tweedy aristocrat and the tweedy meritocrat Harold Wilson who would end 13 years of Conservative rule and usher in a new era As in his acclaimed histories of British life in the two previous decades *Never Again* and *Having it so Good* Peter Hennessy explains the political economic cultural and social aspects of a nation with inimitable wit and empathy No historian knows the by ways as well the highways of the archives so well and no one conveys the flavour of the period so engagingly The early sixties live again in these pages [Life Has Ist Own Way](#) , Embracing the process also means letting go of the need to control every aspect of our lives While it s important to set goals and work towards our dreams we must also remain open to the unexpected twists and turns that life presents By doing so we allow ourselves to experience the full rich ness of life and to appreciate the beauty of the journey not just the destination
