Ebony, 2000-03 EBONY is the flagship magazine of Johnson Publishing Founded in 1945 by John H Johnson it still maintains the highest global circulation of any African American focused magazine

The Late Age of Print Ted Striphas, 2011 Here the author assesses our modern book culture by focusing on five key elements including the explosion of retail bookstores like Barnes Noble and Borders and the formation of the Oprah Book Club

Reading with Oprah Kathleen Rooney, 2008-01-01 Adored by its fans deplored by its critics Oprah's Book Club has been at the center of arguments about cultural authority and literary taste since it began in 1996 Reading with Oprah explores the club's revolutionary fusion of books television and commerce and tells the engaging and in depth story of the OBC phenomenon

Kathleen Rooney combines extensive research with a dynamic voice to reveal the club's far-reaching cultural impact and its role as crucible for the clash between high and low literary taste. Comprehensive and up to date, the book covers the club from its inception in 1996 through the Jonathan Franzen contretemps, the surprising suspension in 2002, and after the club's return in 2003, the progression from great books to memoir. New material includes an extensive look at the James Frey scandal and Oprah's turn to contemporary fiction including *The Road* and *Middlesex*. Through close examination of Winfrey's picks and personal interviews with book club authors and readers, Rooney demonstrates how the club that Barbara Kingsolver calls one of the best possible uses of a television set has, according to Wally Lamb, gotten people of all ages to read to read more and to read widely. Bowker's Guide to Characters in Fiction 2007, 2008-02 *Ebony*, 2000-03 EBONY is the flagship magazine of Johnson Publishing. Founded in 1945 by John H. Johnson, it still maintains the highest global circulation of any African American focused magazine. **Idol Talk** Elizabeth Searle, Tamra Wilson, 2018-06-05 In the midst of acne, social anxiety, and training bras are the teen idols that make adolescent life a little more bearable. Whether their cutouts are plastered on bedroom walls or hidden behind locker doors, there is no denying the impact of these stars on young women. This collection of new essays explores with tenderness and humor the teen crushes of the past 60 years, from Elvis to John Lennon to Whitney Houston, who have influenced the choices of women romantically or otherwise well into adulthood.

Oprah Winfrey and the Glamour of Misery Eva Illouz, 2003 Oprah Winfrey is an unprecedented and important cultural phenomenon. This book aims to understand the reasons for her spectacular success and visibility. Based on nearly one hundred show transcripts, a year and a half of watching the show regularly, and analysis of magazine articles, several biographies, *O Magazine*, Oprah Book Club novels, self-help manuals promoted on the show, and hundreds of messages on the Oprah Winfrey Web site, it takes the Oprah industry seriously in order to ask fundamental questions about how culture works today. **Reading Oprah** Cecilia Konchar Farr, 2005-01-01 An analysis of how Oprah's Book Club has changed America's reading habits. **River Cross My Heart** Clarke, 1999-07-01 Angels Make Their Hope Here Breana Clarke, 2025-05-01 Russell's Knob is not paradise. But already in 1849, this New Jersey highlands settlement is home to a diverse population of blacks, whites, and reds who have intermarried and lived in relative harmony for generations. It is a haven for Dossie Bird, who has escaped north along the Underground Railroad and now feels the embrace of the Smoot family. Duncan Smoot presides as accidental patriarch, protector of his enterprising sister Hattie, and his two rambunctious nephews. As Dossie busies herself with cleaning, cooking, and tending the chickens at Duncan's homestead, she wonders: Could this man, her rescuer, so godlike in her eyes, so much older than she expects her to become, his helpmeet? Tentatively, Dossie begins to put down roots until a shocking act of violence propels her away from Russell's Knob and eventually into the mayhem of New York City's mean streets. With the same storytelling brio that distinguished the acclaimed novels *River Cross My Heart* and *Stand the Storm*, Breana Clarke weaves a richly dramatic story of interracial harmony in the Civil War era and of one woman's triumph in the

