## **Of Bridles And Burnings The Punishment Of Women:**

*Of Bridles and Burnings* Ephraim John Burford, Sandra Shulman, 1994-07-01 The authors describe how and why by both law and custom British women were pilloried executed and transported and made to undergo a host of savage humiliations contrived by masculine ingenuity The book traces the roots of these punishments and the ancient prejudices against women

*Of Bridles and Burnings* E. J. Burford, Sandra Shulman, 1992      **Women, Murder, and Equity in Early Modern England** Randall Martin, 2007-12-12 This book presents the first comprehensive study of over 120 printed news reports of murders and infanticides committed by early modern women It offers an interdisciplinary analysis of female homicide in post Reformation news formats ranging from ballads to newspapers Individual cases are illuminated in relation to changing legal religious and political contexts as well as the dynamic growth of commercial crime news and readership      Crime, Gender and Social Order in Early Modern England Garthine Walker, 2003-06-12 An extended study of gender and crime in early modern England It considers the ways in which criminal behaviour and perceptions of criminality were informed by ideas about gender and order and explores their practical consequences for the men and women who were brought before the criminal courts Dr Walker s innovative approach demonstrates that contrary to received opinion the law was often structured so as to make the treatment of women and men before the courts incommensurable For the first time early modern criminality is explored in terms of masculinity as well as femininity Illuminating the interactions between gender and other categories such as class and civil war have implications not merely for the historiography of crime but for the social history of early modern England as a whole This study therefore goes beyond conventional studies and challenges hitherto accepted views of social interaction in the period      Crime and Punishment in Early Modern Russia Nancy Kollmann, 2012-10-11 A magisterial account of criminal law in early modern Russia in a wider European and Eurasian context      **Women's Roles in Eighteenth-Century Europe** Jennine Hurl-Eamon, 2010-04-09 This concise historical overview of the existing historiography of women from across eighteenth century Europe covers women of all ages married and single rich and poor During the 18th century the Enlightenment the French Revolution protoindustrialization and colonial conquest made their marks on women s lives in a variety of ways Women s Roles in Eighteenth Century Europe examines women of all ages and social backgrounds as they experienced the major events of this tumultuous period of sweeping social and political change The book offers an inclusive portrayal of women from across Europe surveying nations from Portugal to the Russian Empire from Finland to Italy including the often overlooked women of Eastern Europe It depicts queens an empress noblewomen peasants and midwives Separate chapters on family work politics law religion arts and sciences and war explore the varying contexts of the feminine experience from the most intimate aspects of daily life to broad themes and conditions      Race, Gender, and Punishment Mary Bosworth, Jeanne Flavin, 2007 In this book Mary Bosworth and Jeanne Flavin bring together twelve original essays by prominent scholars to examine not only the discrimination that is evident but also the structural and cultural forces that have

influenced and continue to perpetuate the current situation Contributors point to four major factors that have impacted public sentiment and criminal justice policy colonialism slavery immigration and globalization In doing so they reveal how practices of punishment not only need particular ideas about race to exist but they also legitimate them *History of Criminal Justice* Mark Jones, Peter Johnstone, 2011-07-22 Covering criminal justice history on a cross national basis this book surveys criminal justice in Western civilization and American life chronologically from ancient times to the present It is an introduction to the historical problems of crime law enforcement and penology set against the background of major historical events and movements Integrating criminal justice history into the scope of European British French and American history this text provides the opportunity for comparisons of crime and punishment over boundaries of national histories The text now concludes with a chapter that addresses terrorism and homeland security

**Narratives of Women and Murder in England, 1680-1760** Kirsten T. Saxton, 2009 Arguing for the centrality of the female criminal subject to the rise of the British novel Kirsten Saxton compares representations of homicidal women in legal documents with those in the early novels of Behn Manley Defoe and Fielding She demonstrates that legal narratives informed the novel's evolution and fictional texts shaped the development of legal narratives and suggests that Augustan configurations of the murderess continue to influence our legal and social conceptions of femininity

**A History of Crime and the American Criminal Justice System** Mitchell P. Roth, 2018-10-10 This book offers a history of crime and the criminal justice system in America written particularly for students of criminal justice and those interested in the history of crime and punishment It follows the evolution of the criminal justice system chronologically and when necessary offers parallels between related criminal justice issues in different historical eras From its antecedents in England to revolutionary times to the American Civil War right through the twentieth century to the age of terrorism this book combines a wealth of resources with keen historical judgement to offer a fascinating account of the development of criminal justice in America A new chapter brings the story up to date looking at criminal justice through the Obama era and the early days of the Trump administration Each chapter is broken down into four crucial components related to the American criminal justice system from the historical perspective lawmakers and the judiciary law enforcement corrections and crime and punishment A range of pedagogical features including timelines of key events learning objectives critical thinking questions and sources as well as a full glossary of key terms and a Who's Who in Criminal Justice History ensures that readers are well equipped to navigate the immense body of knowledge related to criminal justice history Essential reading for Criminal Justice majors and historians alike this book will be a fascinating text for anyone interested in the development of the American criminal justice system from ancient times to the present day

