PRAYING THROUGH THE BIBLE SERIES What is God's word Simply put it is the word of God spoken to people long ago who transcribed that information into writing That writing was meticulously passed down for thousands of years to speak to us today How did God speak to people in Bible times Audibly God spoke directly to people who heard Him with their ears or in their heart Through situations God spoke through the actions and events of this world Through people God spoke through leaders kings and prophets who proclaimed God's purpose Through prophecy God spoke about future events then those events happened Scripture God spoke through His written word when people read those words later Prayer God spoke through the prayers of people

PRAYING THROUGH THE BIBLE SERIES recognizes the power of God speaking to mankind through His Scriptures God's word was not only meant to be read but applied We must apply ourselves to these passages and adjust our lives to God's will The prayers contained in this book paraphrase the scriptures into a personal conversation with God That way you can speak the words of God back to Him and make them your own Today God uses many ways to speak to us This book incorporates those avenues of communication to ensure that God will speak to you during your quiet time with Him Each section asks the reader to do six things
