Lunn, 2004-02 Facing adversity is a part of life It is up to those challenged as to how these obstacles will impact their lives In this inspiring new book *Stack the Logs Building a Success Framework to Reach Your Dreams* Frank F Lunn describes how his relationship with his late father and his young son s devastating diagnosis of leukemia led to a new formula for success based on a tried and true philosophy The result is a remarkable lesson on how we can get the most out of life Lunn who has a successful entrepreneurial background engages you from the very first pages He describes an experience with his father which provided the foundation for the book and details his own son s frightening fight against cancer Lunn tells of a simple note in a birthday card from his father about how stacking the logs one at a time making life choices one by one was the only route to success and how it suddenly became clear this simplistic idea was truly profound Frank F Lunn was living a normal busy life when he received a phone call that stopped time His eight year old son had just been diagnosed with leukemia The

next six months were a struggle for the entire Lunn family as they battled with Frankie against a cancer of the blood and bone marrow a cancer very similar to what ironically had defeated Lunn's father four years earlier. At the time of his son's illness, the premise for this book was still in its infancy. It is based on his father's homespun advice to stack the logs one decision and choice stacked on top of another until success is achieved.
