Nature And Historical Experience Essays In Naturalism And On Theory Of History:

Nature and Historical Experience John Herman Randall (Jr.), 1958 John Herman Randall Jr one of the outstanding philosophers of our time whose *The Making of the Modern Mind* has become a modern classic offers in this book his mature considerations on two subjects that have long engaged his thoughts history and nature which together offer the great challenge to the philosophic mind The twelve essays in this book represent the development of his thought on this problem over a period of years Eight of the essays are published here for the first time and the others have been completely rewritten for this volume Nature and historical experience John Herman Randall, 1970 **Dewey's Metaphysics** Raymond Boisvert, 2019-01-29 Whitehead's response to the epistemological challenges of Hume and Kant written in a style devoid of the metaphysical intricacies of his later works Symbolism makes accessible his theory of perception and his more general insights into the function of symbols in culture and society Dewey's *Metaphysics Form and Being in the Philosophy of John Dewey* is available from the publisher on an open access basis Aristotle on the Nature of Truth Christopher P. Long, 2010-11-22 This book reconsiders the traditional correspondence theory of truth which takes truth to be a matter of correctly representing objects Drawing Heideggerian phenomenology into dialogue with American pragmatic naturalism Christopher P Long undertakes a rigorous reading of Aristotle that articulates the meaning of truth as a co operative activity between human beings and the natural world that is rooted in our endeavours to do justice to the nature of things By following a path of Aristotle's thinking that leads from our rudimentary encounters with things in perceiving through human communication to thinking this book traces an itinerary that uncovers the nature of truth as ecological justice and it finds the nature of justice in our attempts to articulate the truth of things **John Dewey: Political theory and social practice** J. E. Tiles, 1992 *Works about John Dewey, 1886-1995* Barbara Levine, 1996 Although she has devised a new format for this bibliography Barbara Levine has included most of the materials published in the two editions of the Checklist of Writings about John Dewey Material new to this volume includes recently discovered items published during the ninety years covered by the Checklist as well as items published since 1977 Because certain studies at best have only marginal value or because they can be obtained through ordinary library research tools Levine has deleted some classes of material that appeared in the 1974 and 1978 Checklist editions primary sources with only brief references to Dewey the entire section entitled Unpublished Works about Dewey which included theses dissertations and papers presented at meetings and Educational Resources Information Center ERIC documents Levine has included all of the material published about Dewey during the 108 years between 1886 and 1994 and has included many 1995 items as well She has verified all items and whenever possible obtained copies She has discovered hundreds of items omitted from the second edition of the Checklist and has augmented the current bibliography by nearly two thousand items published since 1977 The bibliography is divided into four parts The first Books and Articles about Dewey lists works alphabetically by author Replies and responses to articles immediately

follow the work cited The Reviews of Dewey s Works lists titles alphabetically Reviews are grouped alphabetically by journal under the Dewey work reviewed The Author Index includes multiple authors and editors authors of replies and responses and reviewers of works both by and about Dewey The Title Key Word Index lists key words from most titles and subtitles The CD ROM version of Works about John Dewey contains both Windows and Macintosh formats and provides increased search capabilities

The Truth of History C. Behan McCullagh,2002-11-01 Modern relativism and postmodern thought in culture and language challenge the truth of history This book considers how all historians confined by the concepts and forms of argument of their own cultures can still discover truths about the past The Truth of History presents a study of various historical explanations and interpretations and evaluates their success as accounts of the past C Behan McCullagh contests that the variety of historical interpretations and subjectivity does not exclude the possibility of their truth Through an examination of the constraints of history the author argues that although historical descriptions do not mirror the past they can correlate with it in a regular and definable way Far from debating in the abstract and philosophical only the author beds his argument in numerous illuminating concrete historical examples The Truth of History explores a new position between the two extremes of believing that history perfectly represents the past and that history can tell us nothing true of the past

The Minimalist Vision of Transcendence Jerome A. Stone,1992-11-03 Charts a spiritual path that skirts the choice between the old notion of God and atheism between foundationalism and relativism Describes a Neo naturalistic philosophy of religion that combines a vision of this worldly transcendence with an attitude of openness in inquiry and action Part of the revival of radical empiricism in religious thought Paper edition unseen 16 95 Annotation copyright by Book News Inc Portland OR

