Odyssey James Roy d'Arcy Baker, Suzanne Baker-James, 2002 A collection of letters written by a young serviceman to his family during World War II describing his exploits in wartime England      **To the End of the Earth** John C.

McManus, 2023-05-02 Winner of the Army Historical Foundation Award for Excellence in U S Army Writing From the liberation of the Philippines to the Japanese surrender the final volume of John C McManus s trilogy on the US Army in the Pacific War Brilliant and riveting a truly great book Gen David Petraeus Triumphant and compelling Richard Frank McManus is one of the best if not the best World War II historians working today World War II magazine The dawn of 1945 finds a US Army at its peak in the Pacific Allied victory over Japan is all but assured The only question is how many more months or years of fight does the enemy have left John C McManus winner of the Gilder Lehrman Prize for Military History concludes his magisterial series described by the Wall Street Journal as being as vast and splendid as Rick Atkinson s Pulitzer Prize winning Liberation Trilogy with this brilliant final volume On the island of Luzon a months long stand off between US and Japanese troops finally breaks open as American soldiers push into Manila while paratroopers and amphibious invaders capture nearby Corregidor The Philippines are soon liberated and Allied strategists turn their eyes to China Iwo Jima Okinawa and the Japanese home islands themselves Readers will walk in the boots of American soldiers and officers braving intense heat rampant disease and a by now suicidal enemy determined to kill as many opponents as possible before defeat and they will encounter Japanese soldiers faced with the terrible choice between capitulation or doom At the same time this outstanding narrative lays bare the titanic ego and ambition of the Pacific War s most prominent general Douglas MacArthur and the complex challenges he faced in Japan s unconditional surrender and America s lengthy occupation      **Patrick**

**White Within the Western Literary Tradition** John Beston, 2010 Representing the author s interest spanning over thirty five years the essays expose White s evocation of dimensions other than material reality his preoccupation with epiphanies and mythmaking and his constant forging of a poetic style      **Not So Normal** Tom Symington, 2024-05-07 Growing up in post World War II Alberta in a stable loving home Tom Symington didn t feel that he was different Evading early pressures of romance and sexual exploration repressing instances of name calling femmy and hostility from schoolmates Tom was almost able to believe in a world that valued the rights and freedoms of all citizens From Calgary to Sierra Leone to France this candid heartbreaking memoir braids the evolution of gay rights in Canada with the life journey of one individual Following high school as Tom entered university and became a teacher he was forced to reconcile his sexual orientation with the prevailing social and legal environment in Alberta Canada and the world beyond As decades passed femmy merged with gay queer and LGBTQ community in a rallying movement and an enduring struggle towards pride and self acceptance against the current of societal expectations and discriminatory legislation Not So Normal is as much a coming of age odyssey and a celebration of selfhood as it is a grave reminder that there is still much work to be done in the realm of human rights and an

urgent call to action to recentre love in our increasingly diverse and divisive world      **American Historical Fiction** Lynda G. Adamson,1998-10-21 This publication will fill a gap in the bibliographic reference shelf by identifying historical novels for both adult and young adult readers I American Historical Fiction R contains over 3 000 titles set in states and historical regions of the United States Entries are organized by time period The newest titles as well as old favorites are covered The volume is indexed by author title genre subject and geographic setting      Princeton Alumni Weekly Jesse Lynch Williams,Edwin Mark Norris,1994      *American Adolescence: J.D. Salinger's "The Catcher in the Rye" and Bret Easton Ellis' "Less Than Zero"* Christopher Göhn,2009-10-14 Bachelor Thesis from the year 2008 in the subject English Language and Literature Studies Literature grade 1 University of Paderborn language English abstract American Literature thematizing youth adolescence and initiation draws on a long tradition reaching back to the 18th century including writers like Herman Melville Mark Twain Henry James and William Faulkner After the Second World War the American novel of adolescence flourished again in a period that also gave birth to the genre s arguably most prominent representative When J D Salinger s novel The Catcher in the Rye first entered the American book market in 1951 its critical reception could not have diverged more Salinger s first novel after publishing a number of short stories in the New Yorker was mostly attacked for its extensive use of colloquial language Initial reviews ranged from an unusual brilliant first novel to wholly repellent in its mingled vulgarity and sly perversion In 1985 thirty four years later Less Than Zero the first novel of Bennington College student Bret Easton Ellis was published and also received widely mixed criticism While Interview Magazine called his debut startling and hypnotic Paul Gray wrote in an article for Time Magazine that the novel offers little more than its title promises referring to its lack of depth and fully developed characters The first part of this work will lay the theoretical foundations and discuss the genre of the novel of adolescence in respect to the two novels under investigation After covering the theoretical basics the second part of this paper intends to concentrate on detecting parallels in the themes and presentations of adolescence and initiation in both works Since social criticism is always a central genre specific characteristic of the novel of adolescence the next part will briefly discuss this issue in respect to The Catcher in the Rye as well as Less Than Zero and point to a possible interpretation of a diachronic development of American society that the two novels delineate Subsequently the focus will be shifted to the final chapters of both novels and center upon questions concerning epiphanies progress and outlook for the respective protagonist Eventually this paper intends to give a far reaching picture of the presentation of adolescence in two novels from very different backgrounds that in all their diversity are so astoundingly similar      *When London Calls* Stephen Alomes,1999-10-11 For thousands of young Australians the tearful dockside farewell was a rite of passage as they boarded ships bound for London For some the journey was an extended holiday but for many actors painters musicians writers and journalists leaving Australia seemed to be the only path to personal and professional fulfilment This book first published in 2000 is a collective biography of those people who found themselves categorised as expatriates people such as Leo McKern

