Stamm,1996-07 **American Burial Ground** Sarah Keyes,2023-10-24 In popular mythology the Overland Trail is typically a triumphant tale with plucky easterners crossing the Plains in caravans of covered wagons But not everyone reached Oregon and California Some 6 600 migrants perished along the way and were buried where they fell often on Indigenous land As historian Sarah Keyes illuminates their graves ultimately became the seeds of U S expansion By the 1850s cholera epidemics ordinary diseases and violence had remade the Trail into an American burial ground that imbued migrant deaths with symbolic power In subsequent decades U S officials and citizens leveraged Trail graves to claim Native ground Meanwhile Indigenous peoples pointed to their own sacred burial grounds to dispute these same claims and maintain their land These efforts built on anti removal campaigns of the 1820s and 30s which had established the link between death and territorial claims on which the significance of the Overland Trail came to rest In placing death at the center of the history of the Overland Trail American Burial Ground offers a sweeping and long overdue reinterpretation of this historic touchstone In this telling westward migration was a harrowing journey weighed down by the demands of caring for the sick and dying From a tale of triumph comes one of struggle defined as much by Indigenous peoples actions as it was by white expansion And finally from a migration to the Pacific emerges instead a trail of graves Graves that ultimately undergirded Native dispossession Gold Rush Capitalists Mark A. Eifler,2002 Examines the interaction of capitalism and community in the founding of the gold rush city of Sacramento and of the clashes between miners and city founders

At the Edge of the Orchard Tracy Chevalier,2017-01-31 With impeccable research and flawless prose Chevalier perfectly conjures the grandeur of the pristine Wild West and the everyday adventurers male and female who were bold enough or foolish enough to be drawn to the unknown She crafts for us an excellent experience USA Today From internationally bestselling author Tracy Chevalier author of A Single Thread comes a riveting drama of a pioneer family on the American frontier 1838 James and Sadie Goodenough have settled where their wagon got stuck in the muddy stagnant swamps of northwest Ohio They and

their five children work relentlessly to tame their patch of land buying saplings from a local tree man known as John Appleseed so they can cultivate the fifty apple trees required to stake their claim on the property But the orchard they plant sows the seeds of a long battle James loves the apples reminders of an easier life back in Connecticut while Sadie prefers the applejack they make an alcoholic refuge from brutal frontier life 1853 Their youngest child Robert is wandering through Gold Rush California Restless and haunted by the broken family he left behind he has made his way alone across the country In the redwood and giant sequoia groves he finds some solace collecting seeds for a naturalist who sells plants from the new world to the gardeners of England But you can run only so far even in America and when Robert s past makes an unexpected appearance he must decide whether to strike out again or stake his own claim to a home at last Chevalier tells a fierce beautifully crafted story in **At the Edge of the Orchard** her most graceful and richly imagined work yet **They Saw the Elephant** JoAnn Levy,2013-07-10 The phrase seeing the elephant symbolized for 49 gold rushers the exotic the mythical the once in a lifetime adventure unequaled anywhere else but in the journey to the promised land of fortune California Most western myths generally depict an exclusively male gold rush Levy s book debunks that myth Here a variety of women travel work and write their way across the pages of western migrant history Choice One of the best and most comprehensive accounts of gold rush life to date San Francisco Chronicle **The World Rushed In** J. S. Holliday,2015-03-16 When *The World Rushed In* was first published in 1981 the Washington Post predicted It seems unlikely that anyone will write a more comprehensive book about the Gold Rush Twenty years later no one has emerged to contradict that judgment and the book has gained recognition as a classic As the San Francisco Examiner noted It is not often that a work of history can be said to supplant every book on the same subject that has gone before it Through the diary and letters of William Swain augmented by interpolations from more than five hundred other gold seekers and by letters sent to Swain from his wife and brother back home the complete cycle of the gold rush is recreated the overland migration of over thirty thousand men the struggle to strike it rich in the mining camps of the Sierra Nevadas and the return home through the jungles of the Isthmus of Panama In a new preface the author reappraises our continuing fascination with the gold rush experience as a defining epoch in western indeed American history Plotting the Golden West Stephen Fender,1981 An examination of the literary and cultural reaction to the Californian Gold Rush of 1849 50 *Blank Spots on the Map* Trevor Paglen,2009-02-05 Welcome to a top level clearance world that doesn t exist Now with updated material for the paperback edition This is the adventurous insightful and often chilling story of a road trip through a shadow nation of state secrets clandestine military bases black sites hidden laboratories and top secret agencies that make up what insiders call the black world Here geographer and provocateur Trevor Paglen knocks on the doors of CIA prisons stakes out a covert air base in Nevada from a mountaintop 30 miles away dissects the Defense Department s multibillion dollar black budget and interviews those who live on the edges of these blank spots Whether Paglen reports from a hotel room in Vegas a secret prison in Kabul or a trailer in Shoshone Indian

