Art Deco Chicago Robert Brueggemann, 2018-10-02 An expansive take on American Art Deco that explores Chicago's pivotal role in developing the architecture, graphic design and product design that came to define middle class style in the twentieth century. Frank Lloyd Wright's lost Midway Gardens, the iconic Sunbeam Mixmaster and Marshall Field's famed window displays, despite the differences in scale and medium, each belongs to the broad current of an Art Deco style that developed in Chicago in the first half of the twentieth century. This ambitious overview of the city's architectural, product, industrial and graphic design between 1910 and 1950 offers a fresh perspective on a style that would come to represent the dominant mode of modernism for the American middle class. Lavishly illustrated with 325 images, the book narrates Art Deco's evolution in 101 key works, carefully curated and chronologically organized to tell the story of not just a style but a set of sensibilities. Critical essays from leading figures in the field discuss the ways in which Art Deco created an entire visual universe that extended to architecture, advertising, household objects, clothing and even food design. Through this comprehensive approach to one of the 20th century's most pervasive modes of expression in America, **Art Deco Chicago** provides an essential overview of both this influential style and the metropolis that came to embody it.

The Scottish Enlightenment and Literary Culture Ronnie Young, Ralph McLean, Kenneth Simpson, 2016-11-17 This collection of essays explores the role played by imaginative writing in the Scottish Enlightenment and its interaction with the values and activities of that movement. Across a broad range of areas, via specially commissioned essays by experts in each field, the volume examines the reciprocal traffic between the groundbreaking intellectual project of eighteenth century Scotland and the imaginative literature of the period, demonstrating that the innovations made by the Scottish literati laid the foundations for developments in imaginative writing in Scotland and further afield. In doing so, it provides a context for the widespread revaluation of the literary culture of the Scottish Enlightenment and the part that culture played in the project of Enlightenment.

The Sketch, 1906 **Conan Doyle and the Crimes Club** Stephen Wade, 2017-05-17 On 17 July 1904, an intimate group of like-minded gentlemen sat down to dinner in London's Great Central Hotel. They were united by one shared interest: a fascination with crime and the workings of the criminal mind. This meeting, occurring in the golden age of literary dinners and good fellowship, marked the birth of the Crimes Club, a concept that quickly developed into a professional and academic society boasting members of the legal and literary elite, with Sir Arthur Conan Doyle, creator of Sherlock Holmes and gregarious bon viveur, at its heart. Until now, the exclusive nature of the club meant that little has been divulged about these aficionados of murder, but Conan Doyle and the

Crimes Club gives readers a thrilling insight into the previously veiled lives of these celebrated men of the time. Recounting their detective investigations, spying escapades and criminous journalism that no doubt inspired Doyle's own literary feats, Stephen Wade explores all manner of criminal activities that were examined and discussed by the club, ranging from wives buried in basements to bodies cast into the River Thames and lovers poisoned with arsenic. A lively and compelling read, Conan Doyle and the Crimes Club provides a unique window into the Edwardian clique of criminologists and gentleman sleuths. Welcome to the club! Illustrations: 30 black and white photographs. **The Burns Supper** Clark McGinn, 2018-12-12. This annual celebration of the life and works of the poet Robert Burns is held in Scotland and across the globe around the anniversary of the poet's birthday in the form of a convivial dinner with particular, some may say peculiar, ritual traditions. When the Reverend Hamilton Paul agreed to arrange the first anniversary dinner for Robert Burns patrons and friends in July 1801, he began a tradition that quite soon became a global celebration. Over two hundred years later, Burns Suppers are held all over the world to commemorate the life and work of a poet beloved wherever people celebrate life, love, and liberty. From its beginning with nine Scotsmen in Burns Cottage to today where over nine million people join in the Burns Supper festivities from the USA to Russia, Australia to China, and somewhere near you. The long and happy story of Burns Night is explored in this history of the annual event which has been called the biggest party in the world. *Clubs and Club Life in London* John Timbs, 1872. *Club Life of London* John Timbs, 1866. **Clubs and club life in London, with anecdotes of its famous coffee houses, hostelrys, and taverns from the seventeenth century to the present time** John Timbs (F.S.A.), 1872. *Aspects of Age, Life and Disease* Sir Humphry Davy Rolleston, 1928. *London Club Life* John Timbs, 2021-05-07. *London Club Life* is a work of social history that presents the pictures of the social life of England's Capital with anecdotes of the clubs, coffee houses, and taverns of the metropolis during the 17th, 18th, and 19th century.
