Natural Pet Care Gary Null, 2000-12-05. Right now, there are more pets in America than people, and many count their pets among the most beloved members of their family. However, a surprising number of pet owners are not aware that the lifestyle they provide their companions may not be a healthy one. Gary Null has helped countless Americans improve their diets and their health with his natural approach to healthy living and skepticism of the healthcare and pharmaceutical industries. Now, with *Natural Pet Care*, he carefully and compassionately lays out the ways we can improve our pets' health and lives. *Natural Pet Care* includes *Animals on the Move*, which explains the importance of proper exercise; *Everybody in the Tub*, which covers natural bathing and grooming products and techniques; *The Impetuous Pet*, which helps in understanding your animal's behavior; and appendices for those seeking holistic veterinary care, pet-friendly lodgings, and animal-friendly organizations. *Natural Pet Care* also provides sources for natural pet foods and products while scrutinizing the pet food industry. He describes, for instance, that almost any dog owner would be horrified to learn what really goes into most commercial dog foods, even some of the more expensive brands, including slaughterhouse throwaways and diseased animal parts. As an alternative, Null offers *The Tao of Chow*, in which he recommends countless natural alternatives that can easily be made at home; recipes included, and which

can prolong and improve your pet's life. With this book on your reference shelf you and your spectacular pet will be ready to tackle anything naturally. Natural Pet Care deals extensively with the health of dogs and cats but also is devoted to other common pets including birds, rabbits, ferrets, fish, horses, rodents, and snakes. Long overdue, Gary Null's Natural Pet Care will help pet owners provide their furry, feathered, and scaled companions with the healthy lifestyle they need and deserve. Pet Business, 1999.

Each method is discussed for each of the fifty illnesses. Many people use natural healing for themselves but wonder how to use it for their dogs and cats. This book is a comprehensive answer to that question. Use it with Diane Stein's books *Natural Healing for Dogs and Cats* and *The Holistic Puppy*. *Vegetarian Times*, 1999-03. To do what no other magazine does: Deliver simple, delicious food plus expert health and lifestyle information that's exclusively vegetarian but wrapped in a fresh, stylish mainstream package that's inviting to all. Because while vegetarians are a great, vital, passionate niche, their healthy way of eating and the earth-friendly values it inspires appeals to an increasingly large group of Americans. VT's goal: To embrace both.
