Of The Manichaeans:

The Catholic and Manichaean Ways of Life (The Fathers of the Church, Volume 56) Saint Augustine, 2010-04 No description available *Of the Manichaeans* , **On the Morals of the Manichaeans** Saint Augustine, Saint Augustine of Hippo, 2015-06-08 Augustine the man with upturned eye with pen in the left hand and a burning heart in the right as he is usually represented is a philosophical and theological genius of the first order towering like a pyramid above his age and looking down commandingly upon succeeding centuries He had a mind uncommonly fertile and deep bold and soaring and with it what is better a heart full of Christian love and humility He stands of right by the side of the greatest philosophers of antiquity and of modern times We meet him alike on the broad highways and the narrow footpaths on the giddy Alpine heights and in the awful depths of speculation wherever philosophical thinkers before him or after him have trod As a theologian he is facile princeps at least surpassed by no church father schoolman or reformer With royal munificence he scattered ideas in passing which have set in mighty motion other lands and later times He combined the creative power of Tertullian with the churchly spirit of Cyprian the speculative intellect of the Greek church with the practical tact of the Latin He was a Christian philosopher and a philosophical theologian to the full *The Manichean Debate* Saint Augustine, 2006 Contains eight works of Augustine of Hippo against the Manicheans **The Writings Against The Manichaeans And The Donatists** St. Augustine of Hippo, This volume gives a fair sample of Augustin s controversial powers His nine years personal experience of the vanity of Manich ism made him thoroughly earnest and sympathetic in his efforts to disentangle other men from its snares and also equipped him with the knowledge requisite for this task No doubt the Pelagian controversy was more congenial to his mind His logical acuteness and knowledge of Scripture availed him more in combating men who fought with the same weapons than in dealing with a system which threw around its positions the mist of Gnostic speculation or veiled its doctrine under a grotesque mythology or based itself on a cosmogony too fantastic for a Western mind to tolerate 25 But however Augustin may have misconceived the strange forms in which this system was presented there is no doubt that he comprehended and demolished its fundamental principles 26 that he did so as a necessary part of his own personal search for the truth and that in doing so he gained possession vitally and permanently of ideas and principles which subsequently entered into all he thought and wrote In finding his way through the mazes of the obscure region into which Mani had led him he once for all ascertained the true relation subsisting between God and His creatures formed his opinion regarding the respective provinces of reason and faith and the connection of the Old and New Testaments and found the root of all evil in the created will **Anti-Manichaean Writings** Saint Augustine, Saint Augustine of Hippo, 2015-06-07 This collection of the Anti Manichaean Writings of Saint Augustine has all of the following works On the Morals of the Catholic Church On the morals of the Manichaeans On Two Souls Against the Manichaeans Acts or Disputation against Fortunatus the Manichean Against the Epistle of Manichaeus Called Fundamental Reply to Faustus the Manichean Concerning the Nature of Good

Against the Manicheans The Manichaean Body Jason David BeDuhn, 2002-08-23 Award for the Best First Book in the History of Religions from the American Academy of Religion Reconstructing Manichaeism from scraps of ancient texts and the ungenerous polemic of its enemies such as the ex Manichaean Augustine of Hippo BeDuhn reveals for the first time the religion as it was actually practiced He describes the Manichaeans daily ritual meal their stringent disciplinary codes intended to prevent humans from harming plants and animals and their secretive religious procedures designed to transform the cosmos and bring about the salvation of all living beings Overturning long held assumptions about Manichaean dualism asceticism spirituality and the pursuit of salvation The Manichaean Body changes completely how we look at this ancient religion and the environment in which Christianity arose BeDuhn's conclusions revolutionize our understanding of the Manichaeans clearly distinguishing them from Gnostics and other early Christian heretics and revealing them to be practitioners of a unique world religion *Of the Manichaeans* Cappadocia, 2006 **The Manichaeans of the Roman East** Rea Matsangou, 2023-08-28 The Manichaeans of the Roman East is the first monograph that synthesizes an enormous body of primary material to reconstruct the history of East Roman Manichaeans from the time their first missionaries arrived in the territory of the Roman East until the disappearance of Manichaeism from the Eastern Roman Empire Through her systematically comparative and intertextual investigation of the sources Matsangou provides a number of original approaches to issues such as the classification of Manichaeism the socio religious profile and lifestyle of East Roman Manichaeans the triggers of the severe anti Manichaean persecutions She thoroughly analyses the relationship between Manichaean and Christian ascetics for the first time suggesting a possible Manichaean impact on the rise of ascetic manifestations among Christian ascetics monks and individuals in society By considering the dimensions of the phenomenon of crypto Manichaeism and using the concept of entryism borrowed from politics as a theoretical model Matsangou makes intriguing hypotheses suggesting an alternative explanation for the disappearance of Manichaeism from the Roman East

