David Post, 2005-01-01 *Nothing To See Here* spans one summer in the life of psychiatrist Alan Sarnower an ordinary citizen who finds himself in extraordinary circumstances when his wife suddenly leaves him and their young son in the middle of a psychotic episode When she returns unexpectedly with a new lover and announces her intention to get a divorce his own life and sanity begin to unravel As the divorce process grinds on he forgets appointments and lets responsibilities slide An affair with his seductive secretary provides only temporary relief from a frightening descent into mental illness Now finally sicker than his own patients as people and events are misinterpreted and doors begin to close his comfortable suburban life recedes and murder becomes the only option left Monthly Catalog of United States Government Publications, 1979 **Monthly Catalogue, United States Public Documents**, 1978 *C.C.C.
