Schofield,2011-10-03 Historically patients with advanced structural heart disease have required major surgery to correct the defect This includes for example patients with atrial septal defect aortic valve disease and mitral valve disease In recent years there have be

How to Talk with Your Doctor Ronald L. Hoffman, M.D.,Sidney Stevens,2010-10-15 Now more than ever patients are taking control of their own health care leaving many conventional physicians unsure about their role as dispensers of medical knowledge More waiting rooms are now filled with highly informed medical consumers seeking to partner with their doctors They want to explore all promising treatments both mainstream and alternative and connect emotionally To physicians these patients seem needy and demanding They expect a lot of attention but are all too quick to question authority and battle doctors for control of medical care To patients

though such physicians come off as distant and stodgy even arrogant Many walk away entirely from mainstream medicine seeking a better partnership or they neglect to mention the alternative treatments they're using for fear of disapproval Less assertive patients simply clam up put off by doctors' increasingly brusque bedside manner and shorthand use of medical jargon The unfortunate result in each case is the same miscommunication and missed opportunities Patients fail to receive the best care available to them and doctor-patient relationships fall far short of the caring and mutually satisfying exchanges they should be How to Talk with Your Doctor is a book for patients and doctors alike It arms patients with the tools and knowledge they need to communicate better with physicians about using the best high-tech and alternative treatments while also helping doctors balance their skepticism of complementary and alternative approaches with open-mindedness

Whispering the Strategies of Language: An Emotional Journey through **Natural Therapies For Mitral Valve Prolapse**

In a digitally-driven world where displays reign supreme and immediate conversation drowns out the subtleties of language, the profound techniques and psychological nuances hidden within phrases often move unheard. Yet, situated within the pages of **Natural Therapies For Mitral Valve Prolapse** a charming literary treasure sporting with raw thoughts, lies an extraordinary quest waiting to be undertaken. Written by a talented wordsmith, that wonderful opus invites visitors on an introspective trip, delicately unraveling the veiled truths and profound impact resonating within the very cloth of every word. Within the mental depths of the poignant evaluation, we shall embark upon a heartfelt exploration of the book is primary styles, dissect their interesting publishing design, and fail to the powerful resonance it evokes deep within the recesses of readers hearts.
