Introduction to Criminal Justice Lawrence Travis III, 2017-10-23 This student friendly introductory core text describes the criminal justice process in the United States outlining the decisions practices people and issues involved It provides a solid introduction to the mechanisms of the criminal justice system with balanced coverage of the issues presented by each facet of the process including a thorough review of practices and controversies in law enforcement the criminal courts and corrections *Victimology* William G. Doerner, Steven P. Lab, 2014-02-06 Victimology Seventh Edition introduces students to the criminal justice system in the United States and its impact on crime victims Authors William Doerner and Steven Lab provide a fresh look at the theoretical basis of victimology and then present the key facets of crime and its effects They examine financial and social costs both to the individual and to the larger community This new edition uses the theoretical foundation of victimology to establish a clear conceptual framework and reduce repetition Emerging trends in the field receive greater emphasis in this edition including non adversarial resolutions that offer remediation for crime victims Crimes like intimate partner violence and victimization in work or school environments continue to take a toll and the authors examine efforts to prevent these crimes as well as responses after an incident occurs Doerner and Lab challenge students to rethink the current response to crime victims and to develop improved approaches to this costly social issue Online supplements are available for both professors and students A new chapter on explaining victimization provides context and a backdrop for examining emerging trends A new chapter on hate crimes delves into the complexities faced by victims as they negotiate the reporting process The text is supplemented by learning tools including chapter by chapter learning objectives key terms illustrative figures and tables and call outs to related Internet sites **Making Amends** Gwynn Davis, 2002-09-11 Reparation or making amends is an ancient theme in criminal justice It was revived in both Europe and North America in the

1980s as a practical alternative both to retributivism and to the various utilitarian projects traditionally associated with retributive justice Making Amends examines the practice of these schemes in the UK USA and Germany and shows how criminal justice institutions were unresponsive to these attempts to cast justice in a new form Yet the experiments reflected an abiding dissatisfaction with criminal courts and with the manner in which justice is conceived and expressed within the criminal framework The authors conclusions therefore have implications for the workings of the criminal justice system as a whole

Revision of the Federal Criminal Code United States. Congress. House. Committee on the Judiciary. Subcommittee on Criminal Justice,1982 Support for Crime Victims in a Comparative Perspective Ezzat A. Fattah,1998 A collection of essays dedicated to the memory of Prof Frederic McClintock *Victims of Crime and the Victimization Process* Marilyn McShane, Frank P. Williams III,2013-12-16 Volume 6 in the 6 volume series titled Criminal Justice Contemporary Literature in Theory and Practice This compilation of articles attempts to fill gaps in existing resources with some of the best current statements on the topic Subjects include the characteristics of victims the effects of crime on victims and some contemporary theories of victimization Also included are evaluations of a variety of victim oriented policies and programs such as victim assistance peace making and victim impact statements This title will be of great utility to students scholars and others with interests in the literature of criminal justice and criminology

Restorative Justice Theo Gavrielides,2017-09-19 The legitimacy and performance of the traditional criminal justice system is the subject of intense scrutiny as the world economic crisis continues to put pressure on governments to cut the costs of the criminal justice system This volume brings together the leading work on restorative justice to achieve two objectives to construct a comprehensive and up to date conceptual framework for restorative justice suitable even for newcomers and to challenge the barriers of restorative justice in the hope of taking its theory and practice a step further The selected articles start by answering some fundamental questions about restorative justice regarding its historical and philosophical origins and challenge the concept by bringing into the debate the human rights and equality discourses Also included is material based on empirical testing of restorative justice claims especially those impacting on reoffending rates victim satisfaction and reintegration The volume concludes with a critique of restorative justice as well as with analytical thinking that aims to push its barriers It is hoped that the investigations offered by this volume not only offer hope for a better system for abolitionists and reformists but also new and convincing evidence to persuade the sceptics in the debate over restorative justice

Human Relations and Corrections Michael Braswell, Larry Miller, Donald Cabana,2006-01-20 The authors of the Fifth Edition of Human Relations and Corrections contend that effective relationships are the key component to correctional successes The inmate judge probation officer correctional officer counselor cleric warden superintendent and others interact to form critical relationships that can either enhance or detract from the rehabilitative and correctional potential of incarcerated offenders as well as those on probation and parole This thought provoking collection of case studies enables the reader to assume each of these

roles engages them in ethical analysis of real life situations and immerses them in the complex decision making processes necessary to solve the problems encountered in today s correctional process **Community Mediation** Karen Grover Duffy,James W. Grosch,Paul V. Olczak,1991-04-26 In recent years the mediation movement has seen tremendous growth with significant advances being made in both research and practice Despite these advances reseachers and practitioners have remained relatively isolated from one another Bridging the gap COMMUNITY MEDIATION is dedicated to the mutual education of both researchers and mediators It makes the findings of research accessible to practitioners and the issues of concern to practice available to researchers Thus this handbook affords researchers an excellent opportunity to learn more about actual techniques and enables practitioners to benefit from the latest research in the field Understanding Public Attitudes to Criminal Justice Mike Hough,Julian Roberts,2005-11-16 Which factors shape public opinion of criminal justice How do the views of the public influence criminal justice policy and practice This book provides an introduction to public attitudes towards criminal justice It explores the public s lack of confidence in criminal justice processes and summarizes findings on public attitudes towards the three principal components of the criminal process the police the courts and the prison system It examines the importance that people attach to different criminal justice functions such as preventing crime prosecuting and punishing offenders and protecting the public Topics include Youth justice and public opinion Public perception of restorative justice Penal populism and media treatment of crime The reliability of public opinion polls The drivers of public opinion Understanding Public Attitudes to Criminal Justice provides an international perspective on the issues surrounding criminal justice and public opinion drawing on research from the UK the United States and Canada and a range of other countries including South Africa Australia and New Zealand Key reading for students in criminology criminal justice and media studies this book is also of value to researchers and those with an interest in crime and the media

Changing Attitudes to Punishment Julian Roberts, Mike Hough, 2013-01-11 Throughout the western world public opinion has played an important role in shaping criminal justice policy At the same time opinion polls repeatedly demonstrate that the public knows little about crime and justice and holds negative views of the criminal justice system This book consisting of chapters from leading authorities in the field is concerned to address this problem and draws upon research in a number of different countries to address the issues arising from this state of affairs Its main aims are to explore the changing and evolving nature of public attitudes to sentencing to examine the factors that influence public opinion and to bring together recent international research which has demonstrated ways in which public attitudes can be changed to propose specific strategies to respond to the crisis in public confidence in criminal justice

Deterrence and Juvenile Crime Anne L. Schneider, 2012-12-06 Americans have an abiding faith in punishment asserts Anne Schneider in her introduction of *Deterrence and Juvenile Crime* Dr Schneider explores this abiding faith in her volume overviewing past assumptions that punishment or merely the threat of punishment necessarily deters criminal behavior She critically examines specific deterrence theories and presents the methodology used in her own research research whose findings are often quite disruptive to those assumptions held so long Using data from six experimental studies in U S cities she finds that instilling a sense of citizenship is more important in reducing future criminal behavior than enhancing the certainty or severity of punishment Beyond these results the author raises some pointed issues to explain why perceptions of certainty and severity of punishment generally perform so inadequately in predicting subsequent offenses A comparison between incarceration methods and community based restitution programs as well as the implications of policy comprise a thorough discussion which focuses on the future and reflects upon the role of random experiments regarding issues of public policy initiatives

Personality Theory, Moral Development, and Criminal Behavior William S. Laufer, James M. Day, 1983 The articles in this collection discuss how psychological forces interact with our larger enviornment and contribute to crininality
