Oddity Odyssey James Chenoweth, 2000-12 Take a trip through New England's quirky past Playfully masquerading as a guided tour through each of New England's six states *Oddity Odyssey* is an engaging compendium of lore celebrating the region's unique landscape and history Author James Chenoweth has gathered the most memorable stories and retells them here in his own dryly humorous style There's a legendary oddity at every turn Visit the burial site of Samuel Jones leg and ponder the mystery of where the rest of him lies Where is the ghost parking lot Find out how Sin and Flesh Brook got its name Why was John Wickes buried headfirst Which New Hampshire man nearly assassinated President John F Kennedy Where is the bridge that love lost How was the clambake invented Did an apple tree really absorb the body of Roger Williams Why was John Childs banned from flying in Boston in 1757 Packed to the rafters with tales bizarre and unusual for travelers on the road or in an armchair

Michael Allred Christopher Irving, 2015-10-15 Michael Allred b 1962 stands out for his blend of spiritual and philosophical approaches with an art style reminiscent of 1960s era superhero comics which creates a mixture of both postmodernism and nostalgia His childhood came during an era where pop art and camp embraced elements of kitsch and pastiche and introduced them into the lexicon of popular culture Allred's use of both in his work as a cartoonist on his signature comic book *Madman* in the early 1990s offset the veiled autobiography of his own spiritual journey through Mormonism and struggles with existentialism Thematically Allred's work deals heavily with the afterlife as his creations struggle with the grander questions whether his modern Frankenstein hero *Madman* cosmic rock n roller *Red Rocket 7* the undead heroine of *iZombie* co created with writer Chris Roberson or the cast of superhero team book *The Atomics* Allred also enjoys a position in the creator driven generation that informs the current batch of independent cartoonists and has experienced his own brush with a major Hollywood studio's aborted film adaptation of *Madman* Allred's other brushes with Hollywood include an independent adaptation of his comic book *The G Men from Hell* an appearance as himself in Kevin Smith's romantic comedy *Chasing Amy* where he provided illustrations for a fictitious comic book the television adaptation of *iZombie* and an ongoing relationship with director Robert Rodriguez on a future *Madman* film *Michael Allred Conversations* features several interviews with the cartoonist from the early days of *Madman*'s success through to his current mainstream work for Marvel Comics To read them is to not only witness the ever changing state of the comic book industry but also to document Allred's growth as a creative genius

The Third Reich Michael Burleigh, 2001-11 Michael Burleigh's *The Third Reich* presents a major study of one of the twentieth century's darkest periods Until now there has been no up to date one volume international history of Nazi Germany despite its being among the most studied phenomena of our time *The Third Reich* restores a broad perspective and intellectual unity to issues that have become academic subspecialties and offers a brilliant new interpretation of Hitler's evil rule Filled with human and moral considerations that are missing from theoretical accounts Michael Burleigh's book gives full weight to the experience of ordinary people who were swept up in or repelled by

Hitler's movement and emphasizes how international themes for Nazi Germany appealed to many European nations. It also focuses on the Nazi's wartime conduct to dominate the Continental economy and involve gigantic population transfers and exterminations, recruitment of foreign labor and multinational armies.

Reading Programs for Young Adults Martha Seif Simpson, 2015-11-16 School and public libraries often provide programs and activities for children in preschool through the sixth grade, but there is little available to young adults. For them, libraries become a place for work, the place to research an assignment or find a book for a report, but the thought of the library as a place for enjoyment is lost. So how do librarians recapture the interest of teenagers? This just might be the answer. Here you will find theme-based units such as *Cartoon Cavalcade*, *Log On at the Library*, *Go in Style*, *Cruising the Mall*, *Space Shots*, *Teens on TV*, and 44 others that are designed for young adults. Each includes a display idea, suggestions for local sponsorship of prizes, a program game to encourage participation, 10 theme-related activities, curriculum tie-in activities, sample questions for use in trivia games or scavenger hunts, ideas for activity sheets, a bibliography of related works, and a list of theme-related films. The units are highly flexible, allowing any public or school library to adapt them to their particular needs.

ArtCurious Jennifer Dasal, 2020-09-15 A wildly entertaining and surprisingly educational dive into art history as you've never seen it before from the host of the beloved *ArtCurious* podcast. We're all familiar with the works of Claude Monet thanks in no small part to the ubiquitous reproductions of his water lilies on umbrellas, handbags, scarves, and dorm room posters. But did you also know that Monet and his cohort were trailblazing rebels whose works were originally deemed unbelievably ugly and vulgar? And while you probably know the tale of Vincent van Gogh's suicide, you may not be aware that there's pretty compelling evidence that the artist didn't die by his own hand but was accidentally killed or even murdered. Or how about the fact that one of Andy Warhol's most enduring legacies involves Caroline Kennedy's moldy birthday cake and a collection of toenail clippings? *ArtCurious* is a colorful look at the world of art history, revealing some of the strangest, funniest, and most fascinating stories behind the world's great artists and masterpieces. Through these and other incredible, weird, and wonderful tales, *ArtCurious* presents an engaging look at why art history is and continues to be a riveting and relevant world to explore.
