**Proverbs, Maxims, and Phrases of All Ages** ,1887      *Proverbs, Maxims and Phrases of All Ages* Robert Christy,1904  
Short Patent Sermons Dow (Jr.),1841      **Dow's Patent Sermons** Dow (Jr.),1857      **Short patent sermons, by "Dow, Jr."** **Originally published in the New-York Sunday Mercury. Revised and corrected** ,1841      A Short History of the United States for School Use Edward Channing,1908 This is a pre 1923 historical reproduction that was curated for quality. Quality assurance was conducted on each of these books in an attempt to remove books with imperfections introduced by the digitization process. Though we have made best efforts the books may have occasional errors that do not impede the reading experience. We believe this work is culturally important and have elected to bring the book back into print as part of our continuing commitment to the preservation of printed works worldwide.

*Dictionary of Typical Command Phrases* Richard W. Wetherill,2009-08-26 Unchain Your Brain Release Illogical Thoughts If you have problems you cannot seem to solve or relationships you cannot seem to work out you should get this book. People unknowingly lock their brains in chains. As Wetherill makes clear in HOW TO SOLVE PROBLEMS AND PREVENT TROUBLE people's behavioral problems are caused by their emotionally charged commands to themselves. You can unthink your way out of problems. Introduction. Whosoever looketh on a woman to lust after her hath committed adultery with her already in his heart. Those words are often quoted but seldom understood. What they mean is that we think our way into trouble. Most of us are proud of our brainpower but we are not proud of our ability to get into trouble. That is something we do inadvertently until we understand. The process by which we do it is extremely subtle. Lust for example is an emotion that has the effect of driving a person in a wrong direction while reducing his intelligence. He is busy with consideration of what he wants. Therefore he does not realize what he is doing to his mind. As everybody who understands the law of absolute right is aware he is installing distortions of logic. What is a distortion of logic? It is a wrong idea accepted as a right idea, an untruth accepted as a truth, an emotional command to self. Once installed it operates as if by compulsion. If ever I get the chance a young person might say to himself I'll certainly take advantage of it. He or she may suppose he is engaged in harmless but pleasant reverie instead he is moving into a mental trap. He may assert that by today's standards sexuality is no sin and he may argue that fantasizing about it has no really harmful effects but such considerations are beside the point. The point is that he has deprived himself of volition on that topic.
