**Life of Tom Horn, Government Scout and Interpreter, Written by Himself, Together with His Letters and Statements by His Friends** Tom Horn, 1964 On November 20 1903 Tom Horn was hanged in Cheyenne Wyoming for the murder of a fourteen year old nester boy Horn army scout and interpreter for Generals Willcox Crook and Miles in the Apache wars Pinkerton operative cattle detective and King of Cowboys was hanged like a common criminal many think mistakenly His own account of his life written while he was in prison and first published in 1904 is not really a vindication says Dean Krakel in his introduction While the appendix is spiked with interesting letters testimonials and transcripts they don't really add up to anything in the way of an explanation of what really happened Regardless of Horn's guilt or innocence his story beginning when he was a runaway Missouri farm boy provides a firsthand look at scout Al Sieber in action at the military both great and small at the wily Geronimo the renegade Natchez and old Chief Nana of the Apaches **Tom Horn in Life and Legend** Larry D. Ball, 2014-05-19 Some of the legendary gunmen of the Old West were lawmen but more like Billy the Kid and Jesse James were outlaws Tom Horn 1860 1903 was both Lawman soldier hired gunman detective outlaw and assassin this darkly enigmatic figure has fascinated Americans ever since his death by hanging the day before his forty third birthday In this masterful historical biography Larry Ball a distinguished historian of western lawmen and outlaws presents the definitive account of Horn's career Horn became a civilian in the Apache wars when he was still in his early twenties He fought in the last major battle with the Apaches on U S soil and chased the Indians into Mexico with General George Crook He bragged about murdering renegades and the brutality of his approach to law and order foreshadows his controversial career as a Pinkerton detective and his trial for murder in Wyoming Having worked as a hired gun and a range detective in the years after the Johnson County War he was eventually tried and hanged for killing a fourteen year old boy Horn's guilt is still debated To an extent no previous scholar has managed to achieve Ball distinguishes the truth about Horn from the numerous legends Both the facts and their distortions are revealing especially since so many of the untruths come from Horn's own autobiography As a teller of tall tales Horn burnished his own reputation throughout his life In spite of his services as a civilian scout and packer his behavior frightened even his lawless companions Although some writers have tried to elevate him to the top rung of frontier gun wielders questions still shadow Horn's reputation Ball's study concludes with a survey of Horn as described by historians novelists and screenwriters since his own time These portrayals as mixed as the facts on which they are based show a continuing fascination with the life and legend of Tom Horn *Tom Horn* Jay Monaghan, 1997-01-01 The last great folk tale of the last American frontier that's how Jay Monaghan describes the crimson career of Tom Horn defender of property rights soldier of fortune range detective professional killer Tom Horn who had chased after Geronimo and ridden the trains as a Pinkerton operative was drawn to wherever the action was ultimately to Wyoming as a hired gun for the cattle barons Finally he went too far and paid at the end of a rope in 1903 For years
