In Search of Dignity William Anthony, 2001-05 Randy Obediah and Barney all endured humiliation and degradation in different parts of two continents as they spend many years trying to rid themselves of their feelings of shame they had borne in their past All three of the men are married to women of integrity whose selfless encouragement enlivens them to find a way to live a life of dignity Destiny intervenes and brings them together as they all seek a common shelter from a South Dakota blizzard Each of the three men find themselves willing to discuss with total strangers as they wait for the terrible blizzard to end their hopes ambitions goals and loves as each receives motivation and inspiration from the others Many people feel these men would have surely been signers of Our Declaration of Independence or of the American Constitution if they had only been at the right place at the right time Instead they were a catalyst to building a new society and culture in a developing country which needed honesty integrity and love of liberty for a basis of living

Aging Gracelessly Tom Bennett, 2022-12-06 The Bible is arguably the greatest masterpiece of literature ever produced But what makes it great Who decides whether it is great accurate or valid Is one opinion or interpretation better than another These are questions that are best left to the experts right Aging Gracelessly is the culmination of an 18 month study by the author to read the Bible analyzing it from the perspective of a reluctant agnostic and hopefully find in it a much anticipated inner peace It is a genuine attempt to investigate the Good Book without the bias and influence of others The author delves into each book of the Bible and relates the experience with an unusual honesty and candor He is looking for peace and possibly salvation and like C S Lewis fully expects to get off his agnostic fence to join the two billion other Christian adherents who consider the Bible the ultimate handbook for the soul Along the way he discusses with himself many of the facets of our intangible existence things like good vs evil reality vs wishful thinking faith vs brainwashing and ignorance vs stupidity Aging Gracelessly raises as many questions as it addresses and it will make even the most vigorous believers among us think about what we believe

For the Love of God (Vol. 1, Trade Paperback) D. A. Carson, 2006-07-10 In a world that views absolute truth right and wrong and salvation as being subject to individual interpretation the Bible's unwavering proclamations and miraculous stories seem obsolete in modern times But it is not God's Word that has changed Indeed its relevancy and its power to transform lives are intact What has changed is the number of people who consult it Now more than ever the need to read the Bible to understand the big picture of its storyline and to grasp the relevance this has for your life is critical As with its companion volume For the Love of God Volume 2 this devotional contains a systematic 365 day plan based on the M Cheyne Bible reading schedule that will in the course of a year guide you through the New Testament and Psalms twice and the rest of the Old Testament once In an effort to help preserve biblical thinking and living D A Carson has also written thought provoking comments and reflections regarding each day's scriptural passages And most uniquely he offers you perspective that places each reading into the larger framework of history and God's eternal plan to deepen your understanding of his sovereignty and the unity and power of his Word
