**Women in Western Political Thought** Susan Moller Okin, 2013-04-21 In this pathbreaking study of the works of Plato Aristotle Rousseau and Mill Susan Moller Okin turns to the tradition of political philosophy that pervades Western culture and its institutions to understand why the gap between formal and real gender equality persists Our philosophical heritage Okin argues largely rests on the assumption of the natural inequality of the sexes Women cannot be included as equals within political theory unless its deep rooted assumptions about the traditional family its sex roles and its relation to the wider world of political society are challenged So long as this attitude pervades our institutions and behavior the formal equality women have won has no chance of becoming substantive

**Jean-Jacques Rousseau: Human nature and history** John T. Scott, 2006

Bringing together critical assessments of the broad range of Rousseau's thought with a particular emphasis on his political theory this systematic collection is an essential resource for both student and scholar *I Wanna be Me* Theodore Gracyk, 2001 Gracyk grapples with the ways that rock shapes limits and expands our notions of who we can be in the world He sees rock as a mass art open ended and open to diverse but not unlimited interpretations Recordings reach millions drawing people together in communities of listeners who respond viscerally to its sound and intellectually to its messages As an art form that proclaims its emotional authenticity and resistance to convention rock music constitutes part of the cultural apparatus from which individuals mold personal and political identities Going to the heart of this relationship between the music's role in its performers and fans self construction Gracyk probes questions of gender and appropriation How can a feminist be a Stones fan or a straight man enjoy the Indigo Girls Does borrowing music that carries a racial identity always add up to exploitation a charge leveled at Paul Simon's Graceland Rang es through forty years of rock history and offer s a trove of anecdotes Publisher description **The New Logic of Sexual Violence in Enlightenment France** Mary McAlpin, 2023-11-08 This book argues that rape as we know it was invented in the eighteenth century examining texts as diverse as medical treatises socio political essays and popular novels to demonstrate how cultural assumptions of gendered sexual desire erased rape by making a woman's non consent a logical impossibility The Enlightenment promotion of human sexuality as natural and desirable required a secularized narrative for how sexual violence against women functioned Novel biomedical and historical theories about the natural sex act worked to erase the concept of heterosexual rape McAlpin intervenes in a far ranging assortment of scholarly disciplines to survey and demonstrate how rape was rationalized the history of medicine the history of sexuality the development of the modern self the social contractarian tradition the global eighteenth century and the libertine tradition in the eighteenth century novel This intervention will be essential reading to students and scholars in gender studies literature cultural studies visual studies and the history of sexuality [Encyclopedia of Great Popular Song Recordings](#) Steve Sullivan, 2013-10-04 From John Philip Sousa to Green Day from Scott Joplin to Kanye West from Stephen Foster to Coldplay The Encyclopedia of Great Popular Song Recordings Volumes 1 and 2 covers the vast scope of its subject with virtually unprecedented breadth and depth Approximately 1 000 key song recordings from 1889 to the present are explored in full unveiling the stories behind the songs the recordings the performers and the songwriters Beginning the journey in the era of Victorian parlor balladry brass bands and ragtime with the advent of the record industry readers witness the birth of the blues and the dawn of jazz in the 1910s and the emergence of country music on record and the shift from acoustic to electrical recording in the 1920s The odyssey continues through the Swing Era of the 1930s rhythm the rock modern soul the British invasion and the folk rock movement of the 1960s and finally into the modern era through the musical streams of disco punk grunge hip hop and contemporary dance pop Sullivan however also takes critical detours by extending the coverage to genres neglected in pop music histories from ethnic and world music the gospel recording of

both black and white artists and lesser known traditional folk tunes that reach back hundreds of years This book is ideal for anyone who truly loves popular music in all of its glorious variety and anyone wishing to learn more about the roots of virtually all the music we hear today Popular music fans as well as scholars of recording history and technology and students of the intersections between music and cultural history will all find this book to be informative and interesting Identity Steph Lawler,2015-02-11 Questions about who we are who we can be and who is like and unlike us underpin a vast range of contemporary social issues What makes our families so important to us What do the often stark differences between how we self identify and the way others see and define us reveal about our social world Why do we attach such significance to being ourselves In this new edition of her popular and inviting introduction Steph Lawler examines a range of important debates about identity Taking a sociological perspective she shows how identity is produced and embedded in social relations

