The Long Walk Jennifer Denetdale, 2009 Discusses the tragic history of the Navajo Indians and their forced relocation in the 1860s from their homeland to a reservation known as Bosque Redondo **Navajo Long Walk** Nancy M.

Armstrong, 1994-07-01 Navajo Long Walk is the story of Kee a young boy who traveled this long arduous route with his mother grandmother sister and what few domestic animals they could bring Over the four year period Kee learns to adapt to his inhospitable surroundings Ultimately Kee realizes the frailty of his people in the presence of the white soldiers and that to survive they must find a way to get along with the white man Ages 9 12 **Navajo Stories of the Long Walk Period** Ruth

Roessel, 1973 **The Long Walk** Raymond Bial, 2002-03 Presents an overview of the history of the Navajo Indians with a detailed account of how the United States Government represented by Kit Carson forced them on a 300 mile walk from their homeland in the Southwest to a prison camp at Bosque Redondo New Mexico in 1864 and their eventual return home after the United States Navajo Treaty of 1868 *The Long Walk* Lynn Robison Bailey, 1964 From bookcover More than one hundred years ago commenced one of the most pathetic and tragic episodes in the history of Anglo Indian relations Under the ruthless direction of General James H Carleton and Christopher Kit Carson the Navajo Indian of New Mexico were rounded up and driven to a disease ridden reservation on the banks of the Rio Pecos in east central New Mexico the infamous Bosque Redondo The Long Walk however does not merely explore the Navajo roundup and the horrors of their internment at Fort Sumner It offers instead the first truly detailed study of the Navajo Wars their causes and aftermaths The insidious slave raids the encroachment of New Mexico sheepmen the stupid and careless administration of Indian and military affairs as well as the Navajos innate desire for status through the acquisition of livestock are clearly probed and documented

Navajo Long Walk Nancy M. Armstrong, 1994 Navajo Arizona Ages 9 12 **Navajo Long Walk** Nancy M. Armstrong, 1994-07-01 Forced to leave their home for an internment camp in New Mexico Kee and his family must learn to adapt *Send a Runner* Edison Eskeets, Jim Kristofic, 2021-04-01 The Navajo tribe the Din are the largest tribe in the United States and live across the American Southwest But over a century ago they were nearly wiped out by the Long Walk a forced removal of most of the Din people to a military controlled reservation in New Mexico The summer of 2018 marked the 150th anniversary of the Navajos return to their homelands One Navajo family and their community decided to honor that return Edison Eskeets and his family organized a ceremonial run from Spider Rock in Canyon de Chelly Arizona to Santa F New Mexico in order to deliver a message and to honor the survivors of the Long Walk Both exhilarating and punishing Send A Runner tells the story of a Navajo family using the power of running to honor their ancestors and the power of history to explain why the Long Walk happened From these forces they might also seek the vision of how the Din their people will have a future **Navajo Long Walk** Joseph Bruchac, 2002-04-01 Powerfully written from the perspective of the Navajos and illustrated with deeply personal interpretations of historic events this book sheds fresh light on a shameful episode of

American history **Navajo Long Walk** Joseph Bruchac, 2002 Describes how in the 1860s U S soldiers forced thousands of Navajos to march to a desolate reservation four hundred miles from their homeland only to have hundreds die along the way and the rest find unspeakable living conditions at their destination *I Will Not Weep* Janet Sabina, 2012-10-05 Author Janet Sabina says of her fictional Navajo characters When the U S Army forces hundreds of Native American Navajo families from their homes to an internment camp in what is now New Mexico in 1864 I want readers to see the confusion the blood the despair When my young protagonist is unable to protect his mother and newborn brother as he promised his father he would I want readers to fight tears as he promises himself I will not weep When he lies beside a meager fire suffering from small pox and wondering what death is like I want readers to wonder too I want them to feel the humiliation of a young girl who has been sold as a slave when her owner rips a dress from her body When she escapes with a young man of her people and builds a marriage ceremony with what she remembers from home I want readers to celebrate with her **A Broken Flute** Doris Seale, Beverly Slapin, 2006-12-21 The Winona dilemma Lois Beardslee No word for goodbye Mary TallMountain About the contributors **The Navajo Long Walk** Lawrence W. Cheek, Larry Cheek, 2004 The Navajo Holocaust is what Lawrence W Cheek calls it in this volume of the Look West series In Navajo history it is commonly known as the Long Walk The disaster began in 1863 when Gen James Henry Carleton decided to move the Navajo people forcibly from their traditional Arizona homeland to a reservation on the high plains of northern New Mexico He assigned this job to a veteran soldier named Kit Carson who broke Navajo resistance with a series of military raids Then the remaining Navajo were herded in large groups across distances of 300 to 500 miles routes varied to a small camp at Fort Sumner New Mexico Winter was coming on By the best estimate now possible 1 500 to 3 000 people up to a fifth of the Navajo population at the time died either en route or in what amounted to a concentration camp writes Cheek It became known as the Long Walk the Southwestern counterpart to the Cherokees Trail of Tears More than 8 000 Navajos attempted to live at the 40 by 40 mile camp By 1868 the experiment had clearly failed Many Navajos had starved to death Their chief Barboncito made a plea to Gen William Tecumseh Sherman who by now had inherited the problem I hope to God you will not ask me to go to any other country except my own Sherman relented and the survivors were finally allowed to go home And yet as Cheek observes in a riveting terrible beautifully written account this tragic episode preserved Navajo identity instead of destroying it 30 photos illustrations About the series Look West What do you find Wide wild landscapes extraordinary plants and animals rugged people rich in history ghost towns and working ranches ancient pueblos and ultramodern urban areas In the West coyotes howl Native Americans endure and flourish Kokopelli the mythical humpbacked flute player prances across the cliff dwellings and into popular culture and thousands of curio shops Every small handsome book in Rio Nuevo Publishers new Look West series presents a unique aspect of the American West Using words and pictures each volume explores a special Western topic or phenomenon and all have been written and illustrated by regional experts Each of these attractive 6 x 6 inch hardcover books contains 64 pages of text
