Dodge has long been a familiar name in 19th century American Southwestern history As one of the earliest and most effective Indian agents to the Navajo he has been portrayed as a congenial sympathetic and compassionate advocate for the tribe a veritable role model The Navajo knew him as Red Shirt a man they came to respect appreciate and trust Those who knew Dodge admitted although often grudgingly that he had unrivaled influence over the tribe By today s sensibilities Henry L Dodge was hardly a role model In his youth he was irresponsible hot headed and violent As an adult he was sued for assault and battery land fraud breach of promises and misuse of public funds He apparently couldn t be trusted with money his own or others Finally brought down by scandal he fled Wisconsin in the dead of night abandoning his career his wife and his children leaving them nearly destitute How then should history assess him Honestly precisely as he was an ambitious and imperfect man The honest telling gives a straightforward account of not only Henry L Dodge but what became the veritable
