**Drinking: A Love Story** Caroline Knapp, 1997-05-12 Fifteen million Americans a year are plagued with alcoholism Five million of them are women Many of them like Caroline Knapp started in their early teens and began to use alcohol as liquid armor a way to protect themselves against the difficult realities of life In this extraordinarily candid and revealing memoir Knapp offers important insights not only about alcoholism but about life itself and how we learn to cope with it It was love at first sight The beads of moisture on a chilled bottle The way the glasses clinked and the conversation flowed Then it became obsession The way she hid her bottles behind her lover s refrigerator The way she slipped from the dinner table to the bathroom from work to the bar And then like so many love stories it fell apart Drinking is Caroline Kapp s harrowing chronicle of her twenty year love affair with alcohol Caroline had her first drink at fourteen She drank through her yeras at an Ivy League college and through an award winning career as an editor and columnist Publicly she was a dutiful daughter a sophisticated professional Privately she was drinking herself into oblivion This startlingly honest memoir lays bare the secrecy family myths and destructive relationships that go hand in hand with drinking And it is above all a love story for our times full of passion and heartbreak betrayal and desire a triumph over the pain and deception that mark an alcoholic life Praise for Drinking Quietly moving Caroline Knapp dazzles us with her heady description of alcohol s allure and its devastating hold Los Angeles Times Book Review Filled with hard won wisdom a perceptive and revealing book San Francisco Chronicle Eloquent a remarkable

exercise in self discovery The New York Times Drinking not only describes triumph it is one Newsweek Memory, Love and its Discontents Rod Myer,2023-02-01 There was a foundation myth I craved connection to as a child that had a kind of quiet but powerful hold over me At times I would look beyond those granite hills seeking the Russia my paternal grandfather had come from which an instinct told me contained some reality that would help form me I wondered what the villages fields and forests would look like Rod Myer has had an unusual and interesting life A member of the celebrated Myer family he had an adventurous spirit and explored his identity through travelling and research A farm kid born in Kelly country he had premonitions and yearnings which led to mustering cattle with Aboriginal people in the Top End He worked in politics and journalism and discovered family secrets which led to revelations about his Jewish roots in Eastern Europe something that altered his life completely That past I believe stays with us as life is not a linear progression It is more a series of spirals drawing on a spiritual world to nourish our progress through our own reality That reality is built on the past and the present concurrently and at times I feel the honour of my forebears touching and inspiring me now **A Memory for Wonders** Veronica Namoyo Le Goulard,2010-09-02 Here for the first time is a captivating autobiography of a French girl raised in the wild Moroccan frontier by her communist parents who fled France and vowed that no one would speak to her of God and influence the development of her mind with oppressive superstition Everything in her education environment and training was targeted toward making her a perfect product of Marxist atheism She sucked anti Catholicism with her mother s milk But God had other plans for Lucette Emotionally neglected by her parents Lucette became a difficult child leading a colorful life full of mischievous adventure all the while experiencing an unutterable loneliness But the Hound of Heaven was gently pursuing her At the age of three upon witnessing the overwhelming beauty of a sunset after a violent sirocco sand storm she gained the unshakable certainty that this beauty was created and that there was a God She began to pray That was the first link in a chain of remarkable events that grace alone could forge which led her to embrace the faith and become a Poor Clare nun in Algiers Disowned by her parents she put all her trust in Him for whom all things are possible Her faith was rewarded with a dramatic answer to the prayers of her heart Lucette now Mother Veronica Namoyo is an Abbess and foundress of two flourishing monasteries in Africa This compelling book is bound to touch many souls and is an eloquent testimony that grace love prayer and sacrifice can conquer the world because they can conquer man s rebellious heart Alice von Hildebrand
