

The Secret of Shadow Ranch

Nd 005 Secret At Shadow Ranch

Casey Cothran, Mercy Cannon

Nd 005 Secret At Shadow Ranch:

Nancy Drew 05: The Secret of Shadow Ranch Carolyn Keene, 1980-09-01 Nancy Drew arrives in Phoenix Arizona eagerly looking forward to a fun filled vacation at Shadow Ranch but abruptly finds herself involved in a baffling mystery The ranch is being haunted by an unknown enemy Local people believe that the ghostly animal is carrying out the curse of Dirk Valentine the romantic outlaw who was killed many years ago at Shadow Ranch where he had gone to fulfill a promise to his sweetheart Aided by her friends Bess Marvin and George Fayne Nancy comes face to face with disaster when she is trapped inside a building that is toppled by a rockslide a rockslide which is deliberately caused But the pretty titian haired detective remains undaunted in her determination to solve the mystery **The Secret of Shadow Ranch #5** Carolyn

Keene, 2015-10-13 Nancy is looking forward to a fun filled vacation at Shadow Ranch but she soon finds herself involved in solving a baffling mystery Bloody Murder Michelle Ann Abate, 2013-03-01 Off with her head decreed the Queen of Hearts one of a multitude of murderous villains populating the pages of children s literature explored in this volume Given the long standing belief that children ought to be shielded from disturbing life events it is surprising to see how many stories for kids involve killing Bloody Murder is the first full length critical study of this pervasive theme of murder in children s literature Through rereadings of well known works such as Alice s Adventures in Wonderland the Nancy Drew Mystery Stories and The Outsiders Michelle Ann Abate explores how acts of homicide connect these works with an array of previously unforeseen literary social political and cultural issues Topics range from changes in the America criminal justice system the rise of forensic science and shifting attitudes about crime and punishment to changing cultural conceptions about the nature of evil and the different ways that murder has been popularly presented and socially interpreted Bloody Murder adds to the body of inquiry into America s ongoing fascination with violent crime Abate argues that when narratives for children are considered along with other representations of homicide in the United States they not only provide a more accurate portrait of the range depth and variety of crime literature they also alter existing ideas about the meaning of violence the emotional appeal of fear and the cultural construction of death and dying *New Perspectives on Detective Fiction* Casey Cothran, Mercy

Cannon, 2015-10-14 This collection establishes new perspectives on the idea of mystery as it is enacted and encoded in the genre of detective fiction Essays reclaim detective fiction as an object of critical inquiry examining the ways it shapes issues of social destabilization moral ambiguity reader complicity intertextuality and metafiction Breaking new ground by moving beyond the critical preoccupation with classification of historical types and generic determinants contributors examine the effect of mystery on literary forms and on readers who experience the provocative complex process of coming to grips with the unknown and the unknowable This volume opens up discussion on publically acclaimed modern works of mystery and on classic pieces addressing a variety of forms including novels plays graphic novels television series films and ipad games Re examining the interpretive potential of a genre that seems easily defined yet has endless permutations the book closely

analyzes the cultural function of mystery the way it intervenes in social and political problems as well as the literary properties that give the genre its particular shape The volume treats various texts as meaningful subjects for critical analysis and sheds new light on the interpretive potential for a genre that creates as much ambiguity as it does clarity Scholars of mystery and detective fiction crime fiction genre studies and cultural studies will find this volume invaluable

