NGOs, Knowledge Production and Global Humanist Advocacy Alistair

Markland, 2020-03-02 NGOs Knowledge Production and Global Humanist Advocacy is an empirically and theoretically rich account of how international non governmental organisations produce knowledge of and formulate understandings about the world around them The author applies critical and sociological perspectives to analyse the social and political limits of knowledge generated in support of global advocacy efforts aimed at enhancing human rights and preventing violent conflicts It is found that despite their transnational networks and claims to humanist universality the proximity of global advocates to

Western power structures and elite social spaces delimits their worldviews and curtails the potential for radical departures from mainstream political thinking This book will be of interest to scholars and students of international relations human rights the sociology of knowledge peace and conflict studies and critical security studies *Monthly Catalogue, United States Public Documents* ,1990 **Failure Masquerading as Success** Rudolph Cumberbatch,2008-12-04 President Lincoln in 1865 said To care for him who shall have borne the battle and for his widow and his orphan This quote was later adapted as the VAs motto General Omar N Bradleys VA Mission Statement We are dealing with veterans not procedures with their problems not ours has been quoted repeatedly during the seventy five years since In 1982 President Reagan approved 55 6 million in financial aid to Meharry Medical College An acute care facility was established at Murfreesboro VA for training Meharry students Bob Stump Rep Arizona the chairman of the House Committee on Veterans Affairs recently heard that in some VAs incompetent managers are not fired on the spot but instead reassigned or transferred The fix was the immediate removal of Konik as the failed director at the Salisbury VA and recycling him as our new director in the summer of 1996 On Tuesday April 14th 1998 an E Mail was disseminated with following quotation Weak leadership at the York VA Medical Center has prompted changes in the hospitals administration staff with hospital Director Gene Konik reportedly asking for reassignment VA officials said Mr Dandridge began to initiate his long term plan for integrating Murfreesboro and Nashville VA One of his famous quotations was Practice practice makes perfect Another of his public quotations was Having the Nashville VA surgical residents perform the surgery would provide world class surgery to the area veterans In the last five years York has seen four different directors Gordons office has been bombarded with complaints from ailing veterans and their families about lack luster care Those who've died as a result of the administrative and service changes cant complain anymore Current York VA Director David Pennington has never spoken to the press about anything but did send a memo to the medical staff warning them to get online or get out Our last crop of veterans is dying because of VA medical mismanagement and our next batch is being loaded onto airplanes to fly back to an uncertain future Mr Sullivan a gulf War I vet and VA project manager stated This administration is so absolutely corrupt incompetent and malevolent it pales anything that came before it Why is our economy tanking The war the war the war Chamber Concise Dictionary ,2004 Network ,1989 **Quarterly Supplement to the ...
