**Bogowie: A Study of Eastern Europe's Ancient Gods** T.D. Kokoszka, 2023-08-25 T D Kokoszka grew up in Texas with a Jewish mother and a Polish American father While he was aware of roots going back to Eastern Europe from both families he found it hard to learn very much about them He knew that Polish people would whack one another with palm leaves around Easter and he knew that his great grandmother purportedly believed in forest spirits known as *borowy* However it wasn't until he was in his teens that he became vaguely aware of an ancient people known as the Slavs who gave rise to the Polish Ukrainian Russian Serbian Bulgarian Slovakian Slovene and Czech languages It quickly became clear to him that this was a family of cultures currently under represented in popular culture and even in western scholarship Not simply a regurgitation of scholarship from the Soviet period and presenting new analyses by using previously neglected resources *Bogowie A Study of Eastern Europe's Ancient Gods* offers one of the most painstaking scholarly reconstructions of Slavic paganism These new resources include not only an overview of folklore from many different Slavic countries but also comparisons with Ossetian culture and Mordvin culture as well as a series of Slavic folktales that Kokoszka analyzes in depth often making the case that the narratives involved are mythological and shockingly ancient Readers will recognize many European folktale types and possibly learn to look at these folktales differently after reading this book

**Twilight of the Godlings** Francis Young, 2023-03-30 A bold and field defining exploration of the cultural and religious origins of Britain's

small gods fairies and other supernatural beings      Nordic Religions in the Viking Age Thomas Andrew DuBois,1999-08-03  
Thomas DuBois unravels for the first time the history of the Nordic religions in the Viking Age A seminal study of Nordic religions that future scholars will not be able to avoid Church History      **The Tradition of Household Spirits** Claude Lecouteux,2013-07-21 Examines how the ancient customs of constructing and keeping a house formed a sacred bond between homes and their inhabitants Shares many tales of house spirits from cajoling the local land spirit into becoming one's house spirit to the good and bad luck bestowed by mischievous house elves Explains the meaning behind door and window placement house orientation horsehead gables the fireplace or hearth and the threshold Reveals the charms chants prayers and building practices used by our ancestors to bestow happiness and prosperity upon their homes and their occupants Why do we hang horseshoes for good luck or place wreaths on our doors Why does the groom carry his new bride over the threshold These customs represent the last vestiges from a long rich history of honoring the spirits of our homes They show that a house is more than a building it is a living being with a body and soul Examining the extensive traditions surrounding houses from medieval times to the present Claude Lecouteux reveals that before we entered the current era of frequent moves and modular housing moving largely from the countryside into cities humanity had an extremely sacred relationship with their homes and all the spirits who lived there alongside them from the spirit of the house itself to the mischievous elves fairies and imps who visited invited or not He shows how every aspect of constructing and keeping a house involved rites ceremony customs and taboos to appease the spirits including the choice of a building lot and the very materials with which it was built Uncovering the lost meaning behind door and window placement the hearth and the threshold Lecouteux shares many tales of house spirits from the offerings used to cajole the local land spirit into becoming the domestic house spirit to the good and bad luck bestowed upon those who seek the help of the Little Money Man He draws on studies and classic literature from old Europe from Celtic lands and Scandinavia to France and Germany to the far eastern borders of Europe and into Russia to explain the pagan roots behind many of these traditions Revealing our ancestors charms prayers and practices to bestow happiness and prosperity upon their homes Lecouteux shows that we can invite the spirits back into our houses old or new and restore the sacred bond between home and inhabitant      *Women and Gender in Central and Eastern Europe, Russia, and Eurasia* Mary Zirin,Irina Livezeanu,Christine D. Worobec,June Pachuta Farris,2015-03-26 This is the first comprehensive multidisciplinary and multilingual bibliography on Women and Gender in East Central Europe and the Balkans Vol 1 and The Lands of the Former Soviet Union Vol 2 over the past millennium The coverage encompasses the relevant territories of the Russian Hapsburg and Ottoman empires Germany and Greece and the Jewish and Roma diasporas Topics range from legal status and marital customs to economic participation and gender roles plus unparalleled documentation of women writers and artists and autobiographical works of all kinds The volumes include approximately 30 000 bibliographic entries on works published through the end of 2000 as well as web sites and unpublished dissertations

