**Professing Darkness** D. Marcel DeCoste, 2024-05-01 *Professing Darkness* confirms the centrality of Catholic thought, imagery, and sacrament to the spiritual and ethical outlook of the work of Cormac McCarthy and more specifically its consistent assessment of Enlightenment values and their often catastrophic realization in American history. D. Marcel DeCoste surveys McCarthy's fiction from both his Tennessee and Southwest periods with chapters devoted to eight of his published novels from *Outer Dark* to *The Road* and a conclusion that examines the writer's screenplay for *The Counselor* and the duology of *The Passenger* and *Stella Maris*. DeCoste's attentive wide-ranging interpretations demonstrate that McCarthy's work mounts a sustained critique of core Enlightenment ideals and their devastating results in the American context, especially for Indigenous peoples, the environment, the viability of community, and the integrity of a self irreducible to the status of a commodity. *Professing Darkness* shows that Roman Catholic understandings of Penance and Eucharist, along with specific Catholic teachings such as those regarding the goodness of Creation, the nature of evil, the insufficiency of the self, and the radical invitation to conversion, enable McCarthy's revelatory engagement with American Enlightenment. An important contribution to the ever-expanding critical literature on a towering contemporary author, *Professing Darkness* offers an innovative reading of both the spiritual and political valences of McCarthy's writing.

Angier, 2016-12-05 Arguably Søren Kierkegaard and Friedrich Nietzsche are the two most significant moral philosophers of the nineteenth century their works showing a

remarkably trenchant and penetrating awareness of key ethical issues while demonstrating a stylistic flair that is rare in philosophical writing Angier argues that despite the perceived stylistic opacity of these thinkers their work does admit of comparison and rigorous analytic scrutiny which in turn yields new and significant insights into their philosophy In this book Angier expounds the view that Kierkegaard both anticipated and subjected to detailed critique Nietzsche's central arguments in moral philosophy exposing the weaknesses of what were to become the core Nietzschean positions and realizing the powerful attraction for people that these ideas would have Angier brings this critique to our modern attention and defends the prefigured Kierkegaardian critique of Nietzsche     Evil, Anger, and God Milton Crum, 2008-05 Evil in Scripture denotes both suffering and behavior that causes it Anger often follows suffering Anger at people is condemned but anger at God is accepted because biblical faith portrays God as inflicting evil This faith calls for an understanding of language about God acting and a biblical theodicy revealing God's goodness both are provided Portrayals of God as inflicting evil do not deny that factually humans inflict it so the witness about human sin is included Final chapters offer biblical deliverances from evil

*Salvation and Hell in Classical Islamic Thought* Marco Demichelis, 2018-07-12 Salvation and Hell in Classical Islamic Thought uses classical Islamic sources to trace the development of Islamic eschatology during the formative centuries of Islamic intellectual history Marco Demichelis draws on classical Islamic scholars including Ibn Sina al Ghazali Ibn Taymiyya and Ibn Qayyim al Jawziyya to bring together concepts from Islamic philosophy theology and mysticism including proto Sufism to examine the interplay of these concepts between these traditions The doctrines of salvation from Hell are examined in depth in particular the theory of the annihilation of Hell which proposes the idea that there will be a time when Hell will be empty and no longer inhabited This is the first book to examine Islamic eschatology in the classical period and adds to the growing scholarship on Islamic views on salvation and the eternity of Hell It will be essential reading for scholars of Islamic intellectual history theology and comparative religion     *Understanding and Knowing God* Roan Rickard, 2018-11-12 Though unseen and unheard the God of the Bible exists Religious wars and atrocities in the history of the Christian West may cause many to disbelieve in God or see Him in a negative light God did not cause these horrors nor is He responsible for these or any other sins of man God is in fact love as John described Him Much of popular culture today reviles God based upon spiritually naive opinions What of pain suffering inequity and injustices How can we say that God is love in the face of this