**Household Words** ,1854 *A Passion for Friends* Janice G. Raymond,2001 This feminist classic explores the many manifestations of friendship between women and examines the ways women have created their own communities and destinies through friendship **Family Revolution** Hui Faye Xiao,2014-04-01 As state control of private life in China has loosened since 1980 citizens have experienced an unprecedented family revolution an overhaul of family structure marital practices and gender relationships While the nuclear family has become a privileged realm of romance and individualism symbolizing the post revolutionary freedoms of economic and affective autonomy women's roles in particular have been transformed with the ideal iron girl of socialism replaced by the feminine family oriented good wife and wise mother Problems and contradictions in this new domestic culture have been exposed by China's soaring divorce rate Reading popular divorce narratives in fiction film and TV drama Hui Faye Xiao shows that the representation of marital discord has become a cultural battleground for competing ideologies within post revolutionary China While these narratives present women's cultivation of wifely and maternal qualities as the cure for family disintegration and social unrest Xiao shows that they in fact reflect a problematic resurgence of traditional gender roles and a powerful mode of control over supposedly autonomous private life **Adam & Eve** Michael Shevack,2003 How can you make your marriage a loving creative exciting and God based relationship In this wise and insightful book Michael Shevack offers twenty five marriage secrets based on the Genesis story of Adam and Eve By practicing them and by consciously changing old patterns and old ways of thinking about one another your relationship will be enriched and aligned with God Then you will truly have a sacred and lasting partnership Book jacket *Future natural* Jon Bird,Barry Curtis,Melinda Mash,Tim Putnam,George Robertson,Lisa Tickner,1996-03-21 Brings together leading theorists of culture and science to discuss the concept of nature Recent developments in biotechnologies electronic media and ecological politics are discussed **The Battle of the Sexes in Science Fiction** Justine Larbalestier,2023-09-05 Runner up for the Hugo Best Related Book Award 2003 The Battle of the Sexes in Science Fiction is a lively account of the role of women and feminism in the development of American science fiction during its

formative years the mid 20th century Beginning in 1926 with the publication of the first issue of *Amazing Stories* Justine Larbalestier examines science fiction's engagement with questions of femininity masculinity sex and sexuality She traces the debates over the place of women and feminism in science fiction as it emerged in stories letters and articles in science fiction magazines and fanzines The book culminates in the story of James Tiptree Jr and the eponymous Award Tiptree was a successful science fiction writer of the 1970s who was later discovered to be a woman Tiptree's easy acceptance by the male dominated publishing arena of the time proved that there was no necessary difference in the way men and women wrote but that there was a real difference in the way they were read We Found Love, Song by Song Annie Zaleski, 2024-12-03 Love songs are for everybody and so is this book In *We Found Love Song by Song* award winning author and music journalist Annie Zaleski delivers a beautifully illustrated keepsake that tells the fascinating history and behind the scenes stories of the 100 most popular and cherished love songs of all time Pop the champagne get the roses ready and settle down in your favorite armchair Love is universal to the human experience and love songs bring us joy and remind us of happy moments from our life We all want it and we all crave it but it's not always easy to find In this beautifully illustrated volume *We Found Love Song by Song* tells the fascinating history and behind the scenes stories of the 100 most popular and cherished love songs of all time and their everlasting impact From artists such as Fred Astaire and Nat King Cole all the way up to Whitney Houston and Harry Styles this all encompassing collection of love songs is sure to ignite the flame and inspire a new favorite playlist What moving song did Paul McCartney pen as a love letter to his wife and record in one day What iconic tune about cheating and pi a coladas ends with a relationship being saved What popular ballad was written from the perspective of Juliet and led to hundreds of in concert proposals Spanning musical genres and decades of classics and modern hits featured songs include Etta James At Last Elvis Presley Can't Help Falling in Love Sonny and Cher I Got You Babe Queen Crazy Little Thing Called Love Foreigner I Want to Know What Love Is Marvin Gaye Sexual Healing Tina Turner The Best Elton John Can You Feel the Love Tonight Shania Twain You're Still the One Rihanna We Found Love John Legend All of Me Taylor Swift Love Story And many more Including full color illustrations throughout this gorgeously packaged companion is the perfect gift for you and your loved ones to cherish any time of year **Cumulative List of Organizations Described in Section 170 (c)**

**of the Internal Revenue Code of 1954** United States. Internal Revenue Service, 1998 **The Wives of Western Philosophy** Jennifer Forestal, Menaka Philips, 2020-12-16 *The Wives of Western Philosophy* examines the lives and experiences of the wives and women associated with nine distinct political thinkers from Socrates to Marx in order to explore the gendered patterns of intellectual labor that permeate the foundations of Western political thought Organized chronologically and representative of three eras in the history of political thought Ancient Early Modern and Modern nine critical biographical chapters explore the everyday acts of intellectual labor and partnership involving these wives of the canon Taking seriously their narratives as intimate partners reveals that wives have labored in remarkable ways throughout

the history of political thought In some cases their labors mark the conceptual boundaries of political life in others they serve as uncredited resources for the production of political ideas In all instances however these wives and intimates are pushed to the margins of the history of political thought The Wives of Western Philosophy brings these women to the center of scholarly interest In so doing it provides new insights into the intellectual biographies of some of the most famed men in political theory while also raising important questions about the gendered politics of intellectual labor which shape our receptions of canonical texts and thinkers and which sustain the academy even today