territory he is impassioned rigorous relentless and delivers eye opening details **Catalog of Copyright Entries. Third Series** Library of Congress. Copyright Office,1978 *With Golden Visions Bright Before Them* Will Bagley,2012-10-01

During the mid nineteenth century a quarter of a million travelers men women and children followed the road across the plains to gold rush California This magnificent chronicle the second installment of Will Bagley s sweeping Overland West series captures the danger excitement and heartbreak of America s first great rush for riches and its enduring consequences With narrative scope and detail unmatched by earlier histories With Golden Visions Bright Before Them retells this classic American saga through the voices of the people whose eyewitness testimonies vividly evoke the most dramatic era of westward migration Traditional histories of the overland roads paint the gold rush migration as a heroic epic of progress that opened new lands and a continental treasure house for the advancement of civilization Yet according to Bagley the transformation of the American West during this period is more complex and contentious than legend pretends The gold rush epoch witnessed untold suffering and sacrifice and the trails and their trials were enough to make many people turn back For America s Native peoples the effect of the massive migration was no less than ruinous The impact that tens of thousands of intruders had on Native peoples and their homelands is at the center of this story not on its margins Beautifully written and richly illustrated with photographs and maps With Golden Visions Bright Before Them continues the saga that began with Bagley s highly acclaimed award winning *So Rugged and Mountainous Blazing the Trails to Oregon and California 1812 1848* hailed by critics as a classic of western history Gunsmoke and Saddle Leather Charles G. Worman,2005-12-15 The many roles played by guns in the old West with personal accounts by many early settlers and hundreds of photos **Confronting Race** Glenda Riley,2004 Glenda Riley analyzes the relationships of women who migrated West and the non white groups they encountered showing the newcomers rarely lost their racial preconceptions **Gold Rush Sojourners in Great Salt Lake City, 1849 and 1850** Brigham D. Madsen,1983 **Daughters of Joy, Sisters of Misery** Anne M. Butler,1987 They were called frail sisters fallen angels filles de Joie soiled doves queens of the night and whores They worked the seamy brothels saloons cribs streets and hog ranches of the American frontier They were the prostitutes of the post Civil War West Daughters of Joy Sisters of Misery details the destitute lives of these nearly anonymous women Anne Butler reveals who they were how they lived and worked and why they became an essential element in the development of the West s emerging institutions Her story bears little resemblance to the popular depictions of prostitutes in film and fiction Far removed from the glittering lives of dancehall girls these women lived at the boarders of society and the brink of despair Poor and uneducated they faced a world where scarce jobs paltry wages and inflated prices made prostitution a likely if bitter choice of employment At best their daily lives were characterized by fierce economic competition and at worst by fatal violence in the hands of customers coworkers or themselves They were scorned and attacked by the legal military church and press establishments nevertheless as Butler shows these same institutions also used prostitutes as a means for maintaining their

authority and as a lure for economic development *Daughters of Joy Sisters of Misery* is based on an enormous amount of research in more than twenty repositories in Wyoming Arizona Texas Colorado New Mexico and Kansas Using census lists police dockets jail registers military correspondence trial testimony inquests court martials newspapers post return and cemetery records Butler illuminates the dark corners of a dark profession and adds much to our knowledge of both western and women s history And So to Bed Patricia Pate Havlice,1987 This book updates and expands on the bibliographies published by William Matthews *American Diaries* 1959 *British Diaries* 1950 and *Canadian Diaries and Autobiographies* 1950 His cutoff date for American works was 1861 and for British ones 1942 Havlice annotates diaries by more than 2 500 people published in books and periodicals *New Arrivals in Californiana* ,1976 Crossroads City Mark Anthony Eifler,1992
 The Publishers Weekly ,1976

Getting the books **Off At Sunrise The Overland Journal Of Charles Glass Gray** now is not type of challenging means.
