**A Mother's Journey of Love, Death, and Forgiveness** Jackie Loret de Mola, 2020-06-12 A Mother's Journey of Love, Death, and Forgiveness By Jackie Loret de Mola Jackie Loret de Mola's life was changed forever on September 22, 2017, when her thirty-three-year-old son Frank's car was hit from behind at a stop in traffic and he later succumbed to his injuries. This book is a collection of her day-to-day journal entries and social media posts that provide an intimate glimpse into the pain and disbelief she felt in the days and weeks that followed. Her raw emotions and thoughts and her forgiveness of the driver are an inspiring testament to the power of faith and love. Above all, A Mother's Journey of Love, Death, and Forgiveness conveys the love that a mother has for her child. Frank Loret de Mola's life blessed everyone around him and as an organ donor, he blessed four very sick people. She hopes her book will inspire readers to consider organ donation and to consider the brevity of life and the importance of loving our families

*Journey with Death* Rohit Mehta, 2007-01-01 The Journey with Death deals with the problem of death as well as the problem of life Avoiding the traditional approach to death with consists of a description of the after death condition the author has tried to find a solution for the problems of survival and reincarnation of communication with the dead and of the interval between two lives He has also dealt with the problem of separation which death poses to ordinary men and women The author would prefer to call the so called dead as only the departed with whom one can establish links of communication through a journey into realms of consciousness Out of the depths of his own experience in watching the shadow of death fall on one who has loved and cherished Rohit Mehta has sought answers to the perennial questions that have haunted the human heart and mind for untold ages What is death Why does it come Whither does it take one Is death the end of existence Can we recognize each other Mehta deals with these queries not merely from a philosophical basis of understanding the events and conditions peculiar to the after death states but he takes the reader step by step on a journey of discovery that satisfies the inner longing for assurance and inspires the heart in its quest for peace which is also the profound mystery of life itself
