Of Human Hands Christian At Work In The World:

Life in the Vine Rebekah Francisco Rojcewicz, 2021-01-06 This book intended to serve as a companion to *The Good Shepherd and the Child A Joyful Journey* documents the years of work of catechists with children ages six to twelve in the Level 2 atrium The book draws on the richest mysteries of our faith as recalled with the younger child ages three to six and how these mysteries unfold and expand for the older child *Happiness and the Christian Moral Life* Paul J. Wadell, 2012-02-16 *Happiness and the Christian Moral Life* introduces students to Christian Ethics looking at ethics as a path to the good life and happiness rather than a strict set of rules or regulations Revised and updated throughout the second edition maintains the book's distinctive focus on happiness Each chapter now features a list of suggested readings to point students and instructors towards further resources Other changes to the second edition include a more fully developed account of Augustine's understanding of happiness new discussions of how technology shapes relationships and happiness and consideration of the relationship between the natural law and the virtues *Óscar Romero's Theological Vision* Edgardo Colón-Emeric, 2018-10-30 This ambitious book examines Saint Oscar Romero's words to understand how his thoughts fit into the broader context of Catholic theology On March 24 1980 Archbishop Oscar Romero was assassinated as he celebrated mass in El Salvador He was canonized as a saint by Pope Francis on October 14 2018 Edgardo Colón-Emeric explores the life and thought of Romero and his theological vision which finds its focus in the mystery of the transfiguration Romero is now understood to be one of the founders of liberation theology which interprets scripture through the plight of the poor His theological vision is most succinctly expressed by his saying *Gloria Dei vivens pauper* The glory of God is the poor who lives God's glory was first revealed through Christ to a landless tenant farmer a market woman and an unemployed laborer and they received the power to shine from the church to the world Colón-Emeric's study is an exercise in what Latino theologians call *ressourcement* from the margins or a return to theological foundations One of the first Latin American Church Fathers Romero's theological vision is a sign of the emergence of Christianity in the Global South from reflection Church to source Church The hope for this study is that scholars in the fields of theology religious studies and Latin American studies will be captivated by the doctrine of this humble pastor and inspired to think more clearly and act more decisively in solidarity with the poor *Grace, Governance and Globalization* Martin G. Poulson, Stephan van Erp, Lieven Boeve, 2017-04-06 What role does could or should theology play in current discussions about our political realities Is there a place for theological worldviews in the public conversation about policy making Should theology critically unmask the underlying theological and metaphysical sources of contemporary politics The contributors to this volume reflect on new questions in public and political theology inspired by the theology of Edward Schillebeeckx They discuss a variety of theological traditions and theories that could offer substantial contributions to current political challenges and debate whether theology should contribute to the liberation of communities of poor and suffering people *Journal of Moral*