reality Understanding such difficult questions requires development of a spiritually informed perspective Consider if the God of the Bible exists God Almighty our creator surely He must be competent to reveal Himself to us Indeed He is competent and biblical scripture reveals God to mankind Yet God is an elegant personality and scripture is an elegant message Knowing Him and comprehending His scripture require effort The mendicant seeking God and studying scripture must yield heart and mind to renewal unlearn many biases learn new and astonishing ideas and become susceptible to God's Spirit informing retraining and transforming us Spiritual objectivity is possible This book is the product of one adult life spent tenaciously seeking God The author declares that the biblical God does exist He is understandable and knowable Life with God with God dwelling with us and within us is our greatest birthright By God's design we are all children of God As children of God we have a glorious spiritual inheritance available to us if only we can lift our eyes upon it and make it our own This book has been written to help people everywhere cut through the philosophical theological social cultural and spiritual static of our times that they might walk with God as Enoch Abraham Moses David or Elijah walked Our intimacy with God can and should be as vibrant and constant as any Bible hero we could name To this end bringing people into not only relationship but also spiritual intimacy with God this book was written

**The Gravity of Sin** Matt Jenson, 2007-02-08 Matt Jenson argues that the image of being curved in on oneself is the best paradigm for understanding sin relationally that it has sufficient explanatory breadth and depth to be of service to contemporary Christian theology He looks to Augustine as the Christian source for this image in his various references to humanity's turn to itself though the threads of a relational account of sin are not drawn together with any systematic consequence until Martin Luther's description of *homo incurvatus in se* in his commentary on Romans Luther radicalizes Augustine's conception by applying this relational view of sin to the *totus homo* and by emphasizing its appearance above all in *homo religiosus* The Western tradition of sin understood paradigmatically as pride has been recently called into question by feminist theologians Daphne Hampson's critique of Luther on this front is considered and critiqued Though she is right to call attention to the insufficiency of his and Augustine's myopic focus on pride the question remains whether *incurvatus in se* can operate paradigmatically as an umbrella concept covering a far wider range of sins Karl Barth's extension of *incurvatus in se* to apply more broadly to pride sloth and falsehood suggests that incurvature can do just that

**Sex, Love, and Friendship** Adrienne Leigh McEvoy, 2011-08 The joke is that all the prostitutes go on vacation when the philosophers come to town The reason that the other conventioners do it philosophers just talk about it And talk about sex and love and friendship is what the contributors to this volume do They talk and argue split hairs and clarify all trying to advance our understanding of this most interesting practice of the human species Some of the best minds on three continents from four nations and eighteen of the United States discuss such topics as adultery commitment cross dressing gender politics date rape family friendship friends as lovers gayness love marital pluralism marriage prostitution religiously motivated anti queer sentiments same sex marriage seduction and self respect Rather than

preach participants probe our attitudes and practices involving these issues with the aim of better understanding the broad range of sexual practices of our species The result is a collection of stimulating essays that can enliven class discussions as well as provide guidance for the sexually perplexed The work is accessible to readers from high school through college and beyond A History of Psychology in Western Civilization Bruce K. **How To Make A Negro Christian** Kamau

Makesi-Tehuti, 2006-03-31 What will be the benefit of giving enslaved Afrikans christianity It is a matter of astonishment that there should be any objection at all for the duty of giving religious instruction to our Negroes and the benefits flowing from it should be obvious to all The benefits we conceive to be incalculably great and one of them is there will be greater subordination amongst the Negroes page 52 The Seer , 1853

Christian megastar and host takes a courageous and controversial stand on religion that proposes a hell less Christianity and a gospel of inclusion that calls for an end to local and worldwide conflicts and divisions along religious lines In *The Gospel of Inclusion* Bishop Carlton Pearson explores the exclusionary doctrines in mainstream religion and concludes that according to the evidence of the Bible and irrefutable logic they cannot be true Bishop Pearson argues that the controlling dogmas of religion are the source of much of the world s ills and that we should turn our backs on proselytizing and holy wars and focus on the real good news that we are all bound for glory everybody is saved and if we believe God loves all mankind then we have no choice but to have the same attitude ourselves Bishop Pearson tells the story of how he had gone from a powerful religious figure once preaching to an audience of over 6 000 people to watching everything he had built crumble around him due to a scandal Why He didn t steal money nor did he have inappropriate sexual relationships Following a revelation from God he began to preach that a loving God would not condemn most of the human race to hell because they are not Christian He preaches that God belongs to no religion *The Gospel of Inclusion* is the inspiring journey of one man s quest to preach a new truth