Rediscovering Nancy Drew Carolyn Stewart Dyer, Nancy Tillman Romalov, 1995-05 Rediscovering Nancy Drew is a rich collection of literary memories and insightful cultural comments Journal of Children's Literature Nancy especially the Nancy of the original story is our bright heroine chasing down the shadows conquering our worst fears giving us a glimpse of our brave and better selves proving to everybody exactly how admirable and wonderful a thing it is to be a girl Thank you Nancy Drew Nancy Pickard Nancy Drew belongs to a moment in feminist history it is a moment I suggest that we celebrate allowing ourselves the satisfaction of praising her for what she dared and forgiving her for what she failed to undertake or understand Carolyn G Heilbrun Rediscovering Nancy Drew lights up the territory It informs delights and acknowledges through love and scholarship a debt long overdue Dale H Ross In 1991 women staff and faculty at the University of Iowa discovered that the pseudonymous author of the original Nancy Drew books Carolyn Keene was none other than Mildred Wirt Benson the first person to earn a master's degree in journalism at Iowa The excitement caused by their discovery led to the 1993 Nancy Drew Conference which explored the remarkable passion for Nancy Drew that spans a wide spectrum of American society The result a lively collaboration of essays by and interviews with mystery writers collectors publishers librarians scholars journalists and fans which presents a spirited informative totally enjoyable tribute to the driver of that blue roadster so many readers have coveted **Clues: A Journal of Detection, Vol. 37, No. 1 (Spring 2019)** Elizabeth Foxwell, 2019-07-25 For

over two decades Clues has included the best scholarship on mystery and detective fiction With a combination of academic essays and nonfiction book reviews it covers all aspects of mystery and detective fiction material in print television and movies As the only American scholarly journal on mystery fiction Clues is essential reading for literature and film students and researchers popular culture aficionados librarians and mystery authors fans and critics around the globe *Out of Reach* Kate Harper, 2019-11-04 Out of Reach The Ideal Girl in American Girls Serial Literature traces the journey of the ideal girl through American girls series in the twentieth century Who is the ideal girl In what ways does the trope of the ideal girl rely on the exclusion and erasure of Othered girls How does the trope retain its power through cultural shifts Drawing from six popular girls series that span the twentieth century Kate G Harper explores the role of girls series in constructing a narrow ideal of girlhood one that is out of reach for the average American girl reader Girls series reveal how over time the ideal girl trope strengthens and becomes naturalized through constant reiteration From the transitional girl at the turn of the century in Dorothy Dale to the liberated romantic of Sweet Valley High these texts provide girls with an appealing model of girlhood urging all girls to aspire to the unattainable ideal Out of Reach illuminates the ways in which the ideal girl trope

accommodates social changes taking in that which makes it stronger and further solidifying its core **Nancy Drew 14: The Whispering Statue** Carolyn Keene, 1937-09-01 Once again Nancy faces two puzzling mysteries at once The first concerns a valuable collection of rare books that Mrs Horace Merriam commissioned an art dealer to sell has he swindled her instead The second mystery revolves around the baffling theft of a beautiful marble statue To solve both mysteries the famous young detective disguises herself and assumes a false identity Despite these precautions danger stalks Nancy's every move An attempted kidnapping a nearly disastrous sailboat collision and an encounter with a dishonest sculptor are just a few of the exciting challenges that Nancy is faced with as she gathers evidence against a clever ring of art thieves *Hardy Boys 57: The Firebird Rocket* Franklin W. Dixon, 1978-01-01 The launching of the Firebird Rocket is endangered when a famous rocket scientist disappears without a trace on his way to the Woomera Monitoring Station in Australia Assigned to the case Fenton Hardy tells his sons he needs their help And Frank and Joe must turn down a request that they find the missing son of a prominent senator With courage wit and clever detective work the young detectives begin to close in on the enemy only to discover that the tables have been turned Captured by their cunning adversaries the Hardys face certain death Will they escape Will the Firebird Rocket ever be launched **Hardy Boys 51: The Masked Monkey** Franklin W. Dixon, 1972-01-01 Frank and Joe are called upon to find a wealthy industrialist's son who has mysteriously disappeared The only clue in the case leads the two young detectives to South America where the intrigues of evil adversaries almost cost them their lives Only through their courage and perseverance do the Hardys solve one of the toughest cases they have ever tackled The Spatial Dynamics of Juvenile Series Literature Michael G. Cornelius, 2020-11-11 Where we come from where we are where we have been and where we are going all have a huge impact on who we are Theories of space and place also hold that the converse is equally true that we have an impact on those spaces and places we inhabit or dwell within We make space our agencies our cultures our beliefs and values and understandings shape the macro and micro environments around us Just as much however those places we inhabit shape us causing us to adapt ourselves to them Children exist in spaces that are crafted for them by adults by parents by school administrators and teachers and as such their impact on space can be somewhat limited Space is made for them but certainly not to their own specifications or liking In children's literature spaces are often seen as noteworthy markers of a child's progression toward adulthood whether the space is Laura Ingalls' little house or Harry Potter's Hogwarts For these characters movement through space is about growth and change about accepting the inevitability of growing up and the responsibility of the adulthood whether that be marriage and motherhood or vanquishing the most evil wizard of all time However what about juvenile series books whose central protagonists generally never grow or change The central character of these series usually a flat unchanging trope more than a fully realized fleshed out dynamic figure is a static creation Though characters like Nancy Drew and the Hardy Boys frequently move through different geographies they never change as characters In fact one could argue that the only dynamic that ever experiences

