Kahn, Jr., Stephen R. Kellert, 2002-05-03 For much of human evolution the natural world was one of the most important contexts of children's maturation Indeed the experience of nature was and still may be a critical component of human physical emotional intellectual and even moral development Yet scientific knowledge of the significance of nature during the different stages of childhood is sparse This book provides scientific investigations and thought provoking essays on children and nature *Children and Nature* incorporates research from cognitive science developmental psychology ecology education environmental studies evolutionary psychology political science primatology psychiatry and social psychology The authors

examine the evolutionary significance of nature during childhood the formation of children s conceptions values and sympathies toward the natural world how contact with nature affects children s physical and mental development and the educational and political consequences of the weakened childhood experience of nature in modern society **The Bloomsbury Handbook to Friedrich Froebel** Tina Bruce,Yukiyo Nishida,Sacha Powell,Helge Wasmuth,Jane Whinnett,2023-11-30 Friedrich Froebel 1782 1852 the inventor of kindergarten was one of the most influential educational thinkers of the 19th century This book showcases the cutting edge work being undertaken around the world inspired by this pioneer of early childhood education and shows the many ways in which Froebel s work has been applied and extended It presents a wealth of Froebelian expertise on topics including pedagogy and curriculum history architecture neuroscience peace and religious education and links Froebel s theories to other thinkers including John Dewey Michel Foucault Paulo Freire Aili Helenius and Chen Hegin It highlights what Froebel means today in a variety of settings around the world and includes contributions from academics and practitioners based in North and South America Europe Australasia Africa and Asia Where Do Forests Come From? | Understanding Plant Reproduction Grade 5 | Children's Nature Books Baby Professor,2020-12-31 At the end of this book you should be able to appropriately discuss plant reproduction and where forests came from Specifically you will be reading about the means of plant reproduction of both flowering and non flowering plants Add this book to your reading list if you want to learn more about the subject beyond what your textbooks offer Grab a copy today Nature Magazine ,1951 An illustrated monthly with popular articles about nature **Second Nature** Nathaniel Rich,2021-03-30 From the author of Losing Earth a beautifully told exploration of our post natural world that points the way to a new mode of ecological writing We live at a time in which scientists race to reanimate extinct beasts our most essential ecosystems require monumental engineering projects to survive chicken breasts grow in test tubes and multinational corporations conspire to poison the blood of every living creature No rock leaf or cubic foot of air on Earth has escaped humanity s clumsy signature The old distinctions between natural and artificial dystopia and utopia science fiction and science fact have blurred losing all meaning We inhabit an uncanny landscape of our own creation In Second Nature ordinary people make desperate efforts to preserve their humanity in a world that seems increasingly alien Their stories obsessive intimate and deeply reported point the way to a new kind of environmental literature in which dramatic narrative helps us to understand our place in a reality that resembles nothing human beings have known From Odds Against Tomorrow to Losing Earth to the film Dark Waters adapted from the first chapter of this book Nathaniel Rich s stories have come to define the way we think of contemporary ecological narrative In Second Nature he asks what it means to live in an era of terrible responsibility The question is no longer How do we return to the world that we ve lost It is What world do we want to create in its place Read Me a Tree, Rhyme Me a Bee Heather McNeil,2025-07-10 Experts agree that it s essential for children to spend time exploring and enjoying the outdoors when they come back in librarians and teachers can supplement

their adventures with nature storytimes In this comprehensive book full of storytime plans veteran children's librarian Heather McNeil recommends storytime books that encourage respect for nature and an understanding of the fragility of ecosystems Each chapter includes crafts games songs and rhymes that focus on learning about and appreciating nature Some crafts use items from the outdoors others represent nature's beauty or mystery Storytime plans include all the components of a successful storytime books songs movement and creative participation Librarians and early elementary teachers will enjoy using this book to support literacy and social emotional goals while helping children develop an appreciation of the natural world *Ecocritical Perspectives on Children's Texts and Cultures* Nina Goga, Lykke

Guanio-Uluru, Bjørg Oddrun Hallås, Aslaug Nytnes, 2018-06-11 This volume presents key contributions to the study of ecocriticism in Nordic children's and YA literary and cultural texts in dialogue with international classics It investigates the extent to which texts for children and young adults reflect current environmental concerns The chapters are grouped into five thematic areas Ethics and Aesthetics Landscape Vegetal Animal and Human and together they explore Nordic representations and a Nordic conception or feeling of nature The textual analyses are complemented with the lived experiences of outdoor learning practices in preschools and schools captured through children's own statements The volume highlights the growing influence of posthumanist theory and the continuing traces of anthropocentric concerns within contemporary children's literature and culture and a non dualistic understanding of nature culture interaction is reflected in the conceptual tool of the volume The Nature in Culture Matrix [The Mighty Lake Herring](#) Mohammed Ayya, 2024-05-27