Many of the individual entries are annotated with brief descriptions of major works and the tables of contents for collections and anthologies The entries are cross referenced and each volume includes indexes

**Cultural Semiotics** Anna Maria Lorusso,2015-10-21 Through a reevaluation of the work of some of the most important thinkers of the twentieth century this book details how semiotics social sense and social communication can function together to analyze how culture works in the contemporary era

**Demons and Spirits of the Land** Claude Lecouteux,2015-07-17 An exploration of the wild spirits that once roamed the lands and inhabited the waters and the pagan rites used to gain their good will Explores medieval stories and folk traditions of brownies fairies giants dragons will o the wisps and demons Explains the specific rites performed to negotiate with the local spirits and ensure their permission before building on new land Shows how these beliefs carried through to modern times especially in architecture Our pagan ancestors knew that every forest has brownies and fairies every spring its lady and every river malevolent beings in its depths They told tales of giants in the hills dragons in the lakes marshes swarming with will o the wisps and demons and wild folk in the mountains who enjoyed causing landslides avalanches and floods They both feared and respected these entities knowing the importance of appeasing them for safe travel and a prosperous homestead Exploring medieval stories folk traditions spiritual place names and pagan rituals of home building and site selection Claude Lecouteux reveals the multitude of spirits and entities that once inhabited the land before modern civilization repressed them into desert solitude impenetrable forests and inaccessible mountains He explains how to our ancestors enclosing a space was a sacred act Specific rites had to be performed to negotiate with the local spirits and ensure proper placement and protection of a new building These land spirits often became the household spirit taking up residence in a new building in exchange for permission to build on their territory Lecouteux explores Arthurian legends folk tales and mythology for evidence of the untamed spirits of the wilderness such as giants dragons and demons and examines the rites and ceremonies used to gain their good will Lecouteux reveals how despite outright Church suppression belief in these spirits carried through to modern times and was a primary influence on architecture an influence still visible in today s buildings The author also shows how our ancestors concern for respecting nature is increasingly relevant in today s world

**The Oxford Handbook of Slavic and East European Folklore** Margaret H. Beissinger,2025-03-28 The Oxford Handbook of Slavic and East European Folklore provides a broad survey of the folklore of the Slavic and East European world Russia Ukraine and the Baltics as well as Central and Southeastern Europe The volume contains forty three chapters that offer an array of distinctive yet comparable traditions and genres It includes folklore of the life cycle calendrical cycle traditions magic and folk belief

folktales epic lyric songs proverbs and jokes local Romani Muslim and Jewish musical genres and material culture The handbook presents an assortment of oral traditions for an audience of folklorists students and scholars who wish to explore the rich expressive culture of the Slavic and East European world Past and Present Lithuanian Polyphonic Sutartinės Songs Daiva Račiūnaitė-Vyčinienė, 2024-02-27 Sutartinės the especially ancient form of often sacred Lithuanian music is enjoying a renaissance mostly in Lithuania's cities Since UNESCO recognized these unique dissonant sounds originating from Lithuania's Aukštaitija Uplands ethnographic region as part of our Intangible Cultural Heritage in 2010 in depth studies have flourished This book presents the latest analogies discovered in distant examples of the genesis and ethnogenesis of foreign folk music examples not only in neighboring lands but as far away as the Ainu subculture of Japan It presents the latest findings and analyses of the hymns once said to be conveyed by laumės mythical beings later demoted to witches during this music's demise This study supplements perceptions from Lithuanian and foreign ethnomusicologists with data from ethnology archaeology linguistics and other sciences and areas of scholarship and thereby encourages even more studies in this field **When the Norns Have Spoken** Anthony Winterbourne, 2004 One of the most striking aspects of the process of conversion of paganism into Christianity is the manner in which certain key religious concepts were modified without being totally obliterated from the new religious language Residual pagan beliefs persevered at least for a time notably that concerning fate The argument concludes that only after pagan fate was transformed into the concept of god's Providence could the problem of death and salvation in relation to God's power be made fully manifest Fate had become linked with death as a new beginning within Christian eschatology and was thus finally temporalized BOOK JACKET

