Thomas Merton Paul R Dekar, 2012-04-26 Thomas Merton was arguably the twentieth century's most widely published and widely read spiritual writer. This book explores Merton's prophetic writings and experience as they offer guidance for those seeking to experience God, to simplify their lives, to live more humanly, and to shape Christian community in the face of alienation, consumerism, noise, and technology. The book includes parts of three previously unpublished conference contributions by Merton on technology, exploring Merton's thoughts on monastic renewal, prayer, radical simplicity, ecology, technology, war, peace, and interfaith dialogue. Dekar reminds us why Merton was so influential and why he continues to be so.

**Thomas Merton: God's Messenger on the Road towards a New World** Paul R. Dekar, 2021-06-02 Thomas Merton, God's Messenger on the Road towards a New World highlights the contribution of the best-selling North American writer between the Second World War and 1968. The Cistercian monk called people to act justly, love kindness, and walk humbly. By his critique of technology, a major impediment for people to follow Jesus, by his writing on contemplative prayer, by his interfaith outreach, and through his witness against racism, war, and degradation of nature, Merton still matters. This book uses Micah 6:8 to organize Merton's focus on justice, lovingkindness, and humility, as well as his dialogue with Rachel Carson, Ernesto Cardinal, Gandhi, Martin Luther King Jr., Thich Nhat Hanh, and others. **The Traveller. A Poem** T. M. Williams, 1820

SCM Studyguide: Biblical Hermeneutics David Holgate, Rachel Starr, 2019-09-30 The SCM Studyguide Biblical Hermeneutics offers entry-level undergraduates a framework for interpreting the Bible. The book goes beyond offering guidance on how to do exegesis and is intended as a practical tool to help readers develop good interpretative strategies for themselves. As such, it features pedagogical tools such as Try It Out boxes to assist students to develop a tested and thought-through overall interpretative strategy of their own. This fully updated 2nd edition takes into account the changing church and world context and the new challenges this context brings as students seek to read the Bible with attentiveness, integrity, and faithfulness. Table of contents: Acknowledgements, Introduction, 1 Where Do We Want to Go, 2 Past Experience and Present Expectations, 3 Tools for Exegesis, 4 Our Reality, 5 Committed Readings, 6 Enabling Dialogue with the Text, 7 Our Goal: Life-Affirming Interpretations, Summary of the Interpretative Process, References and Further Reading, Index of Biblical References, Index of Names, Index of Subjects. Women, Ritual, and Power Elizabeth Ursic, 2014-09-30 Many Christians do not know the Bible contains female images of God because they have never heard nor seen them in church. In *Women, Ritual, and Power*, Elizabeth Ursic gives the reader insight into four Christian communities that worship God with female imagery, both as a worship focus and a community identity. These Methodist, Presbyterian, Lutheran, and Catholic congregations operate within their established church denominations and are led by either ordained Protestant ministers or vowed Catholic sisters. Because expressing God as She can expose strident claims for maintaining God as He, this book shows not only how patriarchy continues to operate in churches today but also how it is being successfully challenged through liturgy.