*Women in Early Modern Britain, 1450-1640* Christine Peters, 2017-03-09 Although in its infancy the history of women in Wales and Scotland before and during the Reformation is now thriving A longer tradition of historical studies has shed light on many areas of women's experience in England Drawing on this historiography Christine Peters examines the significance

of contrasting social economic and religious conditions in shaping the lives of women in Britain Gender assumptions were broadly similar in England Wales and Scotland but female experience varied widely Women in Early Modern Britain 1450 1640 explores how this was influenced by various factors including changes in clanship and inheritance the employment of single women the punishment of pregnant brides and scolds the introduction of Protestantism and the fusion of fairy beliefs with ideas of demonological witchcraft Peters text is the first comparative survey and analysis of the diversity of women s lives in Britain during the early modern period Crime, Histoire et Sociétés, 2000/2 , *Witchcraft and Folk Belief in the Age of Enlightenment* Lizanne Henderson, 2016-04-08 Taking an interdisciplinary perspective Witchcraft and Folk Belief in the Age of Enlightenment represents the first in depth investigation of Scottish witchcraft and witch belief post 1662 the period of supposed decline of such beliefs an age which has been referred to as the long eighteenth century coinciding with the Scottish Enlightenment The late seventeenth and early eighteenth centuries were undoubtedly a period of transition and redefinition of what constituted the supernatural at the interface between folk belief and the philosophies of the learned For the latter the eradication of such beliefs equated with progress and civilization but for others such as the devout witch belief was a matter of faith such that fear and dread of witches and their craft lasted well beyond the era of the major witch hunts This study seeks to illuminate the distinctiveness of the Scottish experience to assess the impact of enlightenment thought upon witch belief and to understand how these beliefs operated across all levels of Scottish society **Encyclopedia of Cremation** Lewis H. Mates, 2016-04-29 The Encyclopedia of Cremation is the first major reference resource focused on cremation Spanning many world cultures it documents regional histories ideological movements and leading individuals that fostered cremation whilst also presenting cremation as a universal practice Tracing ancient and classical cremation sites historical and contemporary cremation processes and procedures of both scientific and legal kind the encyclopedia also includes sections on specific cremation rituals architecture art and text Features in the volume include a general introduction and editorial introductions to sub sections by Douglas Davies an international specialist in death studies appendices of world cremation statistics and a chronology of cremation cross referencing pathways through the entries via the index individual entry bibliographies and illustrations This major international reference work is also an essential source book for students on the growing number of death studies courses and wider studies in religion anthropology or sociology **Iris** , 1991 The Confident Woman Marjorie Hansen Shaevitz, 2012-01-04 How Confident Are You Marjorie Hansen Shaevitz has won national awards for her work in women s health and has enjoyed the success some people only dream of a prosperous professional life a long happy marriage two Stanford educated children and a bestselling book The Superwoman Syndrome which coined a term for a generation of women Despite all of her accomplishments however she struggled with the issue of confidence After conducting extensive research she found that she was far from alone Many women experience the paradox of enjoying success in their business and personal lives while lacking confidence in themselves The Confident Woman focuses on the

issues that women face in growing up as girls in this society Using a series of seven steps complete with techniques and questions Shaevitz presents an accessible and proven program that helps women regain their confidence It is written for women of all ages ending with an epilogue for mothers who want practical tips for raising confident daughters In clear concise prose filled with anecdotes and humor *The Confident Woman* focuses on what women say they want practical advice that they can use now

*Governing the Tongue* Jane Kamensky, 1999-02-18 *Governing the Tongue* explains why the spoken word assumed such importance in the culture of early New England In a work that is at once historical socio cultural and linguistic Jane Kamensky explores the little known words of unsung individuals and reconsiders such famous Puritan events as the banishment of Anne Hutchinson and the Salem witch trials to expose the ever present fear of what the Puritans called sins of the tongue But even while dangerous or deviant speech was restricted as Kamensky illustrates here godly speech was continuously praised and promoted Congregations were told that one should lift one's voice like a trumpet to God and cry out and cease not By placing speech at the heart of New England's early history Kamensky develops new ideas about the complex relationship between speech and power in both Puritan New England and by extension our world today

**Fragile Moralities and Dangerous Sexualities** Alana Barton, 2017-03-02 In this book Alana Barton explores the social control and disciplining of unruly and deviant women from the early nineteenth century to the present day Her particular focus is the semi penal institution a category that includes refuges reformatories and homes She suggests that these occupy a unique position within the social control continuum somewhere between the formal regulation of the prison and the informal control of the community or domestic sphere but at the same time incorporating methods of discipline from both arenas The book draws on Dr Barton's extensive fieldwork at one such institution currently a women's bail and probation hostel which opened as a reformatory in 1823 Barton begins by examining the ideological and social conditions underpinning the creation of this institution deconstructing the dominant feminising discourses around domesticity respectability motherhood sexuality and pathology that were mobilised to categorise and control its nineteenth century residents She goes on to discuss the contemporary experiences of women within the hostel and their strategies for coping with or resisting the disciplinary regimes and discourses imposed upon them Her analysis reveals that many of the discourses used to characterise and discipline women in reformatories during the nineteenth century continue to be utilised for the same purpose in a probation hostel nearly two hundred years later She also reveals that the distribution of power in institutions is not fixed but can be subtly negotiated and redistributed Concluding with an examination of current developments in community punishments for women this book will make a significant contribution to the literature around alternatives to custody for female offenders by strongly challenging contemporary debates liberal critical and feminist around appropriate and relevant penal policy for women
