German-Language Nature Writing from Eighteenth Century to the Present Gabriele Dürbeck, Christine Kanz, 2024-05-11 This volume examines the topic of German language nature writing in a broad historical context spanning more than two centuries It brings together contributions on the debates of the category Nature Writing by numerous renowned international scholars It discusses literary texts of natural history nature exploration nature poetry perception and reflection by German speaking authors since the 18th century including texts by Ulrike

Draesner and on Esther Kinsky's writing The book asks whether the here discussed texts can should or may also be labeled as Nature Writing and how this new perspective on German literary history might change traditional classifications such as Naturlyrik nature poetry in German literary history **Such News of the Land** Thomas S. Edwards, Elizabeth A. De Wolfe, 2001 A collection of new essays establishes women's voices as a powerful presence in US nature writing **Nature Education with Young Children** Daniel R. Meier, Stephanie Sisk-Hilton, 2013-05-29 Nature Education with Young Children is a thoughtful sophisticated teacher resource that blends theory and practice on nature education children's inquiry based learning and reflective teaching The book's guiding conceptual framework is founded upon the integration of four key ideas for effective and transformative nature education The power and value of equity and access to nature education Effective teaching encompasses child development domains and integrates ECE curriculum Children learn best through inquiry based and child centered teaching Powerful teaching is founded upon teacher inquiry and reflection Implementing nature study is one critical way that educators can integrate more science learning across the ECE curriculum and do so in an active discovery based manner Nature Education with Young Children strives for an American version of what the Reggio Emilia educators do so well creating a seamless integration of science concepts into the daily intellectual investigations that occur in classrooms everywhere *Teaching About Place* Laird Christensen, Hal Crimmel-Eds, 2008-02-28 The sixteen essays in this anthology describe the practice of teaching about place with the goal of inspiring educators as well as other readers to discover the value of close investigation of their own places The contributors discuss places from the desert river canyons of the American West to the bayous of Texas to wildlife refuges on the Atlantic Coast to New England's forests and river and back to the wildland urban interface in suburban Southern California These essays reveal broader lessons about the possibilities and limitations that come with teaching about place and inhabiting our own places outside the classroom Contributors include Ann Zwinger Bradley John Monsma SueEllen Campbell Terrell Dixon and John Elder **A History of California Literature** Blake Allmendinger, 2015-05-19 This History explores the historical periods literary genres and cultural movements of California [The Michigan Alumnus](#), 1998 In v 1 8 the final number consists of the Commencement annual **Wallace Stegner's Unsettled Country** Mark Fiege, Leisl Carr Childers, Michael J. Lansing, 2024-02 Wallace Stegner is an iconic western writer His works of fiction including the Pulitzer Prize winning *Angle of Repose* and *Big Rock Candy Mountain* as well as his nonfiction books and essays introduced the beauty and character of the American West to thousands of readers Wallace Stegner's *Unsettled Country* assesses his life work and legacy in light of contemporary issues and crises Along with Stegner's achievements the contributors show how his failures offer equally crucial ways to assess the past present and future of the region Drawing from history literature philosophy law geography and park management the contributors consider Stegner's racial liberalism and regional vision his gendered view of the world his understandings of conservation and the environment his personal experience of economic collapse and poverty his yearning for community and

his abiding attachment to the West Wallace Stegner's *Unsettled Country* is an even handed reclamation of Stegner's enduring relevance to anyone concerned about the American West's uncertain future

Narrative Inquiry in Early Childhood and Elementary School Stephanie Sisk-Hilton, Daniel R. Meier, 2016-08-25 As top down educational reform policies at local and national levels increasingly isolate teachers from their own professional and instructional agency and stultify children's passion for learning new techniques are needed for understanding and transforming educational practices Narrative Inquiry in Early Childhood and Elementary School Learning to Teach Teaching Well facilitates meaningful change in early years education by providing early childhood and elementary school teachers with methods to incorporate narrative into their instruction and inquiry This book offers practical strategies for incorporating narrative tools and structures into the classroom and encouraging effective conceptual pedagogical and personal avenues for engaged teaching and learning across languages and cultures The book's chapters promote a lively discussion of central tenets of narrative inquiry and illustrative examples of teachers at work with narrative and inquiry for improving their practice and children's learning

Scanning and Sizing the Universe and Everything in It Harold Toliver, 2023-02-03 One of the faults in philosophy generally even the philosophy of science is ignoring the extended scale of the natural continuum and putting in its place something Anthropomorphic This book suggests a means of keeping score that puts common situations places topography and even home ground in the context of that continuum the whole of atomic matter and its history As shown here the discrepancy between normal measurements and what actually exists is similar to that between yardsticks and light years
