Sahaj Marg And Its Children:

The Principles of Sahaj Marg Parthasarathi Rajagopalachari, 1987 Lectures and articles on religion and spirituality

Sahaj Marg Philosophy Ram Chandra, Sahaj Marg Philosophy is a compilation of Ram Chandra's writings on philosophy as an intuitive science which underlies the practices of Sahaj Marg. He explains the nature of real peace, the heart as the field of the mind, prayer as our link with the Source, and the importance of having a teacher of calibre. He expands on both the roles of the student and teacher throughout the spiritual journey and especially the role of the teacher in transmitting Prana-huti Yogic Transmission. Sahaj Marg Philosophy has come from the source of his personal experience and superconscious awareness in the realm of Reality and beyond. Having himself journeyed to the Source, he presents philosophy from direct perception, and in this respect it is akin to the great sacred texts of the past. *Commentary on the Ten Maxims of Sahaj Marg* Ram Chandra, In this book Ram Chandra has endeavoured to put into words those spiritual secrets that had previously been passed down from spiritual teacher to student silently through vibrations from heart to heart. They relate to direct perception to the study of Nature. Instead of focusing on what not to do, he shows us what we can do to mould our lifestyle to be in tune with our spiritual journey. The ten guiding principles are beautifully designed to follow the natural cycle of the day, starting with rising and meditating before dawn and finishing with the practices to be done just before sleeping at night. In between, he focuses on the principles that help us to meet the challenges of daily lives, being in tune with Nature, being authentic, accepting what comes, letting go of negative emotions and guilt, nurturing human oneness and unity in diversity, cultivating positive attitudes towards resources like food and money, and changing behavioural patterns that are limiting. If practised, these Maxims are ten steps to eternal peace and fulfilment in life. *Sahaj Marg and Personality Problems & Yoga Psychology and Modern Physiological Theories* K. C. I will bring ingredients and pay you for your trouble. I would like to know about your culture as well. And with this posting on Craigslist, so begins Nani Power's journey to learn traditional Indian cooking in the most ancient of ways: woman to woman. Welcomed warmly into the homes of strangers, Power meets women of all ages and backgrounds and from them learns the skills that were passed on to them from their own mothers. Power takes the reader into a culture, a cuisine, and the female psyche with recipes and stories from each chapter, revealing the struggle of modern women, both American and of Indian descent, searching for identity and a definition of what it means to be a woman today. The recipes shared in this collection are far from ordinary; they are treasured family recipes from vegetarian homes in India, from homemade cheese cubes in a rich cilantro and almond curry to coconut stuffed okra and luscious potato curry dumplings. Power's recipes and stories pave the road to understanding a culture that is at the same time ancient and so very much part of our modern world. *10 Ways To Softify Your Kiddo* M.V. Dear all Disha Prabha is the connecting link of this series and has a special significance too Thus I commence this series with the etymology of the name When we the lazy intellectual better half that I am married to and the earnest me were searching for an ideal name for my counseling practice we tried various permutations and combinations for a word or phrase that meant to throw light on or to guide or to give direction because as a counselor that was my ideal job description The other thought which we were consciously coming back to was a name that would have the family members in it the four of us so that one name would suffice as our house sign board and my practice title Thus Disha Prabha came into being Disha means direction or way and Praha means illumination or radiance This was just perfect counselling is all about lighting the way or lending radiance to direction More importantly Disha is a combination of Di Dinesh the boss of the family and Sha Sharanya the author Prabha is put together with Pra Pranav our son and Bha Bhargavi our daughter So in unanimous consensus we chose this name Most of my writings are experiences or moments shared with these three people It is but obvious that they make an appearance everywhere in this book and all the other books that will follow This book is the first of the Disha Prabha series And I give my thanks to Sahaj Marg the meditation path I follow and teach My Disha received Prabha from this path and I owe everything to this path *Ecovillages around the World* Frederica Miller, 2018-07-10 A beautiful full color book
