Department of the Navy. Library, 1972 *The Photographic History of the Civil War in Ten Volumes: The navies*, 1912 John McIntosh Kell of the Raider Alabama Norman C. Delaney, 2003-01-29 A vivid portrait of the man credited as a driving force behind the most successful of the Confederate raiders the legendary C S S Alabama John McIntosh Kell was an experienced proven military man a graduate of Annapolis a veteran of the Mexican War and of Admiral Perry s voyage to Japan As a Confederate officer Kell served first on the raider Sumter and then on the Alabama At sea for only 22 months the Alabama engaged nearly 300 northern merchant vessels burning 55 of these transport ships along with their million dollar cargoes Though First Lieutenant Luff Kell was apparently content to let his captain Raphael Semmes take credit for their accomplishments Semmes acknowledged that his successes were due largely to the energy and resourcefulness of his second in command Life on the commerce cruisers was hard and tedious and much of the responsibility for running the day to day operations including the disciplining of a largely mercenary crew rested on Kell whose sense of duty and loyalty did not waver Norman C Delaney bases his account of this remarkable naval officer s experiences on the interviews Kell granted to news reporters during the 1880s and 1890s previously neglected by historians and his memoirs published in 1900 as *Recollections of a Naval Life* He supplements these materials with records from Kell s earlier years including letters journals diaries and

contemporary observations First published in 1973 by The University of Alabama Press this new edition of an award winning biography will be welcomed by Civil War historians and enthusiasts around the world naval institutions and museums and general readers alike **The navies** Francis Trevelyan Miller,1911 *Photographic History of the Civil War* Theo F. Rodenbough,1987 Two complete volumes bound as one book Vol I The Opening Battles Vol II Two Years of Grim War **The Photographic History Of The Civil War: The Navies** Anonymous, **Two Civil Wars** Katherine Bentley Jeffrey,2016-04-11 Two Civil Wars is both an edition of an unusual Civil War era double journal and a narrative about the two writers who composed its contents The initial journal entries were written by thirteen year old Celeste Repp while a student at St Mary s Academy a prominent but short lived girls school in midcentury Baton Rouge Celeste s French compositions dating from 1859 to 1861 offer brief but poignant meditations describe seasonal celebrations and mention by name both her headmistress Matilda Victor and French instructor and priest Father Darius Hubert Immediately following Celeste s prettily decorated pages a new title page intervenes introducing An Abstract Journal Kept by William L Park of the U S gunboat Essex during the American Rebellion Park s diary is a fulsome three year account of military engagements along the Mississippi and its tributaries the bombardment of southern towns the looting of plantations skirmishes with Confederate guerillas the uneasy experiment with contrabands freed slaves serving aboard ship and the mundane circumstances of shipboard life Very few diaries from the inland navy have survived and this is the first journal from the ironclad Essex to be published Jeffrey has read it alongside several unpublished accounts by Park s crewmates as well as a later memoir composed by Park in his declining years It provides rare insight into the culture of the ironclad fleet and equally rare firsthand commentary by an ordinary sailor on events such as the sinking of CSS Arkansas and the prolonged siege of Port Hudson Jeffrey provides detailed annotation and context for the Repp and Park journals filling out the biographies of both writers before and after the Civil War In Celeste s case Jeffrey uncovers surprising connections to such prominent Baton Rouge residents as the diarist Sarah Morgan and explores the complexity of wartime allegiances in the South through the experiences of Matilda Victor and Darius Hubert She also unravels the mystery of how a southern youngster s school scribbler found its way into the hands of a Union sailor In so doing she provides a richly detailed picture of occupied Baton Rouge and especially of events surrounding the Battle of Baton Rouge in August 1862 These two unusual personal journals linked by curious happenstance in a single notebook open up intriguing provocative and surprisingly complementary new vistas on antebellum Baton Rouge and the Civil War on the Mississippi *Photographic History of the Civil War* ,2018-08-15

**A Photographic History of The Civil War** Francis Miller,2018-02-01 The Photographic History of the Civil War was first published in 1911 to commemorate the fiftieth anniversary of the great conflict These volumes were dedicated to the American People in tribute to the courage and the valor with which they met one of the greatest crises that a nation has ever known A crisis that changed the course of civilization Contained within are thousands of photographs as well as the rise of

photographic journalism during a conflict This series offers a unique record of one of the greatest conflicts in the history of mankind Included in this series are maps to mark the battles and line art decorations that give the reader an authentic feel of the era The photographs in this series can be viewed as art history or more importantly journalism Covering every aspect of war from the frontline to everyday life these volumes are a testament to the conflict and the country which emerged from it The Navies presents a photographic record of the Federal Navy and Confederate Navy It documents the birth of the Ironclads and the most famous American Naval Battles of the time It offers Naval Chronology from 1861-1863 **United States Naval History, Naval Biography, Naval Strategy and Tactics** United States. Department of the Navy.

Library,1959 David Glasgow Farragut Charles Lewis,2014-04-18 The second volume of this authoritative biography of America's first admiral examines the last ten years of David Glasgow Farragut's life which included the ever fascinating period of the Civil War Farragut was as carefully methodical in preparation for battle as he was fearlessly swift in the execution of his plans In Our First Admiral the reader will learn of gross inefficiency and waste in the conduct of war in the North as well as the South of jealous ambition and malicious criticism of lukewarm support of the government lack of cooperation between the Army and Navy and the inroads upon morale made by war weariness and disease all of which tried Farragut's courage as much as the enemy in battle Farragut was a practical resourceful leader with vision and intuition a rare combination a courageous hard hitting fighter who hated war and a deeply religious man with an exuberant spirit and love of fellowship who was also exceedingly loyal to the Navy and his country Though he was small in physical stature Farragut was tall indeed in the fundamental characteristics of true manhood United States Naval History, Naval Biography, Naval Strategy and Tactics United States. **Curiosities of the Civil War** Webb Garrison,2011-02-27 Civil War buffs be warned Webb Garrison's Curiosities of the Civil War may catch you off guard Packed with obscurities and bizarre anecdotes it spills over with specifics you've likely never heard Debated reenacted and analyzed the Civil War has been the subject of countless books films and scholarly research many of them quite repetitious This nuanced perspective on the war provides a glimpse beyond the bloody battles casualties and political conflict You'll discover The first sitting president to be exposed to enemy fire What badgers pigeons and bear cubs had in common during the war Which of Stonewall Jackson's limbs received its own proper burial The turtle shaped ship designed to douse its opponents with boiling water Which Confederate general was responsible for introducing camels to the Southwest This cache of peculiar characters and stories will deepen your understanding of the war and the people who engaged in it **The CSS Arkansas** Myron J. Smith, Jr.,2014-01-10 While the Monitor and Merrimack are the most famous of the Civil War ironclads the Confederacy had another ship in its flotilla that carried high hopes and a metal hull The makeshift CSS Arkansas completed by Lt Isaac Newton Brown and manned by a mixed crew of volunteers gave the South a surge of confidence when it launched in 1862 For 28 days of summer the ship engaged in five battles with Union

warships falling victim in the end only to her own primitive engines The saga of the CSS Arkansas represents the last significant Rebel naval activity in the war s Western theater      *The Photographic History of the Civil War: Armies and leaders.
