Of This Time Of That Place And Other Stories:

Of this Time, of that Place, and Other Stories Lionel Trilling, Diana Trilling, 1981-01-01 **The Path of Duty, and Other Stories** Harriet S. Caswell, 2018-09-20 Reproduction of the original *The Path of Duty and Other Stories* by Harriet S Caswell

Reno (by the) in the Lake and Other Stories Jim Hartman, 2010-03-31 I guess in truth *Reno by the in the Lake* is my Autobiography Light The material is indeed autobiographical in that little has been gleaned from any outside source and it is definitely light both in serious content and the serious nature often portrayed by an autobiography So read on just for fun Reno Beach was a magical place in the 1920s 30s 40s and 50s a resort town that never really quite reached its prime It had however attained great stature in the hearts and minds of all it entertained especially in the imagination of a young boy who could see adventure even in the smallest buttonhole or banal blemish In his mind a vegetable garden became a wilderness plantation An overturned rowboat became a fortress a pirate s treasure cave or a magician s maudlin mansion A willow tree only recently uprooted by the wind and waves of an angry possessive lake trying desperately to reclaim its own this became the perfect home for Tarzan Jimmie of the Apes The fact that I m even writing this book belies the fact that the place and that little boy still live if only in my imagination The stories you re about to read are about that small waterfront community just east of Toledo Ohio on the western end of Lake Erie and how it s life death and frequent revitalizations affected the life of one small boy namely me The stories are absolutely true except as altered by an aging memory wishful thinking and delusions of grandeur not necessarily in that order and they represent some of the very best days of my life I ve been told that it s good to share your very best I hope you enjoy reading my stories nearly as much as I enjoyed living them The writing s been fun too Some names and places may have been altered to protect the innocent and or the guilty but not many Some may also be changed just because I ve forgotten or don t really know what I m talking about Please forgive me Many may recognize themselves a friend or family member in some of these stories and each one probably deserves whatever treatment or attention they received either good or bad This book is intended to be a Bathroom Book This is not a negative For those unable to grasp this creative terminology I provide the following explanation in the form of a prescription Take in small doses Continuous exposure could be hazardous to your health and could lead to an abrasive situation requiring an immediate application of Preparation H This does not imply that either you the reader or the writer is full of Anything Should you disapprove of any of the material in this book please feel free to remove the offending pages and put them to better use right there in the Reading Room solving the problems of the moment I m sure you understand Enjoy Life is short Don t waste it on seriousness *LOVE OF LIFE AND OTHER STORIES* JACK LONDON, 1912 **What Remains and Other Stories** Christa Wolf, 1995-12 What Remains collects Christa Wolf s short fiction from early work in the sixties to the widely debated title story first published in Germany in 1990 Addressing a wide range of topics from sexual politics to the nature of memory these powerful and often very personal stories offer a fascinating introduction to Wolf s work What Remains and Other

Stories is clear and farsighted The eight heartfelt stories in the book show why she has been respected as a serious author since her 1968 novel *The Quest for Christa T* Wolf uses her own experiences and observations to create universal themes about the controls upon human freedom Herbert Mitgang New York Times Christa Wolf has set herself nothing less than the task of exploring what it is to be a conscious human being alive in a moment of history Mary Gordon New York Times Book Review The simultaneous publication of these two volumes offers readers here a generous sampling of the short fiction speeches and essays that Wolf has produced over the last three decades Mark Harman Boston Globe [Typhoon and other stories](#) Joseph Conrad,1924 **The Alien in My E-Mail and Other Stories** Wolfgang Niesielski,2012-05-03 Most of us have encountered frustrating incidents in our lifetimes For humor columnist Wolfgang Niesielski one of his most exasperating moments involves an expensive hotel room a faulty thermostat and a patronizing front desk clerk only to be rescued by two gentlemen who after conferring with each other in hushed tones change their pleasant demeanor into the serious mien of surgeons before a heart transplant operation In this compilation of his humor columns Niesielski provides an amusing take on everyday experiences See what its like to have an evil cyber presence monopolize your e mail account understand the overwhelming differences between first class and tourist class on an airplane and find out why its important to choose the right gift for a loved one even if it is a Salad Shooter or an electric nail file buffing system From learning how unforgiving Mother Nature truly is when he forgets how to water the lawn to the moment when he discovers he is a procrastinator in the worst way Niesielski illustrates what fun life can be when one learns to laugh at himself *The Alien in My E Mail and Other Stories* takes others on a delightful ride through one mans wacky life Salad Shooter and all **The Necklace of Princess Fiorimonde and Other Stories** Mary De Morgan,2024-05-23 Rediscover a Victorian era collection of fairy tales Employing sorcery a wicked princess wears the princes and kings who desire to marry her as crystal beads strung on a gold chain around her neck A musician searches the world for his missing wife unaware that elves have transformed her into the golden harp he plays every day A determined prince embarks on a quest to find the evil fairy who stole the heart of his beloved princess These are just a few of the inventive and captivating stories in this fine new edition of Mary De Morgan s fairy tales *The Necklace of Princess Fiorimonde and Other Stories* 1880 Despite her fairy tales being well known and loved during her time De Morgan has been overlooked by history and largely forgotten Considered one of the earliest feminist writers her influential fairy tales often reflected her social and political ideologies including reform for women Featuring strong heroines and subverted gender roles her untraditional stories often eschewed wealth and power and occasionally ended sadly with no happily ever after Also included in this new edition is the story *Through the Fire* from *On a Pincushion* 1877 De Morgan s first published book of fairy tales Immerse yourself in a young boy s adventure as he journeys to the North Pole on a mission for the fire Princess Fans of Hans Christian Anderson and George MacDonald will adore De Morgan s rediscovered collection of fairy tales Foreword by Dr Marilyn Pemberton *Out of the Shadows The Life and Works of*

The Continental Op is short, fat, and aging, but don't let his appearance deceive you. Handy with a gun and always willing to take a roundhouse to the chin, the Op is the toughest sleuth San Francisco has ever seen. And when a rich Englishwoman hires him to find her estranged husband, the Op thinks he's in for an easy job. But the husband is an addict, last seen in Tijuana, and finding him will take the hardboiled detective past the border and into a hellhole called the Golden Horseshoe.
