full Academic Catalogue please visit <https://www.bloomsbury.com/uk/academic> *Northrop Frye's Writings on Shakespeare and the Renaissance* Northrop Frye, 2010-01-01 This collection of writings brings together Northrop Frye's large body of work on Shakespeare and other Renaissance writers with the exception of Milton who is featured in other volumes and includes major articles introductions public lectures and four previously published books Spanning forty years of Frye's career as a university professor and literary critic these insightful analyses not only reveal the author's

formidable intellect but also offer the reader a transformative experience of creative imagination With extensive annotation and an in depth critical introduction the volume demonstrates Frye s wide ranging knowledge of Renaissance culture and its pivotal significance in his work his impact on Renaissance criticism and the Stratford Shakespeare Festival and his continuing importance as a literary theorist Troni V Grande is an associate professor in the Department of English at the University of Regina Garry Sherbert is an associate professor in the Department of English at the University of Regina

William Shakespeare Harold Bloom, Sterling Professor of Humanities Harold Bloom, 2009 Presents a collection of critical essays on the comedic works of William Shakespeare

Shakespeare and the Literary Tradition Stephen Orgel, Sean Keilen, 1999-01-01 Shakespeare has never been more ubiquitous not only on the stage and in academic writing but in film video and the popular press On television he advertises everything from cars to fast food His birthplace the tiny Warwickshire village of Stratford Upon Avon has been transformed into a theme park of staggering commercialism and the New Globe in its second season is already a far bigger business than the old Globe could ever have hoped to be If popular culture cannot do without Shakespeare continually reinventing him and reimagining his drama and his life neither can the critical and scholarly world for which Shakespeare has for more than two centuries served as the central text for analysis and explication the foundation of the western literary canon and the measure of literary excellence The Shakespeare the essays collected in these volumes reveal is fully as multifarious as the Shakespeare of theme parks movies and television Indeed it is part of the continuing reinvention of Shakespeare The essays are drawn for the most part from work done in the past three decades though a few essential enabling essays from an earlier period have been included They not only chart the directions taken by Shakespeare studies in the recent past but they serve to indicate the enormous and continuing vitality of the enterprise and the extent to which Shakespeare has become a metonym for literary and artistic endeavor generally

The Definitive Shakespeare Companion Joseph Rosenblum, 2017-06-22 This expansive four volume work gives students detailed explanations of Shakespeare s plays and poems and also covers his age life theater texts and language Numerous excerpts from primary source historical documents contextualize his works while reviews of productions chronicle his performance history and reception Shakespeare s works often served to convey simple truths but they are also complex multilayered masterpieces Shakespeare drew on varied sources to create his plays and while the plays are sometimes set in worlds before the Elizabethan age they nonetheless parallel and comment on situations in his own era Written with the needs of students in mind this four volume set demystifies Shakespeare for today s readers and provides the necessary perspective and analysis students need to better appreciate the genius of his work This indispensable ready reference examines Shakespeare s plots language and themes his use of sources and exploration of issues important to his age the interpretation of his works through productions from the Renaissance to the present and the critical reaction to key questions concerning his writings The book provides coverage of each key play and poems in discrete sections with each section presenting

summaries discussions of themes characters language and imagery and clear explications of key passages Readers will be able to inspect historical documents related to the topics explored in the work being discussed and view excerpts from Shakespeare's sources as well as reviews of major productions The work also provides a comprehensive list of print and electronic resources suitable for student research

The Late Romances William Shakespeare, 2009-08-26 Pericles The first of Shakespeare's late romances moves spectacularly from one dramatic period to another as the hero Pericles sails off to adventure and love and experiences what for him is a miracle Cymbeline A favorite romantic drama this play of a wife unjustly accused of faithlessness moves from a world of intrigue and slander to one of reconciliation and forgiveness and contains two of Shakespeare's most poignantly beautiful songs The Winter's Tale From a darkly melodramatic beginning to a joyous pastoral ending this romance of a jealous king and his long suffering queen is superb entertainment with revelations plot twists and a final compelling theatrical moment of discovery The Tempest This tale of the exiled Duke of Milan marooned on an enchanted island is so richly filled with music and magic romance and comedy that its theme of love and reconciliation offers a splendid feast for the senses and the heart

Stanley Cavell on Aesthetic Understanding Garry L. Hagberg, 2018-10-31 This book investigates the scope and significance of Stanley Cavell's lifelong and lasting contribution to aesthetic understanding Focusing on various strands of the rich body of Cavell's philosophical work the authors explore connections between his wide ranging writings on literature music film opera autobiography Wittgenstein and Austin to contemporary currents in aesthetic thinking Most centrally the writings brought together here from an international team of senior mid career and emerging scholars explore the illuminating power of Cavell's work for our deeper and richer comprehension of the intricate relations between aesthetic and ethical understanding The chapters show what aesthetic understanding consists of how such understanding might be articulated in the tradition of Cavell following Wittgenstein and J L Austin and why this mode of human understanding is particularly important At a time of quickening interest in Cavell and the tradition of which he is a central part and present day leading exponent this book offers insight into the deepest contributions of a major American philosopher and the profound role that aesthetic experience can play in the humane understanding of persons society and culture

Northrop Frye's Notebooks on Renaissance Literature Michael Dolzani, 2006-12-15 Although Northrop Frye's first book *Fearful Symmetry* 1947 elevated the reputation of William Blake from the status of a minor eccentric to that of a major Romantic poet Frye in fact saw Blake as a poet and consequently himself as a critic not of the Romantic period but of the Renaissance As such Frye's meditations on the Renaissance are particularly valuable This volume collects six of Frye's notebooks and five sets of his typed notes on subjects related to Renaissance literature Michael Dolzani divides these notes into three categories those on Spenser and the epic tradition those on Shakespearean drama and more widely the dramatic tradition from Old Comedy to the masque and those on lyric poetry and non fiction prose The organization of this volume reflects a comprehensive study of Renaissance Symbolism in

three volumes which Frye proposed to the Guggenheim Foundation in 1949 Frye received a Guggenheim fellowship but never wrote the book nevertheless his application part of which is also included here is an important document The Guggenheim application not only reveals the outlines of Frye s thinking about literature it also uncovers his plans for his future creative life during the crucial period between his completion of *Fearful Symmetry* and his absorption in the writing of *Anatomy of Criticism* In addition to providing insight into Frye s thinking process the material collected into this key volume in the *Collected Works* is of particular importance because much of it has no direct counterpart in any of Frye s other published works

Northrop Frye's Notebooks on Renaissance Literature Northrop Frye,2006-01-01 Michael Dolzani divides these notes into three categories those on Spenser and the epic tradition those on Shakespearean drama and more widely the dramatic tradition from Old Comedy to the masque and those on lyric poetry and non fiction prose

Re-Humanising Shakespeare Andrew Mousley,2015-03-03 Revised throughout the book includes a new introduction which focuses attention on what is specific to literature s treatment of the human as epitomised by Shakespeare a section drawing on new work on literary genres as different forms of engagement **The Other Side of the Story** Molly Hite,2018-03-15 No detailed description available for *The Other Side of the Story*
