Natural Rider:

The Natural Rider Mary Wanless, 1988 Using an innovative combination of visualization techniques and sports psychology Wanless shows how to achieve a new level of relaxed concentration and harmony so that horse and rider seem to move as one jacket

The Adult Rider Sarah Montague, 2009-05-16 Sarah Montague's *The Adult Rider* describes everything you need to know if you are interested in introducing or reintroducing horses to your life The book begins with a thorough description of all equestrian disciplines from Western barrel racing reining cutting penning to English show jumping dressage eventing and so much more You might try endurance riding in which you and your equine partner hit the trails for miles or maybe you've considered polo a sport gaining popularity in the United States and creating opportunities for eager beginners Perhaps you love horses but aren't so sure you want to ride Montague will introduce you to the thrill of driving the artistry of in-hand competitions and the joys of miniature horses Whichever discipline you consider the author takes you step by step through the process from choosing a stable what to look for in an instructor and in a barn to picking out your new riding clothes you need only a helmet and sturdy shoes to start but there's a world of apparel and accessories once you're hooked Do you think you might want to buy a horse someday *The Adult Rider* describes this process as well but also introduces you to other alternatives like leasing a month to month arrangement that lets you see how a horse fits into your life in both time and money before you make a commitment *The Adult Rider* recognizes that we are not the same as the resilient kids who fearlessly hop their pony over a fence for that very first time Montague discusses what makes adults mentally and physically different and how to overcome these challenges In the chapter *The View from the Other Side of the Arena* Montague interviews several riding instructors on the difference between teaching kids and adults and the ways in which adults learn differently All in all the point is to have fun and *The Adult Rider* provides you with the know-how to jump into the horse world with both eyes open

The Natural Horse Jaime Jackson, 1997 Describes how domestic horses can be made happier and healthier through an understanding of what nature intended for the horse Cover

How Good Riders Get Good: New Edition Denny Emerson, 2020-05-01 Now in a revised edition that includes new top good rider profiles this book is exactly what you need to become a better rider It's a smart honest on-target kick in the pants guaranteed to rev your engines as you see how a few changes in your life a few smart choices and strategic moves can transform you from a run-of-the-mill rider into a GOOD one How does Denny Emerson know what makes a good rider For one thing he IS one he is the only rider in the world to have won both a gold medal in international eventing and a Tevis Cup buckle in endurance Plus he's been around great riders and taught those on their way to becoming great for over 40 years How will what Denny knows help YOU become a good rider It's simple really He's boiled the whole thing down into seven broad Areas of Choice that collectively determine whether you are a gonna be or you're going to get it done or whether you'll be stuck in the wannabe category for decades You'll examine how your choice of riding sport may or may not be the best for who you are and where

you live and how those frustrating hurdles known as life circumstances don't necessarily hold you back like you think they do Plus find out how to build a strong support team by winning people to your cause and choosing the right teachers and mentors Analyze your physical self your body how it is formed and how you care for it and your intellectual self your horse smarts and how you are adding to them or not and apply the results to your gonna be good equation Learn to take a good hard look at your partner your horse and think critically about his ability to help you attain your riding goals In addition discover the nine key character traits of successful riders and how you can learn to call each one of them your own Along the way you'll read the stories of 23 of the world's top riders from different disciplines and sports including dressage reining driving show jumping endurance hunter jumper and eventing and how they got good despite the same kinds of challenges and setbacks you face in your own day to day riding You'll get an inside look at their path to success as well as their very best tips for how to make it in the horse industry

12 Myths and Misconceptions of Horsemanship Barbara Burkhardt, 2023-03-22 In order to form a partnership with your horse you need to dedicate yourself to learning about the horse In this text I hope to add to your knowledge of the horse's physical and mental capabilities and his natural responses and physical boundaries What I intend to do is clear up some of the myths and misconceptions that persist in the world of horsemanship Oh sure people have been riding horses for thousands of years but there are concepts that have sometimes slipped through the cracks of equestrian literature A basic premise is The more you knowledge you have the less frustration you will have Whether you are a weekend rider and want a horse that can take you safely down the trail or you're a highly competitive show or event rider or somewhere in between I want to help you have a better relationship with your horse

USDF Guide to Dressage Jennifer O. Bryant, 2012-12-10 Whatever your primary equestrian discipline dressage is an ideal way for you to increase your riding awareness and enhance your relationship with your horse Providing an overview of basic techniques and a series of helpful training exercises Jennifer O Bryant stresses the tenets of harmonious communication between horse and rider as she guides you through the graceful movements of dressage With suggestions on how to find qualified instructors and information on necessary equipment this comprehensive guide will inspire you to explore this exciting and rewarding world
