IRISH WAYS

The story of Ireland in song,
music and poetry

*"The words of the people in the songs of our nation, represent
a unique, vivid and accessible insight into the story of Ireland,
giving voice to the views of a people often denied all other means of
expression and dissent. Long may our songs be written and sung,
let the voice of the people be heard"*

Of Irish Ways

Of Irish Ways:

Of Irish Ways Mary Murray Delaney, 1980 Irish Ways Jane Barlow, 1911 **The Making of English National Identity** Krishan Kumar, 2003-03-13 Why is English national identity so enigmatic and so elusive Why unlike the Scots Welsh Irish and most of continental Europe do the English find it so difficult to say who they are The Making of English National Identity first published in 2003 is a fascinating exploration of Englishness and what it means to be English Drawing on historical sociological and literary theory Krishan Kumar examines the rise of English nationalism and issues of race and ethnicity from earliest times to the present day He argues that the long history of the English as an imperial people has as with other imperial people like the Russians and the Austrians developed a sense of missionary nationalism which in the interests of unity and empire has necessitated the repression of ordinary expressions of nationalism Professor Kumar's lively and provocative approach challenges readers to reconsider their pre conceptions about national identity and who the English really are **Irish Ways ...
