These stories are of the father's childhood struggles with poverty, war, and refuge and settlement during the Japanese colonial period and the Korean War. And of a life thereafter of living in South Korea as a farmer. Also, stories of fatherhood full of sincerity, perseverance, caring, tolerance, and love, the roots of life values. Stories that seek to show a sincere life is one that adheres to these values. Not preaching, but self realization The father in the book does not instruct with words, but with actions. He shows respect to even very young children and guides them to self realizations. The author communicates her father's "attitude towards life" in an honest and easy to approach manner. Readers glean moments of self-awareness as they read through the book. The story of the father's life, To all parents and children, spreading the fragrance of these stories to the world People are born, children to someone, and themselves become parents to someone. No person is born as an adult, no person is born a parent. As a child, our reality comes from our parents, and we look upon them as if they are "the world." As we become adults, we come to realize that our parents were once young and awkward themselves. We then begin to pay attention to how they themselves became adults, became parents. Although the beginnings may not be perfect, the constant struggle of a father to live a good life is of great value for their children. Therefore, this book contains valuable stories for all parents of this world, and to all the children who are looking to them. A collection of 31 pieces of beautiful and lyrical artwork Thirty-one pieces of beautiful and lyrical artwork augments and enhances the stories contained in the book and greatly adds to the reading experience and value of the book.,2018-12-25 A father s precious heritage The true meaning of living a good life The author tells a series of stories she had heard from her childhood that were told to her by her father along with her own life long observations of her father s life These stories are of the father s childhood struggles with poverty war and refuge and settlement during the Japanese colonial period and the Korean War And of a life thereafter of living in South Korea as a farmer Also stories of fatherhood full of sincerity perseverance caring tolerance and love the roots of life values Stories that seek to show a sincere life is one that adheres to these values Not preaching but self realization The father in the book does not instruct with words but with actions He shows respect to even very young children and guides them to self realizations The author communicates her father s attitude towards life in an honest and easy to approach manner Readers glean moments of self awareness as they read through the book The story of the father s life To all parents and children spreading the fragrance of these stories to the world People are born children to someone and themselves become parents to someone No person is born as an adult no person is born a parent As a child our reality comes from our

Acts of Love and War Maggie Brookes, 2022-08-23 A remarkable story of love and sacrifice centred on three young English volunteers in the bloody Spanish Civil War from the author of *The Prisoner's Wife* 1936 Civil war is tearing Spain apart and the world is on the brink of chaos Twenty one year old Lucy is frustrated with her constrained life in Hertfordshire teaching and keeping house for her domineering father But she is happy to be living next door to Tom and Jamie two brothers she has known since childhood and whom she loves equally But everyone's lives are turned upside down when Tom the younger decides to join the Republican cause in the bloody war in Spain His older fervently Catholic brother Jamie soon follows but as a reporter for the opposing forces that support General Franco in keeping Spain rigidly authoritarian with the help of both Hitler and Mussolini Lucy decides the only way to ensure the brothers safety is to defy her father and travel to Spain herself and persuade them to come home Yet when she sees the horrific effects of the war on the people especially the children she quickly joins the lifesaving work of the Quaker volunteers who have arrived from almost as many countries as have the International Brigades of fighters Lucy knows that both brothers are in love with her she herself is deeply torn between them The atrocities and casualties mount and Lucy knows that the question of which man she might spend her life with might be irrelevant as the chances of either of them surviving diminish with every passing day This meticulously researched deeply affecting novel is based on real memoirs of the Spanish Civil War It is both a love story and a tribute to the remarkable women who fought with compassion and bravery to save the innocent victims of a war that was a foretaste of the carnage soon to come in World War II
