Severance, 2012-10-22 A riveting story of one man's life and ministry during the explosion of Christian missions in nineteenth century America. *Against the Gates of Hell* is the biography of Henry T. Perry, a missionary to Turkey from 1866 to 1913. Based heavily on previously unpublished letters and diaries from the ABCFM (American Board of Commissioners of Foreign Missions) archives in Harvard's Houghton Library, *Against the Gates of Hell* provides an eyewitness account of the last years of the Ottoman Empire, years that are the foundation for the modern Middle East. Perry's diary also reveals a life wholly committed to Christ, by his example challenging the reader in his own Christian walk. Here too can be found historical testimonies of Muslim-Christian relations, which have assumed renewed importance since the events of September 11, 2001. *Against the Gates of Hell* is classic narrative history, carefully researched, attentive to human interest detail, and contextually rich in historical background. Because of the richness of the historical background, the work becomes a cultural history as well as a biography. The book includes firsthand eyewitness accounts of the 1894-1895 Armenian massacres and the 1915 Armenian genocide. *Against the Gates of Hell* is especially timely for the 100th anniversary in 2015 of the 1915 Armenian Genocide, the first genocide of the twentieth century.