crucible of history *Chicken Soup for the Soul: I'm Speaking Now* Amy Newmark, Breena Clarke, 2021-06-01 Now more than ever the strong independent courageous voices of Black women are being heard loud and clear They share their truth about life love family faith and hope in these 101 personal stories and 12 powerful poems The world is listening Black women are speaking for themselves and their families and everyone is listening This unique collection of stories is for readers of all colors not just the Black community as these contributors share their dreams their triumphs and failures and their lives which have unique challenges and hardships that are not well understood by others Readers of color will recognize their own struggles in these pages and white readers will benefit from an inside view of Black life in America Canada and beyond These 101 stories and 12 poems written by and for Black women cover it all from fierce to funny about hopes and dreams fears and realities identity and self discovery family children even hair Each one starts with a quote connecting you to a wellspring of wisdom from historical and contemporary Black women We are speaking now says Breena Clarke coauthor of this book Because the moment is now in this collection of first person narratives This is an opportunity to hear the often silenced voices of Black women writing for you and because of you These are stories of universal human experiences but also reflect the specificity of Black women's lives in the United States Canada and the Caribbean Everyone will benefit from this look into the culture wisdom and everyday reality of the Black experience with 11 chapters each starting with a powerful poem The Shoulders We Stand On Where We Come From Everyday Struggles Stand Up Speak Out Raising Our Children Family Food for the Soul Taking Care of Me Sisters Friends Loving Black Men Identity Roots Self Discovery *Chicken Soup for the Soul* books are 100% made in the USA and each book includes stories from as diverse a group of writers as possible *Chicken Soup for the Soul* solicits and publishes stories from the LGBTQ community and from people of all ethnicities nationalities and religions **Voices Of A Woman** Sharron L. Forever Fluid is a rich feast of literary and philosophical insight It provides the first English commentary on Luce Irigaray's poetic text *Elemental Passions* setting it within its context within continental thought It explores Irigaray's images and intentions developing the gender drama that takes place within her book and draws the reader into the conversation in the text between I woman and you man But the book is also much more than this as it uses the exploration of sexual difference as a means to challenge the system of binary logic which has pervaded western thought since Aristotle It develops the exciting idea of a fluid logic which can move beyond oppositions to multiple subjects and creativity of thought and action While challenging Irigaray's refusal to move beyond sexual difference the book shows how her representation of sexual difference enables appreciation of difference of all kinds **A Study Guide for Zhang Jie's "Love Must Not Be Forgotten"** Gale, Cengage Learning, 2010 A Study Guide for Zhang Jie's *Love Must Not Be Forgotten* excerpted from Gale's acclaimed *Short Stories for Students* This concise study guide includes plot summary character analysis author biography study questions historical context suggestions for further reading and much more For any literature project trust *Short Stories for Students* for all of your research needs **Great Short Stories by African-American Writers** Christine Rudisel, Bob Blaisdell, 2015-08-19 Offering diverse perspectives on the black experience this anthology of short fiction spotlights works by influential African American authors Nearly 30 outstanding stories include tales by W E B Du Bois Zora Neale Hurston Claude McKay and Jamaica Kincaid From the turn of the twentieth century come Alice Ruth Moore's *A Carnival Jangle* Charles W Chesnutt's *Uncle Wellington's Wives* and Paul Laurence Dunbar's *The Scapegoat* Other stories include *Becky* by Jean Toomer *Afternoon* by Ralph Ellison Langston Hughes's *Feet Live Their Own Life* and *Jesus Christ in Texas* by W E B Du Bois Samples of more recent fiction include tales by Jervey Tervalon Alice Walker and Edwidge Danticat Ideal for browsing this collection is also suitable for courses in African American studies and American literature **The Book Club** Nancy Noel Marra, 2001 If you have a group of friends with whom you've shared many of life's trials and celebrations then you'll find the women of The Book Club Just Desserts very interesting If one of your hobbies is reading then you're sure to enjoy the great book selections and group discussions that play an integral part of The Book Club Just Desserts And if you enjoy delicious desserts then you're sure to love the wonderful recipes found in The Book Club Just Desserts