any alteration in a series like Nancy Drew is setting Surely there is something significant about the relationship of series books to those spaces their protagonists inhabit This collection explores that relationship the dynamics between the controlled spaces of childhood and the variable spaces of juvenile series literature It shows that the unchanging series book characters demonstrate that their impact on space is far greater than its impact ever is on them reflecting an exercise in spatial authority that most children and even children s book heroes never quite experience *Judy Moody's Mini-Mysteries and Other Sneaky Stuff for Super-Sleuths* Megan McDonald, Peter H. Reynolds, 2012 Young fans are invited to join Judy and her friends in a series of six mini mysteries complemented by instructions on how to compile a detective kit and sharpen elementary sleuthing skills Original

Critical Approaches to Food in Children's Literature Kara K. Keeling, Scott T. Pollard, 2012-03-20 This book is the first scholarly volume to connect children s literature to the burgeoning discipline of food studies Spanning genres and regions the essays utilize a variety of approaches including archival research cultural studies formalism gender studies post colonialism post structuralism race studies structuralism and theology Girls' Series Fiction and American Popular Culture LuElla D'Amico, 2016-03-01 Girls Series Fiction and American Popular Culture examines the ways in which young female heroines in American series fiction have undergone dramatic changes in the past 150 years changes which have both reflected and modeled standards of behavior for America s tweens and teen girls Though series books are often derided for lacking in imagination and literary potency that the majority of American girls have been exposed to girls series in some form whether through books television or other media suggests that this genre needs to be studied further and that the development of the heroines that girls read about have created an impact that is worthy of a fresh critical lens Thus this collection explores how series books have influenced and shaped popular American culture and in doing so girls everyday experiences from the mid nineteenth century until now The collection interrogates the cultural work that is performed through the series genre contemplating the messages these books relay about subjects including race class gender education family romance and friendship and it examines the trajectory of girl fiction within such contexts as material culture geopolitics socioeconomics and feminism For Girls Only Laura Dower, 2008-06-24 Everything great about being a girl is packed into this fun and informative book *Sisters, Schoolgirls, and Sleuths* Carolyn Carpan, 2008-12-04 Sisters Schoolgirls and Sleuths provides a social history of girls series fiction in America from the mid 19th century through the early 21st century Carpan examines popular series sub genres themes and characters found in approximately 100 popular series noting how such books reflect or subvert the culture of the era in which they were produced The portrayal of the child in children's literature Denise Escarpit, 2011-05-02 The Portrayal of the Child in Children s Literature Proceedings of the 6th Conference of the Irscl Bordeaux 1983 *The Publishers' Trade List Annual* , 1887 **Becoming a Reader** J. A. Appleyard, Joseph Albert Appleyard, 1994-01-28 Becoming a Reader in allowing us to predict our reading experience allows us as adults to choose what to do with the power which reading gives us **Mystery of the Ivory Charm-Promo ND #13**