Mind and Social Practice Sylvia Scribner,1997-01-13 Sylvia Scribner s research and theory have been monumental in forming the emergent field of cultural psychology Her studies of reasoning and thinking in their cultural and activity contexts added new concepts methods and findings to what many are now viewing as a distinctive branch of psychological studies She was among the first to combine ethnographic studies with experimental studies in order to determine relationships among indigenous literacy and logical activities and their cognitive outcomes Mind and Social Practice brings together published and previously unpublished work from Sylvia Scribner s productive and wide ranging career The book is arranged chronologically and includes five section introductions by the editors placing Scribner s work in the context of her life her commitments and the political and intellectual events of the times Her later more theoretically rich writing is enhanced by an appreciation of her earlier work

Fosl, Michael J. McGandy, Mark D.

Moorman, 2016-09-30 Joseph P Fell proposes that the solution to the problem of nihilism is found in the common experience of persons and the everyday commitments that one makes to people practices and institutions In his landmark 1979 book Heidegger and Sartre and in his subsequent essays Fell describes a quiet but radical reform in the philosophical tradition that speaks to perennial dilemmas of thought and pressing issues for action Since Descartes at least we have been puzzled as to what we can know how we should act and what we should value The skeptical influence of modern dualism distilled in the mind body problem at arose with the assertion I think therefore I am has shot through not just philosophy and psychology but also society politics and culture With dualism arose radical subjectivism and the concomitant problems of nihilism and alienation The broad aim of phenomenology is to repair the rupture of self and world Announced by Edmund Husserl and developed by Jean Paul Sartre Martin Heidegger and John William Miller who drew from the North American tradition this is the project to which Fell has devoted more than a half century of reflection and technical elaboration In this volume an array of scholars consider criticize and cultivate Fell s key contributions to the phenomenological project Ranging from analyses of key texts in Fell s phenomenology to probing examinations of his crucial philosophical presuppositions to the prospects for Fell s call to find the solution to nihilism in everyday experience these essays gather the work of the authors thinking with and through Fell s key works on Sartre Heidegger and Miller Also included are seminal statements from Fell on his pedagogical practice and his conception of philosophy *The Bloomsbury Encyclopedia of Philosophers in America* John R. Shook, 2016-02-11 For scholars working on almost any aspect of American thought The Bloomsbury Encyclopedia to Philosophers in America presents an indispensable reference work Selecting over 700 figures from the Dictionary of Early American Philosophers and the Dictionary of Modern American Philosophers this condensed edition includes key contributors to philosophical thought From 1600 to the present day entries cover psychology pedagogy sociology anthropology education theology and political science before these disciplines came to be considered distinct from philosophy Clear and accessible each entry contains a short biography of the writer an exposition and analysis of his or her doctrines and ideas a bibliography of writings and suggestions for further reading Featuring a new preface by the editor and a comprehensive introduction The Bloomsbury Encyclopedia to Philosophers in America includes 30 new entries on twenty first century thinkers including Martha Nussbaum and Patricia Churchland With in depth overviews of Waldo Emerson Margaret Fuller Noah Porter Frederick Rauch Benjamin Franklin Thomas Paine and Thomas Jefferson this is an invaluable one stop research volume to

understanding leading figures in American thought and the development of American intellectual history **The Emergence of Value** Lawrence Cahoon, 2023-09-01 Philosophers social scientists and natural scientists argue over whether a natural scientific account of human being is compatible with uniquely human norms like ethics justice art and the concern for truth Many attempts at such an account have been tried and failed others like evolutionary psychology have tried but stumbled The Emergence of Value argues that a broad enough understanding of nature and human nature can incorporate human values and norms without reducing them to inhuman processes Lawrence Cahoon advances the position that nature includes values as well as facts and human uniqueness is therefore compatible with nature as it must be To demonstrate this we must consider multiple sciences and recent philosophical traditions and their impact on our notions of truth morality justice and beauty
