The Odyssey Reader Newman Peter Birk, Genevieve Blane Birk, 1968 **Style (Harriman Classics)** F. L. Lucas, 2020-08-18 4th edition with a new foreword by Joseph Epstein Harriman Classics Lost for almost forty years Style has acquired the status of a legend Loved by some of the greatest modern authors and acclaimed by critics this guide to recognising and writing stylish prose was written by a Cambridge don and veteran of Bletchley Park Imbued with a lifetime of wit and wisdom it retains its power today Writing forcefully and persuasively has never mattered so much and Style is the perfect guide for the busy the ambitious and the creative With unique authority and good humour F L Lucas takes us through his ten points of effective prose style and provides a tour of some of the best and worst that has been written in a number of languages and literatures Wry perceptive and rich in quotation and anecdote the book reads like a personal conversation on the art of writing well with a master of the art **Catalog of Copyright Entries. Third Series** Library of Congress. Copyright Office, 1972 **History and the Human Condition** John Lukacs, 2014-04-08 In a career spanning more than sixty five years John Lukacs has established himself as one of our most accomplished historians Now in the stimulating book History and the Human Condition Lukacs offers his profound reflections on the very nature of history the role of the historian the limits of knowledge and more Guiding us on a quest for knowledge Lukacs ranges far and wide over the past two centuries The pursuit takes us from Alexis de Tocqueville to the atomic bomb from American exceptionalism to Nazi expansionism from the closing of the American frontier to the passing of the modern age Lukacs s insights about the past have important implications for the present and future In chronicling the twentieth century decline of liberalism and rise of conservatism for example he forces us to rethink the terms of the liberal versus conservative debate In particular he shows that what passes for conservative in the twenty first century often bears little connection to true conservatism Lukacs concludes by shifting his gaze from the broad currents of history to the world immediately around him His reflections on his home his town his career and his experiences as an immigrant to the United States illuminate deeper truths about America the unique challenges of modernity the sense of displacement and atomization that increasingly characterizes twenty first century life and much more Moving and insightful this closing section focuses on the human in history masterfully displaying how right Lukacs is in his contention that history at its best is personal and participatory History and the Human Condition is a fascinating work by one of the finest historians of our time More than that it is perhaps John Lukacs s final word on the great themes that have defined him as a historian and a writer **The Publishers' Trade List Annual** ,1980 **French News** ,1963 **Library of Congress Catalog** Library of Congress, 1965 A cumulative list of works represented by Library of Congress printed cards **Catalog of Copyright Entries.