The Writings Against the Manichaeans and Against the Donatists: Part I - The Manichaeans Revised Aurelius Augustine, 2018-07-09 Before converting to Christianity Augustine was at one time a member of a group called the Manichaeans and this collection of works are his attempt to combat the growing threat that this religion caused to the rise and growth of the Christian church The Manichaeans were a dualistic society that focused on the goodness of the spirit and the evil of the material While basing their belief structure of Mesopotamian Gnosticism it is hard to say for certain that they were Gnostic themselves Augustine shows sound arguments to counter the beliefs he reveals in this collection of writings even going so far as to have a verbal parley back and forth with a leading member of the religious movement Fortunatus Now in larger print **The Writings Against the Manichaeans and Against the Donatists Part I - The Manichaeans Revised** Saint Augustine, **On Two Souls** Saint Augustine of Hippo, 2015-06-08 Augustine the man with upturned eye with pen in the left hand and a burning heart in the right as he is usually represented is a philosophical and theological

genius of the first order towering like a pyramid above his age and looking down commandingly upon succeeding centuries He had a mind uncommonly fertile and deep bold and soaring and with it what is better a heart full of Christian love and humility He stands of right by the side of the greatest philosophers of antiquity and of modern times We meet him alike on the broad highways and the narrow footpaths on the giddy Alpine heights and in the awful depths of speculation wherever philosophical thinkers before him or after him have trod As a theologian he is facile princeps at least surpassed by no church father schoolman or reformer With royal munificence he scattered ideas in passing which have set in mighty motion other lands and later times He combined the creative power of Tertullian with the churchly spirit of Cyprian the speculative intellect of the Greek church with the practical tact of the Latin He was a Christian philosopher and a philosophical theologian to the full Manichaean Texts from the Roman Empire Iain Gardner, Samuel N. C. Lieu, 2004-06-03 This 2004 book is a single volume collection of sources for Manichaeism a world religion founded by Mani the Syrian visionary

NPNF1-04. Augustine: The Writings Against the Manichaeans and Against the Donatists , Augustine's Manichaean Dilemma, Volume 2 Jason David BeDuhn, 2013-06-07 By 388 C E Augustine had broken with the Manichaeism of his early adulthood and wholeheartedly embraced Nicene Christianity as the tradition with which he would identify and within which he would find meaning Yet conversion rarely if ever represents a clean and total break from the past As Augustine defined and became a Catholic self he also intently engaged with Manichaeism as a rival religious system This second volume of Jason David BeDuhn s detailed reconsideration of Augustine s life and letters explores the significance of the fact that these two processes unfolded together BeDuhn identifies the Manichaean subtext to be found in nearly every work written by Augustine between 388 and 401 and demonstrates Augustine s concern with refuting his former beliefs without alienating the Manichaeans he wished to win over To achieve these ends Augustine modified and developed his received Nicene Christian faith strengthening it where it was vulnerable to Manichaean critique and taking it in new directions where he found room within an orthodox frame of reference to accommodate Manichaean perspectives and concerns Against this background BeDuhn is able to shed new light on the complex circumstances and purposes of Augustine s most famous work The Confessions as well as his distinctive reading of Paul and his revolutionary concept of grace Augustine s Manichaean Dilemma Volume 2 demonstrates the close interplay between Augustine s efforts to work out his own Catholic persona and the theological positions associated with his name between the sometimes dramatic twists and turns of his own personal life and his theoretical thinking **On Genesis** Saint Augustine, 1990 No description available

Morals of the Manichaeans St. Augustine, 2018-07-31 Containing a particular refutation of the doctrine of these heretics regarding the origin and nature of evil an exposure of their pretended symbolical customs of the mouth of the hands and of the breast and a condemnation of their superstitious abstinence and unholy mysteries Lastly some crimes brought to light among the Manichaeans are mentioned **Jesus in the Manichaean Writings** Majella Franzmann, 2003-11-01 Manichaeism

was a dualistic religious system with Christian Gnostic and pagan elements founded in Persia in the third century by Manes. This is the first full length study of the Manichaean Jesus since the publication of several major Manichaean texts such as the Homilies, Psalm Book and Kephalaia in the 1930s and 1940s. A knowledge of Manichaean Christology is important for any understanding of the development of Christologies in the early centuries CE whether within mainstream Christianity or within associated heterodox groups. This book undertakes a comprehensive study of six distinct figures of Jesus that can be found in both Eastern and Western Manichaean literature. Previous partial studies of Manichaean Christology have tended to restrict their focus to texts from either Eastern or Western traditions alone. Majella Franzmann argues that a single Manichaean Jesus can be discerned behind the many different representations to be found.
