Odd Byways in American History Charles Warren, 1942 Odd Byways in American History Charles Warren (of the American Bar.), 1942 **Jefferson's Second Revolution** Susan Dunn, 2018-06-01 An excellent history of the tumultuous early years of American government and a constitutional crisis sparked by the Electoral College Booklist In the election of 1800 Federalist incumbent John Adams and the elitism he represented faced Republican Thomas Jefferson Jefferson defeated Adams but through a quirk in Electoral College balloting tied with his own running mate Aaron Burr A constitutional crisis ensued Congress was supposed to resolve the tie but would the Federalists hand over power peacefully to their political enemies to Jefferson and his Republicans For weeks on end nothing was certain The Federalists delayed and plotted while Republicans threatened to take up arms In a way no previous historian has done Susan Dunn illuminates this watershed moment in American history She captures its great drama gives us fresh finely drawn portraits of the founding fathers and brilliantly parses the enduring significance of the crisis The year 1800 marked the end of Federalist elitism pointed the way to peaceful power shifts cleared a place for states rights in the political landscape and set the stage for the Civil War Dunn a scholar of eighteenth century American history has provided a valuable reminder of an election in which the stakes were truly enormous and the political vituperation was far more poisonous than the relatively moderate attacks heard today An excellent work that effectively explains this critical contest that shaped the history of the new republic Booklist Dunn does a superb job of recounting the campaign its cast of characters and the election's bizarre conclusion in Congress That tense standoff could have plunged the country into a disastrous armed conflict Dunn explains but instead cemented the legitimacy of peaceful if not smooth transfers of power Publishers Weekly Dunn simultaneously teaches and enthralls with her eloquent five sensed descriptions of the people and places that shaped our democracy Entertainment Weekly **Odd Byways in American History** Charles WARREN (of the Boston Bar.), 1942 Widener Library Shelflist: American history Harvard University.