**(Inter)Cultural Dialogue and Identity in Lithuanian Literature** Irena Ragaišienė, Adelheid Rundholz, 2023-10-09 This book illustrates that the idea of a national literature is profoundly problematic Chapters on boundaries and crisscrossing show how a nation and its writers works do not exist in isolation from their history Stressing migration and inter cultural dialogue authors explore how the characters in the texts establish a sense of belonging both within the context of migrations and within the context of Lithuania since its independence The final series of essays in this book discusses Lithuanian literature abroad that is in translation **Museums of Language and the Display of Intangible Cultural Heritage** Margaret J.-M. Sönmez, Maia Wellington Gahtan, Nadia Cannata, 2019-12-09 Museums of Language and the Display of Intangible Cultural Heritage presents essays by practitioners based in language museums around the world Describing their history mission and modes of display contributors demonstrate the important role intangible heritage can and should play in the museum Arguing that languages are among our most precious forms of cultural heritage the book also demonstrates that they are at risk of neglect and of endangerment from globalisation and linguistic imperialism Including case studies from across Europe North America Africa and Asia this book documents the vital work being done by museums to help preserve languages and make them objects of broad public interest Divided into three sections contributions to the book focus on one

of three types of museums museums of individual languages museums of language groups both geographic and structural and museums of writing The volume presents practical information alongside theoretical discussions and state of the art commentaries concerning the representation of languages and their cultural nature Museums of Language and the Display of Intangible Cultural Heritage is the first volume to address the subject of language museums and as such should be of interest to academics researchers and postgraduate students in the fields of museum and cultural heritage studies applied linguistics anthropology tourism and public education Handbook of New Religions and Cultural Production ,2012-03-28 The cultural products of new religions and spiritualities are frequently ignored or dismissed within academia often stemming from a hesitation to acknowledge these movements as genuine This volume explores the impact of new religions upon cultural production exemplifying the theological and spiritual principles of particular movements and demonstrating their substantial impact on wider society Contributions explore the realms of music architecture food art books films video games and more This scholarship will be of interest to those who wish to explore the gamut of modern religious expression and those who wish to broaden their knowledge of the spiritual origins of human culture Encyclopedia of Fairies in World Folklore and Mythology Theresa Bane,2013-09-18 Fairies have been revered and feared sometimes simultaneously throughout recorded history This encyclopedia of concise entries from the A senec ki waku of northeastern North America to the Zips of Central America and Mexico includes more than 2 500 individual beings and species of fairy and nature spirits from a wide range of mythologies and religions from all over the globe *Indo-European Poetry and Myth* M. **Historical Dictionary of Lithuania** Saulius A. Suziedelis,2011-02-07 The Lithuanian people have undergone historic changes quite different from those of other European nations In earlier centuries geography provided strategic advantage and opportunities for expansion but in recent times the country has more often experienced location as a geopolitical curse After constantly losing territory and shrinking in size the country disappeared in 1795 However after World War I a popular

national movement led to the restoration of Lithuania as an independent state World War II and its bloody aftermath brought foreign occupation as well as genocide mass murder and destruction unparalleled in the country s modern history The restoration of independence in 1990 has fundamentally altered Lithuania s geopolitical reality Integration into the European Union and the North Atlantic Treaty Organization promise a new level of security for the Lithuanian state in the 21st century even as the social and economic transformations present both promising opportunities and difficult challenges The second edition of the Historical Dictionary of Lithuania will serve as a useful introduction to virtually all aspects of Lithuania s historical experience including the country s relations with its neighbors This is done through a chronology an introductory essay an extensive bibliography and over 300 cross referenced dictionary entries on significant persons places and events institutions and organizations and political economic social cultural and religious facets