Dame Joan Sutherland Barry Tuckwell Don Banks Phillip Knightley John Pilger Peter Porter Richard Neville Jill Neville and megastars Barry Humphries Germaine Greer and Clive James The book tells of choices they made about career and country yet it is also a cultural history that traces shifts in the complex relationship between Australia and Britain as the supposed colonial backwater began to develop its own cultural identity

Isaac Shapiro, 2009 Little did Constantine and Lydia Shapiro know that as their families each fled from war revolution and anti-Semitism in early 20th Century Russia that they would meet in Berlin and fall in love As Hitler rose to power they again faced persecution Realizing the danger of remaining in Europe they continued their odyssey first to Palestine and ultimately to the relative safety of China and Japan In 1931 Tokyo their son Isaac was born The first eleven years of his life were relatively stable except for the intimidating influence of his father a strict disciplinarian But the sudden onset of World War II with the bombing of Pearl Harbor altered the course of the family's life yet again They moved from city to city in war torn Japan surviving privations and the bombing of Japan by the United States The subsequent US occupation led Isaac to be befriended by a US Marine Colonel from far off Arkansas Colonel later Lieutenant General John Calvin Toby Munn gave Isaac Ike the opportunity to immigrate to America Continuing his family's circuitous journey Isaac landed in Hawaii in the summer of 1946 ready to experience yet another culture From the young age of fifteen Isaac has been encouraged to share his family's fascinating story With this book he has finally accomplished what so many have asked him to do

Between Tedium and Terror Sy M. Kahn, 2000 When Sy Kahn set off to serve in the Pacific during World War II he was a bookish naive nineteen year old the youngest in his company Convinced he

would not survive the war Kahn kept a meticulous record of his experiences as his foxhole of the mind even though keeping such a journal was forbidden by military regulations His secret diary one soldier s mark against oblivion is a rare ground level account of the war Often writing in tents by candlelight in foxholes or on board ships Kahn documents life during four campaigns and over three hundred air attacks He describes the 244th Port Company s backbreaking work of loading and unloading ships the suffocating heat the debilitating tropical diseases and the relentless sometimes terrifying bombings accidents casualties and deaths His wartime odyssey also includes encounters with civilians in Australia in the Philippines and as among the earliest occupation troops in Japan A detailed record of the daily cost of war Kahn s journal reflects his increasing maturity and his personal coming of age representative of thousands of young Americans who served in World War II

**Historians in Service of a Better South** Andrew Myers,Robert Norrell,2017-04-02 Amid the soaring oratory of Martin Luther King and the fiery rhetoric of George Wallace scholars who worked with the Southern Regional Council during the civil rights movement spoke quietly but with the authority of informed reason Prominent among them was Professor Paul Gaston of the University of Virginia who co authored an influential analysis of school segregation served as president of the SRC board and authored The New South Creed Gaston s legacy of service includes his role as a mentor of historians He oversaw more than two dozen dissertations at UVA from 1957 to the year 2000 These illuminated important aspects of the South and the civil rights movement while contributing to the growth of community and organizational studies within the field of social history The articles in this Festschrift feature essays that he inspired among his students and colleagues

**Theory in Social and Cultural Anthropology** R. Jon McGee,Richard L. Warms,2013-08-28 Social and cultural anthropology and archaeology are rich subjects with deep connections in the social and physical sciences Over the past 150 years the subject matter and different theoretical perspectives have expanded so greatly that no single individual can command all of it Consequently both advanced students and professionals may be confronted with theoretical positions and names of theorists with whom they are only partially familiar if they have heard of them at all Students in particular are likely to turn to the web to find quick background information on theorists and theories However most web based information is inaccurate and or lacks depth Students and professionals need a source to provide a quick overview of a particular theory and theorist with just the basics the who what where how and why In response SAGE Reference is publishing the two volume Theory in Social and Cultural Anthropology An Encyclopedia Features Benefits Two volumes containing approximately 335 signed entries provide users with the most authoritative and thorough reference resource available on anthropology theory both in terms of breadth and depth of coverage To ease navigation between and among related entries a Reader s Guide groups entries thematically and each entry is followed by Cross References In the electronic version the Reader s Guide combines with the Cross References and a detailed Index to provide robust search and browse capabilities An appendix with a Chronology of Anthropology Theory allows students to easily chart directions and trends in thought and theory from early

times to the present Suggestions for Further Reading at the end of each entry and a Master Bibliography at the end guide readers to sources for more detailed research and discussion

**MEMOIRS OF GRAMFLAKES** E.B. Hayes,2008-10-23 Eleanor was inspired by her father at an early age to appreciate family history During her retired lonely years as a widow she started writing for entertainment She did not enjoy pity parties and found a joy in sitting in front of her computer to write about her memories Some of her children and friends enjoyed hearing about past events that interested them and encouraged her to write She was the only girl and oldest child and spent the majority of her growing up years around adults as they told their stories That was their prime entertainment She would like to inspire others to make notes and write stories for their future generations She found that it is amazing how much one can remember and relive as the words appear on the computer screen

Ministers, Mandarins and Diplomats ,2003 In the three decades from the beginning of World War II Australia emerged on the world stage as an independent actor in foreign affairs The key institution overseeing the development of Australia s

international status and foreign policy during that period was the Department of External Affairs. This stimulating collection of essays explores the history of this government department as it grew from being a small amateur bureaucratic player to become a professional global network. This book sheds new light on the major figures in Australian international history: H. V. Evatt, Percy Spender, Richard Casey, Garfield Barwick, and Paul Hasluck—and their relationships with their senior bureaucratic advisers. The experiences of Australian diplomats as they joined the Department of External Affairs as junior recruits and worked overseas are also examined. *Ministers, Mandarins, and Diplomats* tells the story of the people, the events, and the ideas that shaped Australian foreign policy and gave Australia its identity in the eyes of the rest of the world.
