P Jozsa, Jr, 2010-10-19 The National Basketball Association NBA is widely recognized as an entertaining and innovative league whose teams play regular season and postseason games in packed arenas at home and away sites in the United States and Canada This book discusses the development growth and success of the 61 year old NBA from a business perspective Covering the late 1940s to 2009 it focuses on the league's expansions and mergers team territories and relocations franchise organizations and operations basketball arenas and markets and NBA domestic and international affairs Readers will gain an insight into when how and why the NBA emerged reformed and gradually matured to become one of the world's most dominant prosperous and popular professional sports organizations today **The People Shall Rule** Robert

Fisher, 2009-10-16 With the election of a community organizer as president of the United States the time is right to evaluate the current state of community organizing and the effectiveness of ACORN Association of Community Organizations for Reform Now Since 2002 ACORN has been dramatically expanding and raising its national profile it has also been weathering controversy over its voter registration campaigns and an internal financial scandal The twelve chapters in this volume present the perspectives of insiders like founder Wade Rathke and leading outside practitioners and academics The result is a thorough detailing of ACORN's founding and its changing strategies including vivid accounts and analyses of its campaigns on the living wage voter turnout predatory lending redlining school reform and community redevelopment as well as a critical perspective on ACORN's place in the community organizing landscape *The Sport Enterprise: A Student's*

*Perspective 2nd Edition* Chrystal Denmark Porter, 2008-12-18 As of 2008 there are over 300 Sport Management programs worldwide Although the professional pursuit of each student is varied sport management students quickly discover entry into the sport industry is extremely competitive therefore making it hard to get noticed Students from Endicott College have taken action to distinguish themselves from their future professional competition by writing short essays that demonstrate their growing mastery of the industry for public viewing and critique This book provides a glance into each student's take on The Sport Enterprise **Men's Health**, 2006-10 Men's Health magazine contains daily tips and articles on fitness nutrition relationships sex career and lifestyle Spaced Out Mike Prada, 2022-11-01 A hands on illuminating deconstruction of NBA

basketball tracing the tactical evolution of the modern game As the NBA celebrates and surpasses 75 years of existence today's game looks nothing like it did in generations past when Bill Russell Wilt Chamberlain and Kareem Abdul Jabbar took turns ruling the league But it's also entirely different from a decade even half decade ago Today's stars enter the league with more versatility and fluidity than ever before and they need it to handle the strategies philosophies schemes skill sets movement patterns and measures of basketball intelligence that simply didn't exist in the past Spaced Out tells the story of what professional basketball looks like right now and how it got here Taking a court level view Mike Prada breaks down high level play to elucidate the athleticism strategy and skill demonstrated on a nightly basis while shining a light on the historical forces that have dramatically altered the shape of the game and the role of its superstars Topics covered include the

explosion of three point shooting the rise and fall and rise again of zone defense the impact of tighter enforcement of perimeter contact rules and other pivotal factors impacting the pro game From Xs and Os to keen historic analysis this definitive volume will reveal the intricacies of a beautiful game for savvy fans players and coaches alike

**Interdisciplinary Analyses of Professional Basketball** Till Neuhaus, Niklas Thomas, 2024-01-03 This edited collection conceptualizes professional basketball not just as a sport but as an historically culturally and economically embedded entity The chapters analyse the fact that the sport of basketball contains alternative logics that can easily clash and by treating professional basketball as the negotiation place of these multiple demands ideas and logics the editors have identified three areas in which these clashes manifest the realization of the game the cultural impact of professional basketball and the global outreach of professional basketball The book is explanatory and qualitative offering new perspectives and touching on topics including gender diversity racism and minority experiences within professional basketball As such it will be of interest to sport sociologists as well as those researching the history of sport sports marketing and cultural studies Baseball in Crisis Frank P. Jozsa, Jr., 2014-01-10 Recent polls have placed football ahead of baseball in popularity Does this reflect football's rise or baseball's decline Why has the national pastime a title perhaps becoming inaccurate fallen behind other major sports Is the trend reversible This book identifies the most substantial and persistent issues that have impaired Major League Baseball's development Chapters cover inflationary player team and game costs changes in baseball's fan base congestion in urban areas that host big league ballclubs the negligent and irrational actions some of it criminal of players owners league officials and the players union and the maldistribution of power among the major league franchises Six major reforms needed to boost the popularity of baseball are identified *The Redemption of the King* Vince McKee, 2015-03-17 LeBron James is back in Cleveland's court and the city is on fire as its chosen one has decided to come home His highly publicized and equally highly emotional return to Cleveland reveals his penultimate goal to bring a championship back to northeast Ohio where he grew up Now for the first time ever the full story is told from the beginning as author Vince McKee covers James's entire journey in every detail both on and off the court from the start of his career with the Cavaliers in Cleveland to his departure to Miami his time with the Heat and finally the much debated and highly anticipated return of the King Although pro basketball is an international juggernaut in terms of dollars this story revolves more around hometown pride and character than money or celebrity *The Sociology of Sports* Tim Delaney, Tim Madigan, 2021-08-19 This third edition takes a fresh approach to the study of sport presenting key concepts such as socialization race ethnicity gender economics religion politics deviance violence school sports and sportsmanship While providing a critical examination of athletics this text also highlights many of sports positive features This new edition includes significantly updated statistics data and information along with updated popular culture references and real world examples Newly explored is the impact of several major world events that have left lasting effects on the sports realm including a global pandemic SARS CoV 2 or

Covid 19 and social movements like Black Lives Matter and Me Too Another new topic is the pay for play movement wherein college athletes demanded greater compensation and at the very least the right to profit from their own names images and likenesses Dynasty Lew Freedman,2008 *New England Law Review: Volume 50, Number 3 - Spring 2016* New England Law Review,2016-08-24 Sport and the Law Samuel O. Regalado,Sarah K. Fields,2014-12-01 Not distributed available at Arkansas State Library **Sports, Peacebuilding and Ethics** Linda M. Johnston,2017-07-05 As this latest volume in the Peace the role of a coach in creating a culture of peace and how this culture can fit into a peacebuilding process Contributors also examine the role of sports in trauma relief programs in Rwanda the role of universities in sports and the role of sports in the demilitarization of child soldiers The last three contributors tackle some of the legitimate concerns raised about using sports for peacebuilding such as sports being competitive violent and focused on winning Contributors look carefully at these and other issues that have arisen in sports as a tool of conflict resolution discuss why they have become concerns and consider some possible ways to deal with these concerns in the future American Sports Murry R. Nelson,2013-05-23 America loves sports This book examines and details the proof of this fascination seen throughout American society in our literature film and music our clothing and food and the iconography of the nation This momentous four volume work examines and details the cultural aspects of sport and how sport pervasively reflects and affects myriad aspects of American society from the early 1900s to the present day Written in a straightforward readable manner the entries cover both historical and contemporary aspects of sport and American culture Unlike purely historical encyclopedias on sports the contributions within these volumes cover related subject matter such as poetry novels music films plays television shows art and artists mythologies artifacts and people While this encyclopedia set is ideal for general readers who need information on the diverse aspects of sport in American culture for research purposes or are merely reading for enjoyment the detailed nature of the entries will also prove useful as an initial source for scholars of sport and American culture Each entry provides a number of both print and online resources for further investigation of the topic
