Odes Of Pindar Including The Principal Fragments Loeb Classical Library No 56:

The Loeb Classical Library. No. 56, James Loeb, 1915 The Horse and Jockey from Artemision Séan A.

Hemingway, Séan Hemingway, 2004-07-08 In 1928 and again in 1937 parts of a large scale bronze horse and nearly complete jockey were recovered from the sea off Cape Artemision in Greece where they had gone down in a shipwreck These original Hellenistic sculptures known together as the Horse and Jockey Group from Artemision are among the very few surviving bronze sculptures from antiquity Séan Hemingway has been allowed by the National Museum in Athens to investigate the horse and jockey statuary group as no one ever has before and in this book combining archaeological and art historical methods of investigation he provides the first in depth study of this rare and beautiful monument New technical analyses of the statues by Helen Andreopoulou Mangou form an appendix to the volume Hemingway begins with an introduction to Hellenistic bronze statuary and what we know about this extraordinary class of ancient sculpture He then recounts with riveting detail the discovery and painstaking restoration of the statue group describing the technique of its creation and carefully reviewing scholarly knowledge and speculation about it He also provides a valuable compendium of what is known about ancient Greek horse racing the most prestigious and splendid of all Greek sports After a full consideration of all the available evidence he speculates further about the work's original meaning and function His study provides a glimpse of the excellence achieved by Hellenistic bronze sculptors and it will become the definitive resource on this unique sculpture from ancient Greece

Apology for the Woman Writing and Other Works Marie le Jars de Gournay, 2007-11-01 During her lifetime the gifted writer Marie le Jars de Gournay 1565-1645 was celebrated as one of the seventy most famous women of all time in Jean de la Forge's Circle of Learned Women 1663 The adopted daughter of Montaigne as well as his editor Gournay was a major literary force and a pioneering feminist voice during a tumultuous period in France This volume presents translations of four of Gournay's works that address feminist issues Two of these appear here in English for the first time The Promenade of Monsieur de Montaigne and The Apology for the Woman Writing One of the first modern psychological novels the best selling Promenade was also the first to explore female sexual feeling With the autobiographical Apology Gournay defended every aspect of her life from her moral conduct to her household management The book also includes Gournay's last revisions 1641 of her two best known feminist treatises The Equality of Men and Women and The Ladies Complaint The editors provide a general overview of Gournay's career as well as individual introductions and extensive annotations for each work

Gemini and the Sacred Kimberley C. Patton, 2022-10-06 Why do twins

remain uncanny to those born alone in other words most of us Even with the rise of IVF and an increase in multiple births

why do we still do a double take when we encounter twins Why has this been a near universal response throughout human history and how has it played out in religion and myth Through the work of leading scholars in religion folklore and mythology history anthropology and archaeology Gemini and the Sacred explores how twinship has long been imagined especially in the complex relationship of sacred twin traditions to twins on the ground in biology and lived experience The book considers the multiple ways in which the doubling of a human being may be interpreted as auspicious and powerful or suppressed as unstable and dangerous Why has this been so and how does it affect living twins today Treating both famous and lesser known twins including supernatural animal twins in the ancient Near Eastern and classical Mediterranean worlds early Christianity and Gnosticism Vedic Hindu West African Black Atlantic and native American traditions ancient Mesoamerica Celtic Roman Britain and Scandinavia and in the special fraught bond shared by all twins the book offers a variety of perspectives on this topic of great cultural significance Books in Print ,1991 〰〰〰〰〰〰 〰〰〰〰〰〰 (Japan),1978 **The Publishers' Trade List Annual** ,1979 **Books in Series** ,1980 A Bibliographical Guide to Classical Studies: Literature: Gaius - Pindaros (entries 6533-10995) Graham Whitaker,1997 **On the Existence of God** Robert Geis,2009-11-11 The existence of God raises many questions Geis work addresses queries that arise from the gratuitous claims of empiricism in Hume unfounded assumptions in Kant presumptions of science and the improbabilities it identifies in Darwinism By focusing on number and proportion as intrinsic to material and atomic constituency any argument from chance as instrumental to the cosmos emergence and sustainability becomes invalidated The arguments from contingency and the nature of intellection provide more clarity than the ratio Anselmi for acknowledging a transcendent causality taking the reader to the problem of evil and present day nihilism These concepts present great but not insuperable difficulty for theism Geis argues that evil when one uses it as a means to the betterment of oneself and the world takes on the r le commensurate with the doctrine of an omnibenevolent deity Accordingly one can use evil as a means to a greater understanding of God Providence and eternal destiny 〰〰〰〰〰〰〰〰〰〰〰〰 Meiji Daigaku.
