180 Days™: Geography for Kindergarten Jessica Hathaway, 2018-03-01 Help kindergarten students improve their geography skills with fun and effective daily practice activities. 180 Days Geography for Kindergarten focuses on a new topic each week, covering map skills, applying information and data, and connecting what was learned. Builds students' confidence in geography with quick learning activities focusing on location, place, human environment, interaction, movement, and regions. Makes at-home learning, whole class instruction, or small group support quick and easy. Includes standards-based activities, easy-to-follow instructions, and an answer key to quickly assess student understanding. Parents appreciate the teacher-approved activity books that keep their child engaged and learning. Great for homeschooling to reinforce learning at school or prevent learning loss over summer. Teachers rely on the daily practice workbooks to save them valuable time. The ready-to-implement activities are perfect for daily morning review or homework. The activities can also be used for intervention, skill building, to address learning gaps.
