one of the largest political funerals in Irish history and is now accepted as the precursor to the Easter Rising Patrick Pearse famously declared at Rossa's graveside The fools the fools the fools They have left us our Fenian dead And while Ireland holds these graves Ireland unfree shall never be at peace In this first and long awaited biography of a hugely significant figure in Irish history Shane Kenna examines the life of Jeremiah O'Donovan Rossa From modest origins in West Cork he became passionately interested in national politics from an early age and was later arrested for his republican activities He then spent time in the toughest of British prisons and was actually elected to the British House of Commons while still in prison Exiled to the United States he continued his involvement in republican organisations such as Clann Na Gael and set up the United Irishman newspaper From the United States he organised funded and masterminded the Fenian dynamite campaign which was the first ever Irish bombing operation on British shores O'Donovan Rossa was a complex character who was both a family and a political man This book tells his story from the earliest years to his death and funeral a figure whose life work was dedicated to the establishment of an Irish Republic *O'Donovan Rossa's Prison Life* Anonymous,2023-12-31 Reprint of the original first published in 1874 **Eddie O'Sullivan: Never Die Wondering** Eddie O'Sullivan,2009-10-13 Hear the story of the rise of one of Irish rugby's great outsiders and ultimately his crushing fall As the longest serving national coach in Irish rugby history Eddie O'Sullivan produced a team that rose to third in the world rankings and laid down the standards for the team to fulfil its Grand Slam potential Added to the three Triple Crowns he won in his six year reign and the Corkman ought to enjoy legendary status in his homeland Yet few figures in Irish sport divide opinion quite like O'Sullivan Ireland's abject performance at the 07 World Cup in France prompted extraordinary levels of criticism and precipitated O'Sullivan's fall Here O'Sullivan talks candidly of the spectacular unravelling of confidence within probably the best Irish team in history of the bizarre rumour mill that followed the Irish team through that World Cup and takes us behind the scenes of a story that tossed an entire nation into mourning From his relationships with his successor as Irish coach Declan Kidney and indeed his predecessor Warren Gatland to his early struggle for recognition in the Irish game when the absence of a traditional rugby background militated against him O'Sullivan pulls no punches in this revelatory story about far more than rugby To the Fenian Brotherhood of America.
